ON 1st January 1985, Economic Insurance Company Limited transferred £480,000 from the Shareholders' Fund, as a temporary contribution to meet the cost of accepting new business and to enable the record bonus rates declared in the previous two years to be maintained. The Directors resolved that this contribution should be returned to the Shareholders' Fund when the financial condition of the Life Fund permitted.

Economic Insurance Company Limited is pleased to announce that the surplus generated in the Life Fund in 1985 enables it to grant bonuses on all with proft policies at the end of 1985, at the same rates as were declared in each of the previous three years and to repay the £480,000 in full to the Shareholders' Fund. Accordingly, Economic Insurance Company Limited intends to make this repayment with effect from 1st January 1986.

This Notice is published to satisfy the requirements of Section 30(3) of the Insurance Companies Act 1982 and has been approved for this purpose by the Secretary of State for the Department of Trade and Industry.
