DEPARTMENT OF AGRICULTURE AND FISHERIES FOR SCOTLAND

THE IMPORTED FOOD (SCOTLAND) REGULATIONS 1985

HEALTH MARK : MAURITIUS

THE Secretary of State for Scotland in exercise of the powers conferred on him by the Imported Food (Scotland) Regulations 1985

(SI 1985, No 913), gives notice that he hereby recognises, subject to the conditions hereinafter set out, the health mark described in the Schedule hereto for the importation from Mauritius of fully-cooked meat products as showing:—

- (a) that the meat from which the meat product to which it relates was prepared, was derived from mammals inspected before and immediately after death and passed in accordance with criteria satisfactory to the Secretary of State and
- (b) that the dressing, packing and other preparation of the meat product was carried out with all necessary precautions for the prevention of danger to health.

The said health mark is recognised subject to the following conditions:—

- (i) recognition applies only to meat products imported from Mauritius, but does not apply to any such meat products derived from mammals killed when wild.
- (ii) where the health mark is in the form of a stamp or label, recognition will apply only if the stamp or label has not in any other circumstances or on any other occasion been used as a health mark.

Recognition of the health mark is restricted to the extent shown in the Schedule hereto.

The Notice published in the Edinburgh Gazette, dated 15th January 1988, is hereby revoked.

SCHEDULE

For fully-cooked canned meat products, the health mark shall consist of a stamp or label as set out below:—

Recognition if restricted to the approved establishment number shown in the design above.

Note : Imports of meat and meat products from certain countries are restricted and in some cases prohibited on animal health grounds by the Importation of Animal Products Order 1980, as amended. The recognition of a health mark for public health purposes does not give exemption from such restrictions or prohibitions.
