TRADE DESCRIPTIONS ACT 1968

ORIGIN MARKING

NOTICE OF INTENTION TO MAKE AN ORDER
UNDER SECTION 8

1. NOTICE is hereby given, pursuant to section 38 of the Trade Descriptions Act 1968, that the Secretary of State for Trade and Industry intends to make an order under section 8 of that Act to require that in certain circumstances goods are marked with or accompanied by a statement of the place of production or manufacture.
2. The general effect of the proposed order is to require that, with certain exceptions, where goods are presented in such a way as to indicate that they were manufactured or produced elsewhere than in the case, they must be marked with or accompanied by a clear, legible and conspicuous statement of the place where they were manufactured or produced. The statement must include the country of manufacture if it is otherwise likely to create the impression that the goods were manufactured or produced in another country.

3. Copies of the proposed order may be obtained, free of charge, from: the Department of Trade and Industry, Consumer Affairs Division, Room 317, 10-18 Victoria Street, London SW1H 0NN (tel: 01-215 3294).

THE EASTWOOD DISTRICT COUNCIL TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1972 THE TOWN AND COUNTRY PLANNING (THE EASTWOOD DISTRICT COUNCIL) (NETHERLEE) DIRECTION 1988

NOTICE is hereby given that the Eastwood District Council as local planning authority for Eastwood District, made, with the approval of the Secretary of State for Scotland, the above-mentioned Direction under Article 4 of the Town and Country Planning (General Development) (Scotland) Order 1981 as amended.

The effect of the Direction, which comes into effect as at the date hereof, is that permission granted in terms of Article 3(1) of the said Order shall not apply to development of the classes specified in the Schedule hereto within that part of Netherlee delineated in red on the plan annexed and executed as relative to the Direction, unless permission is granted on an application in that behalf.

The Direction and the plan referred to therein may be inspected during normal office hours at the Council's Offices, Eastwood Park, Rouken Glen Road, Giffnock G46 6UG.

SCHEDULE

Class I (Development within the curtilage of a dwellinghouse).

- (1) The enlargement, improvement or other alteration (other than by the carrying out of operations within paragraph (2A) of this Class) of a dwellinghouse so long as:
 - (a) the cubic content of the original dwellinghouse (as ascertained by external measurement) is not exceeded by more than —
 - (i) in the case of a terrace house, 50 cubic metres or one tenth, whichever is the greater; or
 - (ii) in any other case, 50 cubic metres or one fifth, whichever is the greater.
 subject (in either case) to a maximum of 115 cubic metres;
 - (b) the height of the building as so enlarged, altered or improved does not exceed the height of the highest part of the roof of the original dwellinghouse;
 - (c) no part of the building as so enlarged, improved or altered projects beyond the forwardmost part of any wall of the original dwellinghouse which fronts on a road;
 - (d) in the case of an enlargement, improvement or other alteration comprising a projection from the roof of the dwellinghouse —

- (i) a line taken at right angles from any point on the uppermost line of such projection to the surface line of the roof of the dwellinghouse before development does not exceed 10 centimetres; and
- (ii) the roof area of the enlargement, improvement or alteration does not exceed 10% of the roof area of the dwellinghouse before development;
- (e) where any part of the dwellinghouse will as a result of the development lie within a distance of 5 metres from an existing garage or coach-house, that building shall (for the purposes of the calculation of cubic content) be treated as forming part of the dwellinghouse as enlarged, improved or altered;
- (f) no part of the building (as so enlarged, improved or altered) which lies within a distance of two metres from any boundary of the curtilage of the dwellinghouse has, as a result of the development, a height exceeding four metres;
- (g) the area of ground covered by buildings within the curtilage (other than the original dwellinghouse) does not exceed half the total area of the curtilage excluding the ground area of the original dwellinghouse;

Provided that:—

- (a) the erection of a garage or coach-house within the curtilage of the dwellinghouse shall be treated as the enlargement of the dwellinghouse for all purposes of this permission (including the calculation of cubic contents) if any part of that building lies within a distance of five metres from any part of the dwellinghouse;
- (b) the erection of a stable or loose-box anywhere within the curtilage of the dwellinghouse shall be treated as the enlargement of the dwellinghouse for all purposes of this permission (including the calculation of cubic contents);
- (2) The erection, construction or placing, and the maintenance, improvement or other alteration, within the curtilage of a dwellinghouse, of any building or enclosure (other than a dwelling, stable, satellite antenna or loosebox) required for a purpose incidental to the enjoyment of the dwellinghouse as such, including the keeping of poultry, bees, pet animals, birds or other livestock for the domestic needs or personal enjoyment of the occupants of the dwellinghouse, so long as:
 - (a) no part of such building or enclosure projects beyond the forwardmost part of any wall of the original dwellinghouse which fronts on a road;
 - (b) in the case of a garage or coachhouse, no part of the building is within a distance of five metres from any part of the dwellinghouse;
 - (c) the height does not exceed, in the case of a building with a ridged roof, four metres or, in any other case, three metres;
 - (d) the area of ground covered by buildings within the curtilage (other than the original dwellinghouse) does not thereby exceed half the total area of the curtilage excluding the ground area of the original dwellinghouse.
- (2A) The installation, alteration or replacement of a satellite antenna on a dwellinghouse or within the curtilage of a dwellinghouse, so long as —
 - (a) the size of the antenna (excluding any projecting feed element) does not, when measured in any dimension, exceed 90 centimetres;
 - (b) there is no other satellite antenna installed on the dwellinghouse or anywhere else within the curtilage of the dwellinghouse;
 - (c) in the case of an antenna installed on a dwellinghouse the highest part of the antenna is not higher than the highest part of the roof of the building on which it is installed.

Provided that nothing in this permission is to be construed as authorising in a national scenic area or a conservation area the installation of a satellite antenna in such a position that any part of it, when installed will be beyond the forwardmost part of any wall of the original dwellinghouse which fronts on a road.

Classes II (Sundry minor operations)

- (1) the erection or construction of gates, fences, walls or other means of enclosure not exceeding 1 metre in height where abutting on a road used by vehicular traffic or 2 metres in height in any other case, and the maintenance, improvement or other alteration of any gates, fences, walls or other means of enclosure; so long as no improvement or alteration increases the height above the height appropriate for a new means of enclosure.
- (2) The painting of the exterior of any building or works otherwise than for the purpose of advertisement, announcement or direction.

M.D. Henry,
Chief Executive Officer.

Council Offices,
Eastwood Park,
