NOTICE

TREASURY MINUTE dated 7th March 1989

THE Lords Commissioners of Her Majesty's Treasury read Section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with Section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quotas at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 8th March 1989 and until the coming into operation of a further determination:

- II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.) or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- III. The rates of such interest shall be:—
