

two parallel lines being as evident as the external edge of the mark.

3. For poultry meat the health mark shall consist of:
- For individually packed carcasses or offal packed in small quantities:-
- (a) — on the upper part, the first two letters in Latin script (in capitals) of the name of the country, ie NE,
 - in the centre, the veterinary approval number of the slaughterhouse or, where appropriate the cutting premises,
 - on the lower part, one of the following sets of initials: CEE, EEG, EWG, EØF, EEC or EOK.

The letter and figures must be 0.2 cm high.

For large packages containing carcasses, parts of carcasses or offal:-

- (b) within an oval 6.5 x 4.5 cms containing the information listed in
 - (a): the letters must be 0.8 cm high and the figures 1.1 cm high.
4. (i) For meat products the health mark must give the following particulars within an oval surround:-
- above: the initials of the exporting country in capitals, ie NL, followed by the approval number of the establishment,
 - below: one of the following sets of initials: CEE, EEG, EWG, EØF, EEC or EOK.
- (ii) For flash-fried poultry meat products, the health mark must be as described above, but not contain any of the sets of initials: CEE, EEG, EWG, EØF, EEC or EOK.
- (iii) For meat products containing a quantity of meat product which is less than 10 per cent of the total weight of the final product when ready for use after preparation in accordance with the instructions for use issued by the manufacturer, the health mark must be as described above with the addition of the figure "8" and a hyphen preceding the approval number of the establishment.

The health mark may be applied to the product, wrapping or packaging by inking or branding, or it may be printed on or applied to a label.

5. For lard or rendered animal fat transported unpackaged in a tank of a ship, aircraft or hover vehicle, a certificate in the form set out below:-

<p style="text-align: center;">KINGDOM OF <i>Koninkrijk der</i></p>		<p style="text-align: center;">THE NETHERLANDS <i>Nederlanden</i></p>
Department of Agriculture and Fisheries, Veterinary Service Ministerie van Landbouw en Visserij, Veterinair Dienst		
Kind of product and use for destination	I, the undersigned, _____, duly authorized Veterinary Officer in the Netherlands, hereby certify, that the meat or meat products herein described are of the kind of _____ offering a safe and good eating impression and have been inspected during my country's inspection and have been found and pronounced fit for the purpose of _____, and that no disease-causing micro-organisms have been found in the product or in any part thereof and that the product is safe for human consumption.	
Number of pieces or packages and net weight of each		
Net weight of the product		
Country's name and address from which the product is		

Country's name and address
 from which the product is

Kind of product or further particulars of use
 and use for destination of each

This official certificate has been defined
 in Council Directive of 1986

Signature of the Veterinary Officer
 authorizing use of the product

The veterinary control stamp may appear in a place other than that shown.

The certificate will be completed by the insertion of the following particulars:

- (a) the position in the ship, aircraft or hover vehicle of the tank,
 - (b) the quantity of the lard or fat contained in the tank, and
 - (c) a statement that the tank was inspected and found to be clean before the lard or fat was loaded.
6. For rabbit meat, the health mark shall consist of:-

- (a) — either an oval mark 6.5 cms wide and 4.5 cms high, bearing the information in legible characters,
 - on the upper part, the first two letters in Latin script (in capitals) of the name of the country, ie NE,
 - in the centre, the veterinary approval number of the establishment.

The letters shall be 0.8 cm high and the figures 1 cm high.

- (b) — or, an oval mark on a label, made of a strong hygienic material, containing the following information in legible characters,
 - on the upper part, the first two letters in Latin script (in capitals) of the name of the country, ie NE,
 - in the centre, the veterinary approval number of the establishment.

Both the letters and the figures shall be 0.2 cm high.

PART 2

For meat: to health marks completed by the insertion of one of the following establishment numbers:-
