WIRELESS TELEGRAPHY ACT 1949

The Secretary of State gives notice, pursuant to subsection 1(4) of the Wireless Telegraphy Act 1949, to all those who are licensed under Amateur Radio Licence (A) or (B) which have been issued and remain in force that from 1st June 1990, each of such licences shall be varied so as to read as follows:

This licence (the "Licence") granted on ("Date of Issue") by the Secretary of State for Trade and Industry to the Licensee named in paragraph (a) above under section 1 of the Wireless Telegraphy Act 1949 authorises the Licensee to establish, instal and use sending and receiving apparatus for wireless telegraphy at the Station [as defined in sub-clause 1(10)] in accordance with Terms and Limitations contained in clauses 1-11.

This Licence also authorises the Licensee to operate in countries which have implemented CEPT Recommendation T/R 61-01 in accordance with clause 11.

5. (3) When recording and retransmitting the Message of another licensed amateur, if the Licensee also records and retransmits the call sign of the licensed amateur, then the Licensee shall transmit the call sign in such a way that the origin of the Message and the origin of the retransmission are clear.
5. (4) When operating under sub-clauses 5(1)(b) and (2) the Licensee is not responsible for the content of Messages sent by digital communications which did not originate at the Station when he could not reasonably be expected to review their content (and did not review their content) before relaying them.

5. (5) Notwithstanding sub-clauses 5(1) and (2), the Licensee shall not operate
- a mailbox or bulletin board (each being a facility which receives and stores Messages for or on behalf of other licensed amateurs for retransmission at a later time on the request of (and to) the intended recipient of the Message); or
 - a telephony repeater (a facility which receives and simultaneously retransmits Messages by telephony for or on behalf of other licensed amateurs).

 - details of tests carried out in accordance with sub-clause 4(4); and
 - location when the station is operated at a Temporary Location.
6. (2) The Log shall be written in a book or maintained on a magnetic tape, disc or other electronic storage media capable of meeting the requirements of sub-clause 6(4) below.
6. (3) Where the Log is maintained:
- in a book, the book shall not be loose-leaf and no gaps shall be left between the entries;
 - on a magnetic tape, disc or other electronic storage medium, the magnetic tape, disc or electronic storage medium shall be used only to keep the Log.
6. (4) The Licensee shall keep the Log for inspection by a person authorised by the Secretary of State for at least six months from the date of the last entry whether or not this Licence has expired or been revoked when a person authorised by the Secretary of State requires additional matters to be recorded, the Licensee shall record those additional matters in the log for the period specified by that person.

IDENTIFICATION

7. (1) During transmissions, the Licensee shall transmit the call sign specified in paragraph (b) of the Validation Document:
- during initial calls ('CQ' calls);

If the Licensee is conducting automatic operations involving digital communications then he shall transmit the call sign under this sub-clause at a maximum speed of 20 words per minute.
7. (2) When another person is using the Station under the Licence in accordance with sub-clause 2(8)(b), the Licensee shall ensure that the call sign specified in paragraph (b) of the Validation Document is transmitted in accordance with sub-clause 7(1).
7. (3) At a Temporary Location, the Licensee shall:
- use the suffix '/P' with his call sign and give the location of the Station every 30 minutes to an accuracy of at least 5 km by a generally used identifier [for guidance see note (v) to this Booklet], or
 - give prior written notice of the location to the Manager of the Radio Investigation Service office in whose district the operation is to take place.

- the Licensee is in breach of the Licence; and
 - the breach justifies immediate restriction or close down,
- the Licensee shall restrict the operation of, or close down and cease to operate, the Station (or any apparatus comprised in the Station) forthwith in accordance with the demand of a person authorised by the Secretary of State for the temporary period specified in the demand.
8. (3) When Maritime Mobile, the Licensee shall cease to operate the Station on the demand of the Vessel's master.
8. (4) For the purposes of sub-section 1(4) of the Act, this Licence may be revoked, or its terms, provisions or limitations varied, by a notice in writing of the Secretary of State served on the Licensee, or by a general notice addressed to all holders of an Amateur Radio Licence (A) or Amateur Radio Licence (B) published in the London, Edinburgh and Belfast Gazettes or broadcast nationally by the British Broadcasting Corporation.

RATES OF INTEREST ON LOANS BY THE
PUBLIC WORKS LOAN COMMISSIONERS TO
LOCAL AUTHORITIES

NOTICE

TREASURY MINUTE dated 25th May 1990

THE Lords Commissioners of Her Majesty's Treasury read Section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with Section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quotas at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 29th May 1990 and until the coming into operation of a further determination:

- I. The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;
- II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.) or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- III. The rates of such interest shall be:—
