RATES OF INTEREST ON LOANS BY THE
PUBLIC WORKS LOAN COMMISSIONERS TO
LOCAL AUTHORITIES

NOTICE

TREASURY MINUTE dated 24th July, 1990

THE Lords Commissioners of Her Majesty's Treasury read Section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with Section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 25th July 1990 and until the coming into operation of a further determination:

1. The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if

the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;

- II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.) or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- III. The rates of such interest shall be:—

NOTICE is hereby given that Kincardine and Deeside District Council, in exercise of the powers conferred upon them by Section 262 of the Town and Country Planning (Scotland) Act 1972, as amended, (hereinafter referred to as "the Act") have designated part of the Burgh of Ballatar as a Conservation Area entitled "The Ballatar Conservation Area".

The extent of the Conservation Area and the properties located therein are set out in the Schedule hereto. The designation of the above mentioned Conservation Area will take effect from 1 August, 1990.

Where any area is for the time being designated as a Conservation Area, special attention shall be paid to the desirability of preserving or enhancing its character or appearance in the exercise, with respect to any building or other land in that area, of any powers under Part I of the Historic Buildings and Ancient Monuments Act 1953, the local Authorities (Historic Buildings) Act 1962, or the Act.

In terms of Section 262A of the Act, subject to the provisions of that Section, any building in a Conservation Area (other than those excepted by the said Section 262(A) shall not be demolished without the consent of the District Council or the Secretary of State. In addition, Sections 53, 54(3), (4), (5) and (6), 54A, 54B, 92 to 95, 161, 179, 253(1)(b), Parts I and II of Schedule 10 and Schedule 17, of the Act shall have effect in relation to buildings to which the said Section 262A applies as they have effect in relation to listed buildings.

In terms of Section 59A of the Act, subject to the provisions of that Section, any person who, in relation to a tree in a Conservation Area which is not the subject of a Tree Preservation Order, does any act which might by virtue of Section 58(1)(a) of the Act be prohibited by a Tree Preservation Order shall be guilty of an offence. Sub-section 8 of the said Section 59A also provides that if any tree to which the said Section 59A applies, is removed, uprooted or destroyed in contravention of that Section, or is removed, uprooted or destroyed or dies at a time when its uprooting or felling is authorised only by virtue of the provisions of any Regulations made by the Secretary of State, it shall be the duty of the owner of the land, unless on his application the District Council dispense with this requirement, to plant another tree of an appropriate size and species at the same place as soon as he reasonably can.

In terms of Section 25 of the Act, subject to the provision of that Section, any application for planning permission for the development of the land which would, in the opinion of the Planning Authority, affect the character of appearance of a Conservation Area, requires to be advertised.

In terms of Section 61(3) of the Act, subject to the provisions of that Section, the Secretary of State is empowered, in making regulations for the control of advertisements, to make special provision concerning the control of advertisements in Conservation Area.

In terms of Section 97 of the Act, subject to the provisions of that Section, if the Secretary of State is satisfied, in the case of an unlisted unoccupied building in a Conservation Area, that it is important to preserve the building for the purpose of maintaining the character or appearance of the conservation Area, he may direct that Section 97 of the Act is to apply to that building. Any works urgently necessary for the preservation of the building may then be carried out by the Planning Authority or the Secretary of State.
