## FORESTRY COMMISSION

THE Forestry Commissioners hereby give notice that they have made an Order under the Plant Health Act 1967 entitled The Import and Export (Plant Health Fees) (Forestry) (Great Britain) Order 1990.

The Order prescribes fees in respect of the services listed in Schedules 1, 2, and 3 to the Order (articles 3 to 7). These services are performed in connection with applications received for the issue of phytosanitary certificates or licences in accordance with the provisions of the Plant Health (Forestry) (Great Britain) Order 1989. Certificates are required to accompany exports of certain wood, wood products, seeds, forest tree plants, soil and used forestry machinery. Licences are issued to enable the importation of articles which would otherwise be prohibited.

Schedule 1 prescribes fees for Great Britain in respect of export certification services for wood, wood products and seeds in respect of import licensing services for wood and wood products. Schedule 2 (relating to England and Wales) and Schedule 3 (relating to Scotland) prescribe fees in respect of export certification services for the inspection of forest tree plants, soil and used forestry machinery and in respect of import licensing services for forest tree plants. The different structure and scales of fees set out in Schedule 2 for services provided in England and Wales and in Schedule 3 for Scotland reflect the arrangements made for similar agricultural and horticultural services in those countries in the Import and Export (Plant Health Fees) (England and Wales) Order 1988, and the Import and Export (Plant Health Fees) (Scotland) Order 1989.

As regards the export certification services, the Order prescribes basic fees in column 3 of Part 1 of Schedules 1 and 2 (article 3) and in certain circumstances provides for the payment of lower alternative fees which are shown in column 4 of Part 1 of Schedules 1 and 2 (articles 4 and 5). The Order also makes provision for a reduction of the fees set out in Schedule 2 for persons who are not taxable for the purposes of the Value Added Tax Act 1983 or who make no taxable supplies of forest tree plants, soil or forestry machinery for the purposes of that Act or whose certificated exports or sales for exports in the previous financial year were of a value less than £5,000 gross (article 6).

The Order will come into operation on 12th September and has been published as Statutory Instrument No 1668.

Copies may be purchased at £2.00 net direct from Her Majesty's Stationery Office, at the addresses shown on the last page of this Gazette, or from any bookseller.

## NOTICE

TREASURY MINUTE dated 21st August 1990

THE Lords Commissioners of Her Majesty's Treasury read Section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with Section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quotas at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 22nd August 1990 and until the coming into operation of a further determination:

- The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;

- II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.) or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- III. The rates of such interest shall be:—
