CROSS-SOLENT FERRY SERVICES**

THE Director General of Fair Trading, in exercise of his powers under section 47(1), 49(1) and 50(1) of the Fair Trading Act 1973 ("the Act") hereby refers to the Monopolies and Mergers Commission ("the Commission") the matter of the existence or possible existence of a monopoly situation in relation to the supply of ferry services between the Isle of Wight and the mainland of England.

The Commission shall investigate and report on the questions whether a monopoly situation exists and, if so:

- (a) by virtue of which provisions of sections 6 and 8 of the Act that monopoly situation is to be taken to exist;
- (b) in favour of what person or persons that monopoly situation exists;

- (d) whether any action or omission on that part of that person or those persons is attributable to the existence of that monopoly situation and, if so, what action or omission and in what way it is so attributable; and

**PROLIFIC LIFE & PENSIONS LTD
NOTICE UNDER SECTION 30 (3) OF THE
INSURANCE COMPANIES ACT 1982**

ON 1 JANUARY 1990, the Company set up a with profits sub fund within its Long Term Business Funds. To date, with profit policyholders' shares of any distributed surplus within the Company have been totally at the discretion of the Company, but following the institution of the above sub fund, with profit policyholders will be entitled to *not* less than 90% of the distributed surplus arising within that sub fund.

The sub fund has been set up to identify more accurately the surpluses attributable to with profit business, which is particularly important as with profit business represents an increasingly small part of the Company's total portfolio. This sum placed into the with profits sub fund at 1 January 1991 was determined actuarially, after discussion with the Department of Trade and Industry, taking into account the current reserving bases for with profits business, the experience of the with profits business and the underlying investments since the business was introduced, in order to ensure that the future reasonable expectations of with profits policyholders would be met.

Following the actuarial investigation at 31 December 1990, the Company intends to transfer £3.48 million to the Shareholders Fund with effect from 1 January 1991. Following the segregation of the with profits sub fund, the reversionary bonus rates applicable to with policies for 1990 will be at the same rates as were declared at 31st December 1989.

This notice is published to satisfy the requirements of Section 30 (3) of the Insurance Companies Act 1982 and has been approved for this purpose by the Secretary of State for Trade and Industry.

TREASURY MINUTE dated 16th April 1991

THE Lords Commissioners of Her Majesty's Treasury read Section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with Section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 17th April 1991 and until the coming into operation of a further determination:

borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 am two banking days before credit day;

- II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.) or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- III. The rates of such interest shall be:—

PWLB Non-quota A Rate loans will bear interest at 1 per cent above the corresponding Quota rates.

PWLB Non-quota B Rate loans will bear interest at 2 per cent above the corresponding Quota rates.

The amount which a local authority borrows within its annual quota will bear interest at the appropriate rate in the quota set of rates. Authorities may borrow further sums at quota rates at the discretion of the Public Works Loan Commissioners. Other borrowing beyond the quota entitlement will be at the appropriate rate in the non-quota set of rates.
