EXPLANATORY NOTES

1. The notice extends all extant provisional approvals until 25th July 2003. The Authorisations Directive (91/414/EEC) allows members states to continue to approve plant protection products for up to ten years or until a product's active substance is added to Annex I of the Directive.

2. Data submission deadlines still apply, approval holders must submit all the necessary data by the deadline set in each approval. Failure to do so will result in the approval holder and their agents losing approval for any unsupported uses, with the requirement that the approval holder must delete such uses from their product label. Approval of unsupported uses for anyone other than the approval holder and their agents will continue for two years only.

HARBOURS ACT 1964

(DRAFT) WESTERN ISLES ISLANDS COUNCIL (BREVIG)

HARBOUR EMPOWERMENT ORDER 1993

NOTICE is hereby given that the Western Isles Islands Council (hereinafter called "the Council") have applied to the Secretary of State to make a harbour Empowerment Order under section 16 of the Harbours Act 1964.

The objects of the proposed Order are as follows:-

1. To define limits within the waters of Broad Bay (or Loch a Tuath) within which the Council shall exercise jurisdiction as a harbour authority and within which the powers of the harbourmaster shall be exercisable.
2. To empower the Council to construct the following works at Brevig, in the Coll Electoral Division, parish of Stornoway on the island of Lewis, namely:-

Work No. 1 The construction of a harbour comprising a rectangular tidal basin, commencing at a point at National Grid reference point NB48265 39003 and extending in a generally south-south-easterly direction for a distance of 50 metres to a point at NB48300 38950 and there terminating having a width of 30 metres, by excavation from solid rock bounded on its northern, eastern and southern sides and partially on its western side by concrete lined walls.

Work No. 2 An access channel excavated from the foreshore and seabed to provide access for vessels between the sea and the harbour (Work No. 1), commencing at a point at NB48285 38929 and extending in a northerly direction for a distance of 80 metres to a point at NB48290 39000, thence in a generally north-north-easterly direction for a distance of 8 metres to a point at NB48295 38995 and there terminating.

Work No. 3 A vehicle parking and storage area of solid construction and of irregular shape, partially on the foreshore and partially on land adjacent thereto, lying
