The inhaler drug delivery system using salbutamol in microgram dosage avoids the skeletal muscle tremor sometimes associated with oral therapy. When necessary to relieve attacks of acute dyspnoea doses may be taken prophylactically before exertion or to prevent exercise induced asthma. Because of its selective action on the bronchi and its lack of effects on the cardiovascular system, Ventolin inhaler is suitable for treatment of bronchospasm in patients with co existing heart disease or hypertension. Notice of Trust Deed for the Benefit of Creditors

ROBERT BAILLIE

A Trust Deed has been granted by Robert Baillie, of 4 South Row, Tynninghame, East Lothian, on 10th May 1993 conveying (to the extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) his estate to me Peter C Taylor of Cork Gully, Erskine House, 68-73 Queen Street, Edinburgh, EH2 4NH as trustee for the benefit of his creditors generally.

If a creditor wishes to object to the Trust Deed for the purposes of preventing it becoming a protected Trust Deed (see notes on the objections required for that purpose) notification of such objection must be delivered in writing to the trustee within 5 weeks of the date of publication of this notice.

Notes:

The Trust Deed will become a protected Trust Deed unless, within the period of 5 weeks of the date of publication of this notice in *The Edinburgh Gazette*, a majority in number or not less than one third in value of the creditors notify the trustee in writing that they object to the Trust Deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the Trust Deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the Trust Deed from being superseded by the sequestration of the debtor's estate.

Bankruptcy (Scotland) Act 1985: Schedule 5, paragraph 5(3)

Notice of Trust Deed for the Benefit of Creditors

MARGARET JANE LAMONT

A Trust Deed has been granted by Margaret Jane Lamont, 1 Howgate Street, Dumfries DG2 7AE on 27th July 1993 conveying (to the extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) his estate to me Bryan Alan Jackson CA, Pannell Kerr Forster, 78 Carlton Place, Glasgow G5 9TH as trustee for the benefit of his creditors generally.

If a creditor wishes to object to the Trust Deed for the purposes of preventing it becoming a protected Trust Deed (see notes on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this notice.

Notes:

The Trust Deed will become a protected Trust Deed unless, within the period of 5 weeks of the date of publication of this notice in *The Edinburgh Gazette*, a majority in number or not less than one third in value of the creditors notify the trustee in writing that they object to the Trust Deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the Trust Deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the Trust Deed from being superseded by the sequestration of the debtor's estate.

Bryan A Jackson
Trustee
