NOTICE UNDER SECTION 12(2) OF THE TELECOMMUNICATIONS ACT 1984

Proposed modifications of the Conditions of the Licence of British Telecommunication plc ("BT")

THE DIRECTOR GENERAL OF TELECOMMUNICATIONS ("the Director") in accordance with section 12(2) of the Telecommunications Act 1984 ("the Act") hereby gives notice that he proposes to make modifications of the Conditions of the Licence granted under section 7 of that Act to British Telecommunications by the Secretary of State on 22nd June 1984 which has effect as if granted to BT.

The effect of the proposed modifications

The proposed modifications of the Conditions of the Licence would introduce a new provision, controlling the timing of certain price changes, into the existing main price control rule in BT's Licence (Condition 24A). The existing rule limits the extent to which BT may increase, or is obliged to reduce, the prices of certain main services in any year of the four years commencing on 1st August 1993. The prices covered by that rule are exchange line connection and rental charges, and call charges (except those for calls from public call boxes, calls to information or entertainment services and calls to destinations in the cellular networks).

The new provision would have the effect of ensuring that where BT is required to reduce its prices in any year of the three years from that commencing 1st August 1994, in accordance with Condition 24A of its Licence, the combined effect of the changes in individual controlled prices in that year should be equivalent to a single change made no later than 1st November.

A formula which converted all the price changes in a year into a single price change would be included in Condition 24A as the means of establishing whether or not BT had complied with the new provision.

If BT has made reductions in any year beyond those necessary to comply with Condition 24A the additional reductions will be taken into account in the immediately following year.

The reasons for the proposed modifications

The Director proposes to make these modifications of the Conditions of BT's Licence to ensure that consumers receive the benefit of price reductions earlier rather than later in the price control year.

The Director is required by section 12(2) of the Act to consider any representations or objections which are duly made and not withdrawn.

Representations or objections to the proposed modifications may be made in writing to:

Mr P Atkinson
Office of Telecommunications
50 Ludgate Hill
London EC4M 7JJ

no later than 1st August 1994.

Copies of the proposed modifications may be obtained from the above address (telephone 071 634 8883)

GRAMPIAN REGIONAL COUNCIL

CITY CENTRE AREA, ABERDEEN (AREA VI PART 2)
(TRAFFIC MANAGEMENT)

GRAMPIAN REGIONAL COUNCIL propose to make "The Grampian Regional Council (City Centre, Aberdeen) (Area IV, Part 2) (Traffic Management) Order, 1994", under the Road Traffic Regulation Act, 1984.

The effect of the order will be to regulate the waiting of vehicles on Mearns Street, Theatre Lane, Peacocks Close, and the unnamed lane parallel to and 45 metres west of Peacocks Close.

Exemptions will permit waiting:-

- (1) for the purpose of picking up or setting down passengers;
- (2) for the purpose of loading or unloading goods;
- (3) where necessary in connection with any building operation or demolition, the removal of any obstruction to traffic, or the maintenance of the road, or the supply of gas, electricity, water or telegraphic services;
- (4) to enable a vehicle used by a funeral undertaker, or owner of funeral vehicles to be used for a purpose connected with a funeral, but only on occasion when it would not be possible for them to be used in any other road, by way of alternative, in connection with the same funeral;
- (5) by disabled drivers.

Waiting restrictions are also proposed on specified lengths of Hadden Street, with an exemption for taxi drivers, and on specified lengths of Crown Terrace and Schoolhill inset road, with an exemption for motorcycles.

The proposed order will also provide for a southerly one-way system on the unnamed lane parallel to and west of Peacocks Close and the provision of thirteen "pay and display" bays on the south side of the realigned Peacocks Close.

The arrangement will be of a similar kind to that in operation over parts of central Aberdeen, and will regulate by "pay and display" the waiting of vehicles on the specified lengths of Peacocks Close. Charges will be 60p for one hour and £1.20 for a maximum of two hours.

In respect of "pay and display", residents' exemption permits will be available, limited to one per household, but such permits will only be issued to a resident who can show documentary evidence that he or she is the owner or keeper of an identifiable vehicle.

Notice of Trust Deed for the Benefit of Creditors of

LINDA ABRAHAM

A trust deed has been granted by Linda Abraham, residing at 35 Caledonia Drive, Newarthill, Motherwell ML1 5JN on 21st June 1994 conveying (to the extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) her estate to me Bryan A Jackson, CA, Pannell Kerr Forster, 78 Carlton Place, Glasgow G5 9TH as trustee for the benefit of her creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes:

The trust deed will become a protected trust deed unless, within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*, a majority in number or not less than one third in value of the creditors notify the trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (i.e. to enforce Court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.
