HAITI: SANCTIONS

PARAGRAPH 4 of United Nations Security Council Resolution 917 of 6 May 1994 ('the Resolution') strongly urges states to freeze without delay the funds and financial resources of specified Haitian individuals and to ensure that neither they nor any other funds and financial resources are made available to or for the benefit of such persons or of the Haitian military.

Paragraph 2 of EU Council Decision 94/315/CFSP of 30 May 1994 provides that EU member states shall take without delay the legislative, regulatory or administrative measures necessary to give effect to the freeze on funds and financial resources described in paragraph 4 of the Resolution and Council Recommendation 94/313/EC of 30 May 1994 contains supplementary provisions concerning the meaning and implementation of the Decision.

A list of the individuals covered by United Nations Security Council Resolution 917 was produced by the United Nations Security Council Sanctions Committee on 17 June 1994.

Any enquiries on this Notice, and any requests for the above mentioned list of Haitian individuals, should be addressed to:

CONDITIONS ATTACHED TO THIS LICENCE

Details of Consignment

1. Each consignment must be accompanied by a certificate signed by a duly authorised Veterinary Officer of the Government of the exporting country certifying:-

(a) details of the consignment including factory of production, type of product and weight;

(b) the destination of the consignment, means of transportation including registration number/name of ship, etc;

(c) that the product has been subjected to one of the following

processes of heat treatment;

(i) a minimum temperature of 100°C for at least 2 hours; or

(ii) a minimum temperature of 105°C for at least 1 hour; or

(iii) a minimum temperature of 125°C for at least 15 minutes;

(d) that after heat treatment had been completed every precaution was taken to ensure that the consignment was not contaminated in any way prior to shipment;

(e) (i) for packaged materials: that the product has been packed in new clean containers (bags or sacks); or

(ii) for bulk consignments: that before the product was loaded into any storage facility, vehicle, container or hold of a vessel, for shipment to Great Britain, the said storage facility, vehicle, container or hold of the vessel was thoroughly cleaned and disinfected using a disinfectant approved by the Government of the exporting country as a general purpose disinfectant and thereafter thoroughly dried.

2. Transhipments

All Consignments must complete the transport to Great Britain in the same vessel referred to in condition 1(b) and shall not be off-loaded or transhipped en-route. Except that in the case of material transported in sacks, bags or sealed containers the consignment may be transhipped en-route provided it is accompanied by:-

(i) an authenticated copy of the certificate referred to in condition 1; and

(ii) a non-manipulation certificate signed by a government official responsible in the port concerned stating:-

(a) details of other consignment, type of product and weight, address of factory of production, means of transportation including the registration number/name of ship and name of certifying veterinarian in country of production and date and serial number of original certificate; and

(b) that every precaution was taken to ensure that the consignment was not contaminated in any way during the process of transhipment and if sampled and tested, no positive result for *Salmonella* spp was obtained.

3. Sampling

(a) Prior to importing material under this licence importers must advise the Divisional Veterinary Officer, in whose division the consignee establishment is situated, of their arrangements for receiving imported consignments and thereafter must report the arrival of consignments to the Divisional Veterinary Officer in accordance with his or her instructions.

(b) Any material imported under this licence shall be made available, if so required, for inspection and/or sampling by an officer of the Ministry of Agriculture, Fisheries and Food by appointment during the hours of 09.00 and 17.00 Monday to Friday.

(c) Where the result of sampling carried out under (2) above gives a positive result the Ministry of Agriculture Fisheries and Food may require the consignment to be re-exported, subjected to further processing, destroyed or diverted to a use other than feeding of livestock.

Notes

1. Nothing in this licence gives exemption from any prohibition or restriction imposed by the Imported Food (Scotland) Regulations 1985, the Meat (Sterilisation and Staining) Regulations 1982 (as amended) or the Medicines Acts 1968 and 1971 or by

any regulation superseding or amending the same, or any prohibition, regulation or restriction imposed by the Department of Trade and Industry.

4. This is not a Department of Trade and Industry Licence.

CAUTION

Any breach of any conditions attached to this licence will constitute an offence against the Animal Health Act 1981.

- (a) Prior to importing material under this licence importers must advise the Divisional Veterinary Officer, in whose division the consignee establishment is situated, of their arrangements for receiving imported consignments and thereafter must report the arrival of consignments to the Divisional Veterinary Officer in accordance with his or her instructions.
- (b) Any material imported under this licence shall be made available, if so required, for inspection and/or sampling by an officer of the Ministry of Agriculture, Fisheries and Food by appointment during the hours of 09.00 and 17.00 Monday to Friday.
- (c) Where the result of sampling carried out under 3(b) above gives a positive result the Scottish Office Agriculture and Fisheries Department may require the consignment to be re-exported, subjected to further processing, destroyed or diverted to a use other than feeding of livestock.

NOTES

1. Nothing in this licence gives exemption from any prohibition or restriction imposed by the Imported Food (Scotland) Regulations 1985, the Meat (Sterilisation and Staining) Regulations 1982 (as amended) or the Medicines Acts 1968 and 1971 or by any regulation superseding or amending the same, or any prohibition, regulation or restriction imposed by the Department of Trade and Industry.
2. This is not a Department of Trade and Industry Licence.

THE PETROLEUM (PRODUCTION) (LANDWARD AREAS)
REGULATIONS 1991

APPLICATIONS FOR NEW EXPLORATION LICENCES

THE Secretary of State for Trade and Industry invites interested persons, in accordance with the Petroleum (Production) (Landward Areas) Regulations 1991 (SI 1991 No. 981) to apply for a petroleum exploration licence in respect of an area comprising Blocks TQ01b, TQ11 and TQ21b as delineated on a map deposited in the Library at the Department of Trade and Industry, 1 Palace Street, London SW1E 5HE. The map may be inspected by prior appointment (Telephone No. 071-238 3424) between 0915 and 1645 Monday to Friday, until Wednesday, 19th October 1994.

2 This invitation does not form part of a licensing round.

Application for Licences

3 In respect of the block referred to in paragraph 1 above:

- (a) applications should be made on a standard application form available from the Department of Trade and Industry (at the address given at paragraph 1 above);
- (b) applications should be delivered to the Oil and Gas Division of the Department of Trade and Industry at 1 Palace Street, London SW1E 5HE between 1000 and 1200 hours on Thursday, 20th October 1994 together with a remittance in respect of the appropriate application fee of £1,000;
- (c) no applications will be accepted after 1200 hours on 20th October 1994;
- (d) applicants are requested to provide details of the work programme they intend to carry out if awarded a licence;
- (e) applicants should be aware of the need to submit a statement of their policy with regard to the environment;
- (f) further guidance on the material with which applicants may support their applications is given in the Guidance Notes available from the Department of Trade and Industry

4 Applicants will be judged against the background of the continuing need for expeditious, thorough, efficient and safe exploration of oil and gas resources within the mainland of Great Britain with due regard to environmental considerations. In addition, the capacity of each applicant to carry out the licensed activities will be considered before any evaluation on technical criteria. Greatest weight will be put on the exploration rationale for the area applied for, and the related work programme but the database and experience available to the applicant will also be relevant considerations.

5 Following examination of all such applicants the Secretary of State will select the applicants to whom he is prepared to award licences. If there are two or more applicants for the block who would be equally acceptable to the Secretary of State as licensees for that block he may suggest that the licences should be held jointly by some or all such applicants.

6 Unsuccessful applicants will be notified in writing.

Conditions

7 In all cases where the Secretary of State is prepared to award a licence, it will be offered on condition that, within 14 working days of the date on which the Secretary of State makes the offer, the applicant.

- (a) confirms his acceptance of a work programme proposed by the Secretary of State following discussion with the applicant, and
- (b) he remits to the Secretary of State the appropriate consideration referred to in paragraph 8 below for the licence.

Consideration for Licences

8 The Secretary of State, with the consent of the Treasury, has determined that until further notice the consideration for exploration licences under Clause 7(1) of Schedule 3 to the above Regulations shall, upon grant of this licence to the licensee be a non-recurrent fee calculated at the rate of £75 per square kilometre in the licensed area.

THE TAYSIDE REGIONAL COUNCIL**ROADS (SCOTLAND) ACT 1984****THE ROAD HUMPS (SCOTLAND) REGULATIONS 1990****HATTON ROAD, RATTRAY, BLAIRGOWRIE**

IN terms of Section 36 of the Roads (Scotland) Act 1984 The Tayside Regional Council propose to introduce road humps on selected roads in the Region, with a view to improving road safety by slowing traffic speeds.

The road concerned is Hatton Road, Rattray, Blairgowrie.

Two of the proposed humps are round top humps which are 3.7 metres long with a maximum height of approximately 100mm at their centre. The remaining three proposed humps are 75mm high flat top humps with 900mm long ramps and a 6 metre long platform. The proposed locations of the road humps have been chosen to avoid private accesses and warning signs will be erected on all junctions of the affected roads.

A copy of the plan showing the locations affected by the proposals may be inspected by any member of the public at the following addresses:-

1. The Offices of Tayside Regional Council, Tayside House Main Reception (Floor 2), 28 Crichton Street, Dundee.
2. The District Council Area Office, 46 Leslie Street, Blairgowrie

Any person wishing to object to the proposal should send a written statement of his objection and of the grounds thereof to the undersigned by 2nd September 1994.

Bankruptcy (Scotland) Act 1985: Schedule 5 Paragraph 5(b)

Trust Deed for Creditors by

ANDREW MULGREW

A Trust Deed has been granted by Andrew Mulgrew residing at 71 Keithleigh Gardens, Pitmedden, Aberdeenshire, on 18th July 1994, conveying (to the extent specified in Section 5 (4A) of the Bankruptcy (Scotland) Act 1985, as amended) his estate to me, Peter J Campbell of 38 Albyn Place, Aberdeen, AB9 1US as Trustee for the benefit of his creditors generally.

If a creditor wishes to object to the Trust Deed for the purposes of preventing it becoming a Protected Trust Deed (see notes below on the objections required for that purpose) notification must be delivered in writing to the Trustee within 5 weeks of the date of publication of this notice in *The Edinburgh Gazette*.

Notes

The Trust Deed will become a Protected Trust Deed unless, within the period of 5 weeks of the date of publication of this notice in *The Edinburgh Gazette*, a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the Trust Deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of schedule 5 to the Act will apply to the Trust Deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce Court Decrees for unpaid debts) against the debtor and confers certain protection upon the Trust Deed from being superseded by the sequestration of the debtor's estate.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the trustee within 5 weeks of the date of publication of this notice.

Notes:
