

6. A sufficient description adequately specifying the nature and situation of the premises intended to be supplied, separately identifying premises within the power bands specified in and to the extent provided by paragraph 7 below:

All premises, other than those which, during the franchise period, have a maximum demand at or less than the franchise limit in the authorised areas of the following Public Electricity Supply companies, together with such premises as may, from time to time be specified by the Director (with the approval of the Secretary of State) for the purposes of paragraph 5 of Condition 7 of this licence:-

Scottish Hydro-Electric plc; Scottish Power plc

7. (a) Subject to sub-paragraph (b) indicate the total number of premises intended to be supplied in each power band as shown in the table below, together with the aggregate energy forecast to be supplied and the aggregate estimated maximum demand for each power band.

(b) If the date in paragraph 5 above is on or after 1st April 1994 then only Power Band A shall be completed and if the said date is on or after 1st April 1998 then this paragraph shall cease to have effect.

Power Band	Number of Premises	Aggregate maximum demand	Energy (GW11) to be supplied
------------	--------------------	--------------------------	------------------------------

(A) Not exceeding 0.1 MW

(B) Exceeding 0.1 MW but not exceeding 1.0 MW

8. A description of the system of electric lines and electrical plant by means of which the applicant intends to supply electricity, indicating which plant and lines are to be constructed and which are existing plant and lines, and further identifying any parts of that system which will not be owned or otherwise in the possession or control of the applicant.

Lines and plant owned by:

Scottish Hydro-Electric plc; Scottish Power plc

9. A statement of extent (if any) to which the applicant considers it necessary for powers under Schedule 3 (compulsory acquisition of land etc.) and under Schedule 4 (other powers etc.) to the Act to be given through the licence for which he is applying. These powers are sought in order to avoid undue delay should their exercise be reasonably necessary in order to enable supply to be provided to a customer.
10. Details of any increase held, applied for or being applied for by the applicant in respect of the generation, transmission or supply of electricity.

Held: Public Electricity Supply Licence
Private Electricity Supply Licence England and Wales
