				management of sinusitis, ottis media, skin and soft tissue infections, urinary tract infections, including pyelonephritis and systitis. Cefaclor has been found to be effective in both acute and chronic urinary tract infections. Cefaclor is active against the following organisms in vitro: alpha- and beta- haemolytic streptococci, staphylococci including coagulase-positive, coagulase-nagative and penicillinase-producing strains, streptococcus pneumoniae, streptococcus pyrogens (group a beta-haemolytic streptococci), branhamella catarrhalis, escherichia coli. GRAMPIAN REGIONAL COUNCIL

BELMONT STREET/BACK WYND AREA, ABERDEEN

TRAFFIC MANAGEMENT

Proposals

THE GRAMPIAN REGIONAL COUNCIL propose to make The Grampian Regional Council (Belmont Street/Back Wynd Area, Aberdeen) (Prohibition of Driving/One-Way/Prohibition of Waiting) Order 1995, under the Road Traffic Regulation Act 1984.

Prohibition of Driving

The effect of the order will be to prohibit driving at any time in Belmont Street, Back Wynd, Little Belmont Street or Gaelic Lane, Aberdeen. However, this restriction will not apply to anyone requiring to take vehicular access to premises on any of these four streets, unless those premises are similarly accessible from any other street.

One-Way System

The four streets affected will each be subject to a one-way restriction. On Back Wynd, the permitted direction of travel will be from Schoolhill to Union Street (as at present). On Little Belmont Street, the permitted direction of travel will be from Back Wynd to Belmont Street. On Gaelic Lane, the permitted direction of travel will be from Belmont Street to Back Wynd. On Belmont Street, between Little Belmont Street and Schoolhill, travel will be permitted only towards Schoolhill, whereas, between Little Belmont Street and Union Street, travel will be permitted only in the direction of Union Street.

Entry from Schoolhill/Back Wynd Junction only

Any vehicle entering any of these four streets will only be able to do so by entering Back Wynd (at its junction with Schoolhill) and proceeding in accordance with the aforementioned one-way requirements.

Goods Vehicles only on Belmont Street between Gaelic Lane and Union Street

Also, there will be a further restriction on Belmont Street (between Union Street and Gaelic Lane) whereby only goods vehicles will be permitted to enter for the purpose of loading or unloading (but still subject to proceeding first in accordance with the aforementioned requirements).

Waiting Restrictions, 'Pay and Display', Taxi Ranks, provisions for Persons with Disabilities

All four streets will be subject to new and existing 'at any time' waiting restrictions. Some existing 'pay and display' in Belmont Street will be revoked, but not all. The existing taxi rank in Belmont Street will be discontinued, but a prohibition of waiting at any time will be retained at the same location. The existing taxi rank in Back Wynd will be retained, taxi drivers will be subject to all the aforementioned restrictions, but the Back Wynd rank will count as an access requirement. Finally, an area in Belmont Street will be reserved for the parking of vehicles bearing the traditional orange badge for persons with disabilities.

Inspection of Maps, etc

Full details of the proposal are in the draft order which, together with a map showing the roads affected and a statement of the Council's reasons for promoting the order, may be examined during normal office hours in the Department of Roads, Woodhill House, Westburn Road, Aberdeen, or at the offices of the Aberdeen Divisional Road Surveyor, St Nicholas House, Broad Street, Aberdeen.

Bankruptcy (Scotland) Act 1985: Schedule 5, paragraph 5(3)

Notice of Trust Deed for the Benefit of Creditors of

ELIZABETH GREIG

A trust deed has been granted by Elizabeth Greig, Hotelier, of 34 High Street, Penicuik, who traded as Kings Arms Hotel from 34 High Street, Penicuik, on 6th March 1995 conveying (to the extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) her estate to me J D Laurie of Cork Gully, Erskine House, 68-73 Queen Street, Edinburgh, EH2 4NH as trustee for the benefit of her creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the trustee within 5 weeks of the date of publication of this notice.

Notes:

The trust deed will become a protected trust deed unless, within the period of 5 weeks of the date of publication of this notice in *The Edinburgh Gazette*, a majority in number or not less than one third in value of the creditors notify the trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.
