12070/0012	Cambridge Selfcare Diagnostics Limited /a Cambridge Laboratories	Razoxin Tablets 125mg	Razoxane HSE 125.0mg	Prescription Only Medicine In contrast to most anti-cancer agents Razoxin interferes with cell division at the G <sub>2</sub> M phase of the cycle. Razoxin in combination with radiotherapy may be used for all forms of soft-tissue, chondro- and osteo-sarcomas. In comparison with radiotherapy alone, this combination may increase the response rate and reduce recurrence. Razoxin can produce remissions in previous radio-resistant lesions. Razoxin may be useful alone or in combination with other antimitotic agents in the treatment of malignant lymphomas, including mycosis fungoides, acute leukaemias, especially the acute blast cell-crisis of chronic myeloid leukaemia, and Kaposi's sarcoma. Experience to date has been in open studies which indicated that the product is of value in patients in whom previous therapies have been unsuccessful. Note: Because of an association between administration of Razoxin and the development of acute myeloid leukaemia or skin epitheliomata, the drug should only be used in the above malignant conditions and then when its administration is essential such as when other treatments have failed.	15th May 1995

Bankruptcy (Scotland) Act 1985 : Schedule 5, Paragraph 5(3)  
Trust Deed for Creditors by  
**JAMES ADAMSON**

A Trust Deed has been granted by James Adamson, residing at 39 Tummel Place, Grangemouth FT3 0JH on 24th July 1995 conveying

(to the extent specified in Section 5 (4A) of the Bankruptcy (Scotland) Act 1985) his estate to me, Bryce Luke Findlay BSc CA MIPA MSPI, Hughes Walker Associates, 5 Balvicar Street, Queen's Park, Glasgow G42 8QF, as Trustee for the benefit of his creditors generally.

If a creditor wishes to object to the Trust Deed for the purposes of preventing it becoming a protected Trust Deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this notice in *The Edinburgh Gazette*.

**Notes:**

The Trust Deed will become a protected Trust Deed unless, within the period of 5 weeks of the date of publication of this notice in *The Edinburgh Gazette*, a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the Trust Deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the Trust Deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce Court decrees for unpaid debts) against the debtor and confers certain protection upon the Trust Deed from being superseded by the sequestration of the debtor's estate.
