CONSUMER CREDIT ACT 1974

General Notice No, 1061, Group Licence

I, John Stuart Bridgeman, Director General of Fair Trading, hereby give notice pursuant to section 31(3) of the Consumer Credit Act 1974 ("the Act") that I am minded compulsorily to vary the group licence issued of my own motion to the Institute of Business Counsellors, Europower House, Lower Cookham, Berkshire, SL6 9EH ("the Institute") in the following respects: -

- (1) to remove the limitation on the bodies on behalf of which Members of the Institute may act under the group licence; and
- (2) to include all Members of the Institute or persons who under regulations made by the Institute are subject to the obligations and liabilities of a Member of the Institute to carry on the business of

C CREDIT BROKERAGE, and

D DEBT ADJUSTING AND DEBT COUNSELLING

limited to activities carried out in connection with advice given to, or instructions obtained from, any person in relation to debts incurred or to be incurred in connection with a relevant business.

In this Notice:-

"relevant business" means:

- (i) the business of a relevant person;
- (ii) the business of a partnership in which a relevant person is a partner;
- (iii) the business of a relevant person's employer; or
- (iv) the business of a body corporate of which a relevant person is a director, secretary or other officer;

"relevant person" means the person to whom advice is given or from whom instructions are obtained, or any relative of his/hers; and

"relative" has the same meaning as it does in section 189(1) of the Act.

I am minded to make the proposed variations for the following reasons:

I believe that changes in the business counselling market arising from certain aspects of Government policy and business development initiatives make the existing limitation on the bodies on behalf of which Members of the Institute may act under the group licence inappropriate.

I consider that Members of (and other persons subject to the obligations and liabilities of a Member of) the Institute may need to act as credit brokers within the meaning of the Act, and that the licence should be extended to cover the activity of credit brokerage, I also believe that Members (and such other persons) may in the course of their activities as such need to advise individuals about loans they may have incurred or wish to incur personally in connection with their business, and to take steps to effect introductions of such individuals to potential lenders, and that the licence should be extended to cover such activity.

I take into account the fact that the Institute has asked me to make the proposed variations, and I have had regard to the regulations of the Institute in deciding to propose these variations.

All licensees are invited, in accordance with section 34 of the Act, to submit representations to me, either in writing or orally, about the proposed variations within 21 days of the publication of this Notice.

Bankruptcy (Scotland) Act 1985: Schedule 5 Paragraph 5(3)

Notice of Trust Deed for the Benefit of Creditors by

THOMAS GOODWIN

A TRUST DEED has been granted by Thomas Goodwin, residing at 19D Shuna Terrace, Oban, Argyll, on 18th October 1995 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985) his estate to me, Douglas B Jackson, CA., Moores Rowland, 144 West George Street, Glasgow G2 2HG, as Trustee for the benefit of his creditors generally.

If a creditor wishes to object to the Trust Deed for the purposes of preventing it becoming a Protected Trust Deed (see notes on the objections required for that purpose) notification of such objection

must be delivered in writing to the Trustee within 5 weeks of the date of publication of this notice in *The Edinburgh Gazette*.

Notes:

The Trust Deed will become a Protected Trust Deed unless, within the period of 5 weeks from the date of publication of this notice in *The Edinburgh Gazette*, a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the Trust Deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the Trust Deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (i.e. to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the Trust Deed from being superseded by the sequestration of the debtor's estate.
