b) The Director proposes to make the modifications because the licence holder now holds the majority of the shares in Manweb plc.

c) The effect of the modifications will be:

(i) to exclude from the definitions of its Second-Tier Supply Business and Generation Business respectively the corresponding business of Manweb plc thereby continuing the present arrangements for the provision of separate regulatory accounts;

(ii) to require the licence holder to produce and deliver to the Director consolidated accounts for each of;

- its distribution business and the distribution business of Manweb plc,
- its generation business and the generation business of Manweb plc,
- its supply business and the supply business of Manweb plc,
- its second-tier supply business and the second-tier supply business of Manweb plc;

(iii) To ensure that the licence holder gives no cross-subsidy to and receives no cross-subsidy from any member of the Manweb Group.

A copy of the proposed modifications can be obtained (free of charge) from the Office of Electricity Regulation. Any representations or objections to the proposed modification may be made on or before 19th February 1996 to the Deputy Director General for Scotland at the
