3. The monthly prize fund is shared between these bands as follows (subject to any adjustments required by paragraphs 4 to 7):

Higher value prizes	10%
Medium value prizes	15%
Lower value prizes	75%

4. Higher value band – The share allocated to this band is used to fund one £1,000,000 prize, and the balance is divided amongst the remaining prize values in equal shares. The number of prizes of each value is calculated by dividing the amount of the share by the prize value. Any balance which is less than half the prize value is then carried forward to the calculation for the next lower prize value. If any balance of a share is at least half of the prize value, an additional prize of that value is awarded and the shortfall is taken from the allocation for the next prize value share. The £5,000 prizes are also calculated in this way with any surplus or shortfall being similarly carried to or from the share allocated to the medium value band. (But see paragraph 7.)

5. Medium value band – Prizes are calculated in the ratio of one £1,000 prize for every three £500 prizes. Any surplus is added to the share allocated to the lower value band. (But see paragraph 7.)

6. Lower value band – The distribution of £100 and £50 prizes is made on the basis of awarding the maximum number of £100 prizes consistent with the overall total number of prizes being in the proportion of one prize for every 19,000 eligible Bond units. Any surplus is carried forward to the following month's draw.

7. In the event that the allocation of the monthly prize fund between the higher, medium and lower value prizes does not meet the cost of awarding the prizes in the proportion of one prize for every 19,000 eligible Bond units the Director may increase the allocation to the lower value band at the expense of the higher and medium value bands to the extent necessary to produce that proportion.

Issued by National Savings on behalf of the Treasury.

## OFFICE OF TELECOMMUNICATIONS (OFTEL)

PROPOSED MODIFICATIONS OF THE LICENCE OF  
BRITISH TELECOMMUNICATIONS (BT)

- 1 THE Director General of Telecommunications ("the Director"), in accordance with section 12(2) of the Telecommunications Act 1984 (the "Act"), hereby gives notice that he proposes to make modifications to the licence granted to British Telecommunications ("BT") on 22nd June 1984.
- 2 The Director proposes to make the modifications, described in the schedule ("the Schedule") to modify BT's obligations in relation to its international operations so that they are appropriate in the context of liberalisation of the markets for international telecommunications services.
- 3 The Director is required by section 12(2) of the Act to consider any representations or objections which are duly made and not withdrawn. Following consultation and BT's agreement with them, the Director proposes to make the modifications forthwith.
- 4 The consultation procedure comprises two stages. In the first stage, representations on or objections to the proposed

modifications may be made to Rosemary Buck, OFTEL, 50 Ludgate Hill, London EC4M 7JJ (telephone 0171 634 8822) by no later than 1st April 1997.

- 5 Any confidential material should be clearly marked as such and separated out into a confidential annex. All representations and objections received by OFTEL, with the exception of material marked confidential, will be made available for inspection in OFTEL's library. Comments on this document (if they are relatively short) can also be sent to OFTEL at the following e-mail address: [press.office.oftel@gtnet.gov.uk](mailto:press.office.oftel@gtnet.gov.uk).
- 6 In the second stage of consultation, interested parties are invited to send comments to OFTEL no later than 15th April 1997 on the representations and objections received in the first state. Copies of the proposed modifications can be obtained from Rosemary Buck at the above address (telephone 0171 634 8822).

#### THE SCHEDULE

##### Proposed Modifications of the BT Licence

It is proposed to make the following modifications:

- 1 Deletion of Condition 48 (Other Arrangements for International Services). This condition will be replaced by two conditions entitled "Arrangements For Proportionate Return" and "Arrangements For Accounting In Respect Of International Connection Services." The purpose of the condition "Arrangements For Proportionate Return" is to prevent one-way bypass of the accounting rate through overseas operators delivering all their traffic to UK affiliate. The condition "Arrangements For Accounting In Respect Of International Connection Services" is designed to operate in markets where there are restrictions at the far end in order to prevent abuse of the accounting rate system.
- Both these conditions replicate conditions which appear in the standard form International Facilities Licences recently granted to operators to provide international facilities ("the IFL").
- 2 The insertion of a new condition entitled "Maintenance Of Effective Competition Where The Licensee Operates A System Or Provides Service Overseas". This condition replicates a condition which appears in the IFL. The effect of the condition is to prevent any of a wide range of activities which an overseas dominant operator or its UK affiliates might use to lever themselves unfairly into the UK market.

Bankruptcy (Scotland) Act 1985: Schedule 5 Paragraph 5(3)

Trust Deed for Creditors by  
DIANE O ALLAN

A TRUST DEED has been granted by Diane O Allan, 18/3 Hoseason Gardens, Edinburgh EH4 7HG, formerly of Bennetwood Terrace, Winchburgh, West Lothian on 21st February 1997 conveying (to the extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) her Estate to me, Matthew P Henderson, Kidsons Impey, 23 Queen Street, Edinburgh EH2 1JX as Trustee for the benefit of her creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes:

The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

ALASDAIR MCDUGALL NEILL AND  
JANE MCKILLOP OR NEIL

TRUST DEEDS have been granted by Alasdair McDougall Neill and Jane McKillop or Neil, residing at 40 Kerse Avenue, Dalry, Ayrshire KA24 4DJ on 14th February 1997 conveying (to the extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) their Estates to me, Bryan Alan Jackson CA, Pannell Kerr Forster, 78 Carlton Place, Glasgow G5 9TH as Trustee for the benefit of their creditors generally.

If a creditor wishes to object to the trust deeds for the purposes of preventing them becoming protected trust deeds (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes:

The trust deeds will become protected trust deeds unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deeds and do not wish to accede to them.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deeds. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deeds from being superseded by the sequestration of the debtors' estates.
