NOTICE OF INTENTION TO START PREPARATION OF AN
ALTERATION TO THE FIFE STRUCTURE PLAN

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1972
(FIFE STRUCTURE PLAN)

FIFE COUNCIL intend to prepare an Alteration to the above Structure Plan which covers the land within the Fife Council area.

The Fife Structure Plan (approved January 1994) provides the strategy for development for the 10 year period from 1991 to 2001. The Alteration is intended to review the housing content of the Structure Plan including the housing policies in the housing chapter, and will extend the housing land requirement for the period up to the end of March 2006.

As part of the process, the Fife Council Planning Service has recently been asking Community Councils and tenants and resident associations for their views on where housing will be needed in the future and what type of housing is likely to be required. Consultation is also taking place with housing providers. Further to these consultations, views will be invited from the general public and other interested parties once the draft Alteration is published this summer.

Further information may be obtained by telephoning Sheena Lamont on 01592 416328.

WEST LOTHIAN COUNCIL

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1972

TOWN AND COUNTRY AMENITIES ACT 1974

DESIGNATION OF LIVINGSTON VILLAGE
CONSERVATION AREA

WEST LOTHIAN COUNCIL, through the Adopted Livingston Local Plan, has recognised Livingston Village as an area of special architectural or historic interest and therefore designates it as a conservation area.

Designation of the conservation area brings all the site under immediate protection. The most significant consequence is that it is not possible to demolish buildings or carry out work to trees without the consent of West Lothian Council as planning authority. In assessing proposals the highest control standards will be applied although it is not intended to discourage or prevent new development so much as to ensure that its form and design is appropriate.

The boundary of the conservation area is as follows:

From a point in the centre of the road at the north-east corner of Hanover House the boundary line runs south-eastwards down Bloom Court before turning north-east after the south-west corner of No. 1 Bloom Court. It then follows the footpath on the south-eastern side of the building to meet Folly Burn. From there it runs up the middle of Folly Burn north-westwards to the north-west corner of "Birchwood" and turns north-east. At the north-east corner of "Birchwood" it turns south-east to Main Street. The boundary then runs down the centre line of Main Street south-eastwards to the north-west corner of No. 2 Main Street. There it turns south-east (including the stone wall) and runs down to meet Almond Path North. The boundary then follows Almond Path North westwards to Charlesfield Lane. On Charlesfield Lane it turns south-eastwards following and including the walls of Livingston Bridge. The boundary then crosses the Lane by a line joining the two ends of the walls and turns back north. It follows the wall around to the north-west corner of the cemetery taking in the properties of the new Manse, the old Manse and the Kirk of Livingston. On Kirk Lane it turns north-west to take in the community centre. The boundary then runs along the western and northern borders of the community centre grounds, including the wall. It runs south-westwards down the centre line of Kirk Lane and turns south-east along (and including) the hedge on the south-western border of Kirkton Business Centre. The boundary heads north for a short distance at the north-west corner of the car park and turns north-east to include the row of mature trees in the Business Centre grounds by running north-eastwards along the footpath on the south-east side of the Centre. From there the boundary crosses Village Lane and follows the footpath to the south of No. 1 Village Lane in a curve. It then runs north-eastwards along the centre line of the footpath to the north of Hanover House and returns to Bloom Court excluding the large boulder on the south side of the public stairs.

Plans of the conservation area are available from:

Strategic Planning and Transportation, County Buildings, High Street, Linlithgow EH49 7EZ. Telephone (01506) 775279.

Trust Deed for Creditors by

PAUL GILZEAN

A Trust Deed has been granted by Paul Gilzean, 261 High Street, Cowdenbeath, Fife on 2nd May 1997 conveying (to the extent specified in Section 5 4(a) of the Bankruptcy (Scotland) Act 1985) his estate to me Christine Convy, Anderson & Menzies, Carlyle House, Carlyle Road, Kirkcaldy, Fife, KY1 1DB as Trustee for the benefit of his creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes:

The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.
