THE ABERDEEN CITY COUNCIL

((1) ABERDEEN EXHIBITION AND CONFERENCE;
(2) DUTHIE PARK, ABERDEEN) (TRAFFIC MANAGEMENT
IN SURROUNDING STREETS) ORDER, 1997

ABERDEEN CITY COUNCIL has made "the Aberdeen City Council (1) Aberdeen Exhibition and Conference Centre; (2) Duthie Park, Aberdeen) (Traffic Management in Surrounding Streets) Order, 1997" under the Road Traffic Regulation Act 1984.

The effect of the Order is as was advertised in *The Press and Journal*, and also *The Edinburgh Gazette* on Friday 14th March 1997; namely, to introduce traffic management arrangements in connection with special events being held at Aberdeen Exhibition and Conference Centre and the Duthie Park, Aberdeen. In particular, when an event is being held at the Exhibition and Conference Centre, a one-way requirement will be introduced in respect of Claymore Drive, and Exploration Drive between Parkway East and Exhibition Avenue (permitted direction of travel to be in a clockwise direction). This requirement will be invoked between 1.00 pm and 4.00 pm on any day when an afternoon event is taking place at the Exhibition Centre, and between 6.00 pm and 8.00 pm on any day when an evening event is taking place.

In association with these occasional requirements, the Order also provides for the prohibition of waiting at any time on the lengths of road specified in the schedule below. *These waiting restrictions will however apply at all times, not only in connection with special events.* The restrictions are of particular significance in relation to the occasional one-way requirement, but the Council is of the opinion that they would be judicious at all times, which is the basis on which they are now being introduced.

As regards the Duthie Park, waiting restrictions are *not* being introduced, however the order provides for a one-way requirement on Riverside Drive between Polmuir Road and Great Southern Road (permitted direction of travel to be in a westerly direction), but only when a special event is taking place at the Duthie Park, and where the Council is of the opinion that the one-way would be judicious.

The Order as signed and sealed may be inspected during normal office hours on weekdays in the offices of the Council's Department of Legal and Corporate Services. Anyone wishing to take up this opportunity, or to discuss the Order, should first of all call Mr David Wemyss in the Town House at Aberdeen 522523.

Any person who wishes to question the validity of the Order on the grounds that is not within the powers of the relevant sections of the Act, or that any of the relevant requirements arising from the Act have not been complied with in relation to the Order, may within six weeks of 13th June 1997, apply to the Court of Session for this purpose.

NOTICE OF INTENTION TO START PREPARATION OF THE HIGHLAND STRUCTURE PLAN

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997

THE HIGHLAND STRUCTURE PLAN

THE HIGHLAND COUNCIL intends to prepare a Structure Plan in respect of the totality of the Council area. The purpose of the Plan is to review strategic land use policies for Highland to ensure that they are up-to-date and relevant. The existing Structure Plan provides statistical policies to 1998 and now requires to be reviewed in the light of changing social and economic trends. The new Plan will take a long-term view of how Highland should develop and manage change.

The preparation of the Plan is carried out in various stages. The initial task is to identify the key issues to be addressed in the Plan. This will be informed by an analysis of past and future trends relating to factors such as population, employment, housing, transport and the environment, as well as by views expressed by the public and other agencies. Thereafter a Draft Plan will be made widely available for public consultation. Having considered comments on this Plan, a final version will be prepared for submission to the Secretary of State for Scotland for approval or modifications.

Should you wish to raise issues for consideration in the Plan or require further information on the process please write to the Director of Planning, The Highland Council, Glenurquhart Road, Inverness, IV3 5NX or telephone Margaret Bochel on 01463 702271.

Bankruptcy (Scotland) Act 1985 : Schedule 5, Paragraph 5(3)

Trust Deed for Creditors by

HUGH O'DONNELL

A Trust Deed has been granted by Hugh O'Donnell, residing at 66 Ewing Street, Glasgow G73 2NP on 2nd June 1997 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1989 his estate to me, Bryce Luke Findlay BSc CA MIPA MSPI, Hughes Walker Associates, 50 Darnley Street, Pollokshields, Glasgow G41 2SE, as Trustee for the benefit of his creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes:

The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

Bankruptcy (Scotland) Act 1985: Schedule 5 Paragraph 5(3)

Trust Deed for Creditors by

JAMES SHIRRA

A TRUST DEED has been granted by James Shirra, 8 Johnston Terrace, Greenock PA16 8BD on 11th June 1997 conveying (to the extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) his Estate to me, Robert Munro Dallas, CA, Dallas Nicoll & Co, Sherwood House, 7 Glasgow Road, Paisley PA1 3QS as Trustee for the benefit of his creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes:

The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.
