The proposed order instructs the franchised train operators to ensure that 90% of calls made or up to 4.5 million calls in a 4 week period to the National Rail Enquiry Scheme are answered and to pay a penalty based on the percentage below 90% which are not answered.

Interested parties may make representations to the Regulator by writing to the address below by 8th August 1997.

The Regulator will take into account the representations made, and will not make the order if he is satisfied the National Rail Enquiry Scheme is properly providing and will continue to provide the services required with at least 90% of calls answered. The Regulator expects to be able to reach a decision as soon as possible after 8th August.

#### Section 56 - Notice of Proposed Enforcement Order

- Under section 56 of the Railways Act 1993 ("the Act") I give notice that I propose to make a final order in respect of each Train Operating Company which is a franchise operator ("TOC"). The effect of the order will be that the TOCs will be required to ensure that, under the ATOC National Rail Enquiry Scheme ("NRES"), at least 90% of calls made to its rail enquiry number (0345 484950) are answered. For the purpose of this notice and the proposed order 4.5 million calls answered shall be deemed to be the maximum number of calls to be answered which are necessary to satisfy the 90% target in each 4 week period ("the target"). If less than the target level of calls is answered, the TOCs collectively will be liable to a monetary penalty of an amount determined by the percentage of calls not answered. For each percentage point of calls not answered between 85% and below 90%, the penalty shall be £50,000, for each percentage point of calls not answered between 75% and below 85%, the penalty shall be £100,000, and for each percentage point of calls not answered below 75% the penalty shall be £200,000. Liability to pay any penalty payable will be divided amongst the TOCs in accordance with their contributions to NRES.
- I propose to make this order:
  - to secure compliance with condition 7.1(b) of each TOC's passenger licence,
  - with effect from 17th August 1997; and
  - unless I am satisfied that the TOCs have agreed to and are taking appropriate steps to ensure that, otherwise than because of an event of force majeure, in each four week period the target level of call is answered. In deciding whether to make the order I shall consider any representations or objections made to me.
- I am of the opinion that each TOC has contravened its licence condition, and is likely to continue to do so, because:
  - condition 7.1(b) of each TOC's passenger licence requires it to be a party to, and comply with, arrangements relating to the operation of a telephone enquiry bureau relating to railway passenger services;
  - the NRES agreement, as approved by me on 11th June 1996, is the arrangement relating to the operation of a telephone enquiry bureau for the purpose of that licence condition;
  - under the NRES agreement, each TOC agreed that its intention is that calls received by the scheme are answered in accordance with the performance standards set out in the NRES agreement, which includes a requirement that 90% of calls received are answered and that performance plans meeting those standards would be implemented;
  - as required under the NRES agreement, the Association of Train Operating Companies ("ATOC") submitted to me a business plan, agreed to by each TOC, which stated that NRES would have sufficient capacity from 1st April 1997 to answer

#### RAILWAYS ACT 1993

#### NATIONAL RAIL ENQUIRY SCHEME

SINCE April this year, the franchised train operators have failed to ensure that calls to the National Rail Enquiry Scheme (the 0345 484950 number) are answered to the standard required by their licence. The Regulator considers that they are likely to continue to fail to do so and that it is appropriate to impose sanctions for any continuing failure to comply. Consequently he is publishing a notice stating that he proposes to make an order, using his powers under Section 55 of the Railways Act 1993, against the franchised train operating companies.

calls in accordance with the performance standards of the scheme, on the basis of 58.6 million calls being answered in the year commencing 1st April 1997;

- (e) ATOC reported that for first three 4 week periods of the year commencing 1st April 1997 51% of calls were answered in period 1, 65% of calls were answered in period 2, 55% of calls were answered in period 3 and 66% of calls were answered in the first two weeks of period 4;
  - (f) I have concluded that each of the TOCs did not ensure that the business plan was implemented in such a way as to ensure that the performance standards of NRES were achieved; and
  - (g) ATOC has indicated that plans are in place to ensure that calls will be answered in accordance with the NRES performance standards by 1st August 1997, but that those plans are still to be implemented and it is not certain that those plans even if implemented will ensure that those performance standards will be met.
4. Although, for the purposes of the proposed order, I have allowed for a maximum number of calls that shall be answered in each 4 week period to be 4.5 million calls, such an allowance does not relieve the TOCs from ensuring that the total number of calls answered over the year shall be 90% of calls made, with a maximum of 58.6 million calls required to be answered.
  5. Representations or objections with respect to the proposed order may be made to me by not later than 9th August 1997. They should be sent to Dee Cotgrove, Office of the Rail Regulator, 1 Waterhouse Square, 138-142 Holborn, London EC1N 2ST. Copies of the proposed order may be obtained free of charge from that address or by telephoning 0171 282 2074.

Trust Deed for Creditors of  
**ANTHONY & ANGELA BRADSHAW**  
Trading as S I S Fabrics & Interiors

A TRUST DEED has been granted on 12th June 1997 by Anthony and Angela Bradshaw, residing at Hill House, Boghole Farm Road, Auldearn and trading from Lea Road, Forres, Morayshire conveying (to the extent specified in section 5(4) of the Bankruptcy (Scotland) Act 1985) their estate to me, Ian Patrick Souter, Moray House, 16 Bank Street, Inverness IV1 1QY as trustee for the benefit of their creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes:

The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

**Bankruptcy (Scotland) Act 1985, paragraph 5(3)**

Notice by Trustee under a Trust Deed for the Benefit of Creditors

Trust Deed for Creditors by

**JOHN HOGG CUTHILL**

A Trust Deed has been granted by John Hogg Cuthill, 59 Dunbar Place, Kirkcaldy, Fife, KY2 5SE on 30th June 1997 conveying (to the extent specified in Section 5 4(a) of the Bankruptcy (Scotland) Act 1985) his estate to me Christine Convy, Anderson & Menzies, 3 High Street, Kinross, KY13 7AW as Trustee for the benefit of his creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

**Notes:**

The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.
