The Director General of Electricity Supply (hereafter referred to as "the Director"), pursuant to section 11(2) of the Electricity Act 1989 (hereafter referred to as "the Act") hereby gives notice as follows:

- (i) in relation to of the composite licences which have been granted under section 6(1) of the Act respectively to Scottish Hydro-Electric plc and to Scottish Power plc, he proposes (subject in each case to the agreement of each licensee) to make modifications to Schedule 6 (being the public electricity supply charge restriction conditions);
- (ii) the reasons why he proposes to make the modification and their effect were published by the Director in a statement on 16 October 1997;
- (iii) in summary the effect of the modifications will be to amend the public electricity supply charge restriction conditions so that:

 - except with the consent of the Director such customers shall continue to be offered the tariffs at present available to them;
 - for the year commencing 1 April 1998, in respect of such customers

 - the prices charged to those on standard domestic tariff who consume 3300kWh in that year must fall by the same percentage in real terms;

- from 1 April 1998, the allowed maximum average charge per unit of electricity distributed by the licence holder
 - shall be increased to account for the costs of establishing and operating certain services which each licence holder is required by its public electricity supply licence to undertake in order to facilitate competition in electricity supply;
 - may be adjusted downwards in circumstances: in which the introduction of competition in electricity supply to any part of Great Britain is delayed beyond April 1998; and in which the phased introduction of competition into the authorised area (in its public electricity supply licence) of each licence holder is delayed at any stage beyond July 1998.

extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985), its estate to me, Brian Johnstone, BSc, CA, MSPI, Manson & Partners, 51 Rae Street, Dumfries DG1 1JD as Trustee for the benefit of its creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes:

The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

Trust Deed for Creditors by

CHRISTINE THORBURN PLUMMER

A Trust Deed has been granted by Christine Thorburn Plummer, residing at 58 Evershed Drive, Dunfermline KY11 5RE on 20th February 1998 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985), her estate to me, Graham Cameron Tough CA, Martin Aitken & Co, 1 Royal Terrace, Glasgow G3 7NT as Trustee for the benefit of her creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes:

The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.
