PROPOSED MODIFICATIONS OF THE LICENCES OF MERCURY PERSONAL COMMUNICATIONS LIMITED AND ORANGE PERSONAL COMMUNICATIONS SERVICES LIMITED

1. THE Director General of Telecommunications ("the Director"), in accordance with section 12(2) of the Telecommunications Act 1984 ("the Act"), hereby gives notice that he proposes to make modifications to the licence granted to Mercury Personal Communications Limited ("MPCL") on 9th May 1995 and to the licence granted to Orange Personal Communications Services Limited ("OPCL") on 27th July 1995.

2. Modifications were made to the licences of MPCL and OPCL on 2nd April 1998 to remove the obligations contained in those licences to provide airtime to mobile service providers subject to a transitional period of one year from the date the modifications were made. At the same time changes were made to the licences, the effect of which was to remove the obligations under section 8(1) of the Act to publish charges and not to show undue preference or discrimination in respect of some of the services which the Licensees are obliged to provide under the licences. The Director now proposes to make the modifications described in the Schedule below in order to restore these obligations which are necessary to ensure that section 8 of the Act applies to the licences of MPCL and OPCL.

3. The proposed modifications apply to the telecommunications services which the licensees are currently obliged to provide. The position relating to other services will be subject to review as part of the implementation of the Directive 97/13 EC of the European Parliament and Council ("the Licensing Directive") on which the Department of Trade and Industry propose to issue a consultation document later this year.

4. The Director is required by section 12(2) of the Act to consider any representations or objections which are duly made and not withdrawn. Subject to such considerations and the consent of MPCL and OPCL, the Director proposes to make the modifications forthwith.

5. Representations on or objections to the proposed modifications may be made to Rosemary Buck, OFTEL, 50 Ludgate Hill, London EC4M 7JJ (telephone 0171-634 8822, fax 0171 634 8847) by no later than Friday, 25th September 1998.

6. It is OFTEL's usual practice to have a two stage consultation, where the second stage of the consultation is for the purpose of providing comments on the responses to the consultation itself However on this occasion, in view of the technical nature of these modifications which serve only to remedy a possible defect in the modifications made on 2nd April 1998 it is not intended to have a second stage.

THE SCHEDULE

It is proposed to modify the licence as follows:

Condition 8 (Publication of charges, terms and conditions to be applied) - by applying the obligation to publish charges to services which the licensees are currently obliged to provide under their licence;

and Condition 9 (Prohibition on undue preference and undue discrimination) - by applying the prohibition on undue preference and undue discrimination to services which the licensees are currently obliged to provide under their licences.

10949/0297	Glaxo Wellcome UK Limited	Flixotide Nebules 0.5mg/2ml	Fluticasone Propionate Micronised .500mg	Prescription Only Medicine In adults and adolescents over 16 years: For prophylactic management of severe chronic asthma in patients requiring high dose inhaled or oral corticosteroid therapy. On introduction of inhaled fluticasone propionate many patients currently treated with oral corticosteroids may be able to reduce significantly, or eliminate, their oral dose. They are not licensed for use in children under 16 years and therefore should not be used in this patient population. Current clinical data do not allow appropriate dosage recommendations to be made in this patient population. Fluticasone propionate given by inhalation has a potent glucocorticoid anti-inflammatory action within the lungs. It reduces symptoms and excerbations of asthma in patients previously treated with bronchodilators alone or with other prophylactic therapy. Relatively brief symptomatic episodes can generally be relieved by the use of fast-acting bronchodilators, but longer-lasting excerbations require, in addition, the use of corticosteroid therapy as soon as possible to control the inflammation.	21st August 1998

GERARD DEVLIN

A TRUST DEED has been granted by Gerard Devlin, residing at 16 Springhill Avenue, Coatbridge ML5 5PY on 20th August 1998 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985) his estate to me, Bryce Luke Findlay BSc CA MIPA MSPI, Findlay Anderson, 50 Darnley Street, Pollokshields, Glasgow G41 2SE, as Trustee for the benefit of his creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette.*

Notes:

The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.
