ENVIRONMENTAL PROTECTION ACT 1990 (AS AMENDED) ENVIRONMENTAL PROTECTION (APPLICATIONS, APPEALS AND REGISTERS) REGULATIONS 1991 (AS AMENDED)

In accordance with Regulations 5(1) of the above Regulations, notice is hereby given that application is being made to the Scottish Environment Protection Agency (SEPA) for an authorisation under Part 1 of the above Act by Burgess & Garrick Oil Services. The process to be carried on is a Recovery Process to Recycle Hydrocarbon waste at Unit 12 Dales Industrial Estate, Peterhead. The application may be inspected, free of charge, during office hours at SEPA (North Division), Greyhope House, Greyhope Road, Torry, Aberdeen, AB11 9RD.

Written representations concerning the application may be made to SEPA at SEPA North (East Division) at Greyhope House, Greyhope Road, Torry, Aberdeen, AB11 9RD, and if received within 28 days of publication of this notice, will be taken into consideration in deciding the application. Any such representations made by any person will be entered in a public register unless that person requests in writing that they should not be so placed. Where such a request is made there will be included in the register a statement indicating that representations have been made which have been the subject of such a request.

This notice was published on Friday 15th January 1999. (1803/106)

Harbours

Harbours Act 1964

FRASERBURGH HARBOUR REVISION ORDER 1999

Notice is hereby given that the Fraserburgh Harbour Commissioners (hereinafter called "the Commissioners") have applied to the Secretary of State for Scotland for a Harbour Revision Order under section 14 of the Harbours Act 1964.

The objects of the proposed Order are as follows:

(1) To authorise the following works in the Parish of Fraserburgh (the points referred to being points marked on the plan deposited in connection with the Order).

Work No 1 A deepening by means of excavation to a depth of 7 metres below the level of low water of that part of Faithlie Basin shown hatched black on the deposited plan.

Work No 2 A three-sided pier of open-work construction incorporating a shiplift commencing at Point A 50 metres north of the east side of the cut in the South Breakwater for the existing slipway, thence extending south to Point B, thence extending east to Point C, thence extending north to point D and there terminating.

Work No 3 A reclamation and infilling of the existing slipway at Faithlie Basin and a levelling of the adjacent land, construction of ship repair bays, a ship traverser bay and boundary walls and construction of a retaining wall in the South Breakwater, all in the area shown cross-hatched black on the deposited plan.

(2) To enable the Commissioners temporarily to close the area of the proposed works for the purpose of carrying out the works.

(3) To enlarge the borrowing powers of the Commissioners and in relation to the election of Commissioners to repeal a restriction on the number of categories of Commissioner in which a person may vote.

A copy of the draft Order, an environmental statement and the deposited plan and sections which accompanied the application may be seen at all reasonable hours at the offices of the Commissioners at The Harbour Office, Fraserburgh and at the offices of the undermentioned Parliamentary Agents.

Any person wishing to make an objection to the Secretary of State against the application should write to The Secretary, Scottish Office Agriculture, Environment and Fisheries Department, Pentland House, 47 Robb's Loan, Edinburgh EH14 1TY, within 42 days from the date at the foot of this notice, quoting reference FPB/61 and stating the grounds of his or her objection.
