NOTICE OF PROPOSAL TO GRANT AN EXTENSION TO A PUBLIC GAS TRANSPORTERS LICENCE

1. The Director General of Gas Supply, pursuant to section 7(5) of the Gas Act 1986, hereby gives notice that he proposes to grant an extension to a licence under that section held by Scottish Power Gas Limited whose registered office is situated at 1 Atlantic Quay, Glasgow, G2 8SP.

AREAS

Shevingtons Lane, Saxon Way PH2, Liverpool

Copies of these maps are available for inspection at the Office of Gas Supply at the address shown below.

2. The Director General is of the opinion that the above-named applicant intends to carry on the activities which may be authorised by its licence under section 7 of the Act in the areas named, and that the granting of the extension will be calculated.
 - (a) to secure that reasonable demands for gas in Great Britain are met, and
 - (b) to secure effective competition in the supply of gas conveyed through pipes.
3. Any representations or objections with respect to the proposed extensions may be made in writing and delivered to Miss Selina Johnson, 5th Floor, Office of Gas Supply, 16 Palace Street, London, SW1E 5JD, no later than 4th May 2000.

BG TRANSCO PLC

Section 23(3)

Notice of proposal to modify the Standard and Special Conditions of the Public Gas Transporter Licence treated as granted under section 7 of the Gas Act 1986 to BG Transco plc (formerly British Gas plc)

The Director General of Gas Supply, pursuant to 23(3) of the Gas Act 1986, hereby gives notice as follows -

1. In this notice-
"Transco" means BG Transco plc;
"the Director" means the Director General of Gas Supply;
"the Licence" means the Public Gas Transporter Licence treated as granted under section 7 of the Act to Transco;
"the proposed modifications" means the proposed modifications to the Standard and Special Conditions of the Licence set out in Schedule 1;
2. The Director, pursuant to section 23(1)(a) of the Gas Act 1986, proposes to make the proposed modifications to the Licence.
3. The effects of the proposed modifications are that, where the Director, pursuant to paragraph 5 of Special Condition 2 of the Licence, consents to Transco entering into an agreement or arrangement a Cross-Default Obligation (as that term is defined in Special Condition 1 of the Licence), then, unless the Director otherwise consents, Transco shall:
 - (i) procure that a related person to Transco indemnifies it in respect of its liabilities and potential liabilities under the Cross-Default Obligation on terms approved in writing by the Director;
 - (ii) procure that the terms of that indemnity shall include an obligation that the person granting the indemnity shall maintain, at all relevant times, an investment grade credit rating; and
 - (iii) enforce the terms of the indemnity if so directed in writing by the Director.
4. The reason why the Director proposes to make the proposed modifications is that Transco has sought the consent of the Director pursuant to paragraph 5 of Special Condition 2 and that the Director considers that:

- (a) It is in the interests of consumers in respect of prices and continuity of supply; and
- (b) BG will be better able to finance the carrying on of the Transco business, if the proposed modifications are made; this reason is more fully set out and explained in Annex 1.

5. Representations or objections with respect to the proposed modifications may be made within 29 days of the date of this notice and should be addressed to -
The Office of Gas and Electricity Markets
Stockley House
130 Wilton Road
London SW1V 1LQ

and marked for the attention of Justin Coombs.

SCHEDULE 1

Paragraph 5 of Special Condition 2 of the Licence shall be modified by the addition of:

- (d) This sub-paragraph applies where the Licensee, with the consent of the Director pursuant to this paragraph, enters into any agreement or arrangement incorporating a Cross-Default Obligation. In those circumstances, unless the Director otherwise consents, the Licensee shall:
 - (i) procure that a related person of the Licensee shall indemnify the Licensee in respect of its liabilities and potential liabilities under the Cross-Default Obligation on terms approved in writing by the Director;
 - (ii) procure that the terms of that indemnity shall include an obligation that the person granting the indemnity shall maintain, at all relevant times, an investment grade credit rating; and
 - (iii) enforce the terms of the indemnity if so directed in writing by the Director.

Annex 1

Use of gas-related infrastructure for telecommunications purposes

BG Transco plc has advised Ofgem of proposals for the transfer to Transco Telecommunications Asset Development Company Limited of certain assets which would be used by to Transco Telecommunications Asset Development Company Limited to provide telecommunications services to third parties. The proposed transactions include leasehold and freehold transfers of land and the rights to use buildings and structures for telecoms purposes. Cross-default obligations may arise out of the transfer of these interests in land, including cross default obligations of a type that Special Condition 2 of Transco's licence prohibits Transco entering into, other than with the Director's consent. In order to safeguard the interest of transportation customers, Transco has agreed to procure Deeds of Undertaking and Indemnities in relation to the transfers in question, similar to those described in Special Condition 2(5)(b).

In order to further protect the interests of customers, Ofgem considers that the party giving the indemnity should maintain an investment grade credit rating and that Transco should enforce the indemnity if so directed by the Director General of Gas Supply. To implement these safeguards a modification to the Transco PGT licence is required under Section 23 of the Gas Act 1986. The Director is minded, once these modifications have been made, to consent to Transco entering into certain cross default obligations arising out of the transfer of assets to Transco Telecommunications Asset Development Company Limited.

DEFINITION OF TERMS USED IN THIS SCHEME

THE POST OFFICE INLAND LETTER POST SCHEME 2000 (Post Office Scheme IL1/2000)

The Post Office, by virtue of the powers conferred on it by section 28 of the Post Office Act 1969 and all other relevant enabling powers, hereby makes the following Scheme.

PART 1

INTRODUCTION

1. APPLICATION

- 1.1 This Scheme sets out the Post Office's conditions for:
 - 1.1.1 accepting a letter posted in the United Kingdom for delivery to an address in the United Kingdom, the Channel Islands or the Isle of Man;
 - 1.1.2 accepting a letter sent from the Channel Islands or the Isle of Man for delivery to an address in the United Kingdom;
 - 1.1.3 providing other services in connection with inland letter post and letter post sent between the United Kingdom and the Channel Islands or the Isle of Man.
- 1.2 This Scheme should be read as one with the Post Office Overseas Letter Post Scheme 1982, the Post Office Inland Parcel Post Scheme 1989, the Post Office Overseas Parcel Post Scheme 1982 and the Post Office Scheme for Franking Letters and Parcels 2000.

2. COMMENCEMENT, REVOCATION AND CITATION

- 2.1 This Scheme is made under section 28 of the Post Office Act 1969 and comes into operation on 27th April 2000. Together with the Post Office's Scheme for Franking Letters and Parcels 2000 it revokes and replaces the Post Office Inland Letter Post Scheme 1989 (Post Office Scheme L1/1989) and all published amendments to that Scheme. It should be referred to as the Post Office Inland Letter Post Scheme 2000.
- 2.2 The Post Office may amend this Scheme from time to time. Amendments will be published in the London, Edinburgh and Belfast Gazettes.

3. INTERPRETATION

- 3.1 The definition of terms used in this Scheme are set out in Schedule II to this Scheme.
- 3.2 Any reference in any other Post Office Scheme or in any document issued by or under the authority of the Post Office to a provision of any earlier version of the Inland Letter Post Scheme should be interpreted as a reference to the relevant provision of this Scheme and/or the Post Office Scheme for Franking Letters and Parcels 2000.

4. DISCRETION TO PROVIDE SERVICES UNDER THIS SCHEME

- 4.1 The Post Office may provide the postal services referred to in this Scheme for such times, during such periods, at such post offices and in such circumstances as it may in its discretion decide.

PART 2

GENERAL CONDITIONS FOR POSTING A LETTER

5. FIRST AND SECOND CLASS

- 5.1 A letter which complies with the applicable conditions of this Scheme except for a Special Delivery letter will be sent:
 - 5.1.1 First Class if the relevant amount of postage set out in paragraph 8 of Schedule 1 to this Scheme has been paid, or the sender has entered into an agreement with the Post Office to pay that amount of postage;
 - 5.1.2 Second Class if the relevant amount of postage set out in paragraph 8 of Schedule 1 to this Scheme has been paid, or the sender has entered into an agreement with the Post Office to pay that amount of postage; or
 - 5.1.3 Second Class if insufficient postage for First Class, but more than sufficient postage for Second Class, has been paid.
- 5.2 The Post Office aims to deliver a letter sent First Class the next working day after posting and to deliver a letter sent Second Class within three working days after posting.
- 5.3 Valuables must not be sent by First or Second Class. Valuables must be sent using the Special Delivery service in accordance with the conditions set out in section 40 of this Scheme.

6. FORWARDING A LETTER

- 6.1 A recipient of a letter (except a Business Reply, Freepost, Special Delivery or Recorded letter) may forward it from its original address to another address in the United Kingdom, the Channel Islands or the Isle of Man by writing or printing the new address on the cover or envelope of the letter and re-posting the letter. A letter may only be forwarded in this way to the original addressee.
- 6.2 The Post Office will not charge additional postage for forwarding a letter that is re-posted on the day of delivery or on the following working day except in the circumstances set out below.

6.3 The Post Office will charge additional postage and any applicable fee for forwarding a letter if it has been opened before being re-posted, or the name of the original addressee is covered or obscured, or it is forwarded by a business or a person acting on behalf of a business. The Post Office may charge an additional fee, to be fixed by the Post Office from time to time, to forward a letter.

6.4 The Post Office may at its discretion deliver to the addressee or return to the sender a letter which has been forwarded and which bears a Special Delivery or Recorded label. In either case the Post Office will charge the addressee or sender additional postage and/or a fee to be fixed by the Post Office from time to time.

6.5 In any case where the Post Office considers that a letter has been forwarded to evade payment of postage it may treat it as an unpaid letter in accordance with section 17 of this Scheme.

6.6 The Post Office can be required under the Social Security Administration Act 1992 and the Social Security Administration (Northern Ireland) Act 1992 ("the Acts") not to deliver items of social security post which have been forwarded or redirected to a new address, but to return them to the sender. The Post Office is required under the Acts to provide information about the redirection of social security post to persons specified in the Acts.

7. A LETTER WHICH DOES NOT MEET POST OFFICE CONDITIONS

7.1 The Post Office may refuse to accept a letter that does not meet the conditions set out in this Scheme or may treat it as undeliverable in accordance with section 8 of this Scheme.

7.2 If a letter does not meet the conditions of the service paid for, the Post Office may convey it using a different service. In this circumstance, the postage, fees and conditions of the service by which the letter is conveyed will apply, but the Post Office's liability under this Scheme may not apply. This provision applies to a letter which has been posted or found on Post Office premises which appears to be intended for posting.

8. A LETTER WHICH WILL NOT BE DELIVERED

8.1 The Post Office may decide not to deliver a letter which it considers impracticable or unreasonable to deliver. Such a letter is referred to in this Scheme as undeliverable.

8.2 The Post Office may consider that it is impracticable or unreasonable to deliver a letter:

8.2.1 if the person to whom the letter is addressed is deceased or believed to be deceased;

8.2.2 if the address is unsafe;

8.2.3 if the address to which the letter is to be delivered is not permanently occupied;

8.2.4 if the letter does not bear a complete or legible address;

8.2.5 for any reason concerning the health and safety of staff; or

8.2.6 for any other reason.

8.3 Where a letter is undeliverable and:

8.3.1 the sender's name and address are legible on the cover or envelope, the Post Office may return the letter to the sender unopened;

8.3.2 the sender's name and address are not on the cover or envelope, or they are illegible, the letter may be opened. If the name and address of the sender are inside, and the letter does not consist solely of advertising material, newspapers or magazines, the letter may be returned to the sender;

8.3.3 the letter is opened and the name and address of the sender are not inside, and/or if the letter consists solely

of advertising material, newspapers or magazines, the letter may be dealt with or disposed of at the discretion of the Post Office.

8.4 Section 8.3 does not apply to an electoral letter or a letter consisting of a registered newspaper. If such a letter is undeliverable, the Post Office may:

8.4.1 if the sender's name and address are legible on the cover or envelope, return it to the sender unopened; or

8.4.2 if the sender's name and address are not on the cover or envelope, or if they are illegible, the letter may be dealt with or disposed of at the discretion of the Post Office.

8.5 The Post Office will not charge any additional postage or fee for returning an undeliverable letter but the sender may have to pay any other fees that apply. If any applicable fee is not paid, the letter may be dealt with or disposed of at the discretion of the Post Office.

9. PACKING

9.1 A letter must be packaged and sealed such that, in the opinion of the Post Office, damage or harm will not be caused to other letters, equipment, or Post Office staff.

9.2 The address must not be obscured or made difficult to read in any way including by the manner in which the contents are enclosed in the letter.

9.3 A letter must not have on its envelope or cover:

9.3.1 anything which obscures the postage stamp or mark;

9.3.2 anything which is likely, in the Post Office's opinion, to make it difficult for the Post Office to apply a postmark to the cover or envelope;

9.3.3 anything which, in the Post Office's judgement, is likely to make the postmark illegible;

9.3.4 any counterfeit or fake postage stamp or mark;

9.3.5 any postage stamp or mark which has already been used to pay postage;

9.3.6 signs, words or marks, used without official permission, which could indicate that the letter was sent on Her Majesty's Service or was conveyed and delivered by the Post Office; or

9.3.7 any signs, words, marks or designs which are offensive, obscene or indecent.

9.4 A letter must not be made up in any way or have anything on its cover or envelope which, in the judgement of the Post Office, makes it difficult or embarrassing to deliver the letter.

9.5 A postage stamp or mark must not be attached to a letter using staples, sticky tape, or any other means that the Post Office does not approve.

9.6 A postage stamp or mark must be placed in the top right hand corner on the front of the cover or envelope of a letter unless the Post Office specifies otherwise.

10. PAYING POSTAGE AND FEES

10.1 Postage must be paid before a letter is posted, unless:

10.1.1 the letter is a Response Services letter in respect of which a licensee has paid or agreed to pay postage in accordance with section 38 of this Scheme;

10.1.2 the letter contains or consists of an address, electoral letter or petition to the Sovereign or either House of Parliament and is posted in accordance with the conditions set out in section 19 of this Scheme;

10.1.3 the letter contains articles for the blind and is posted in accordance with the conditions set out in section 21 of this Scheme;

10.1.4 the letter is re-posted to be forwarded in accordance with sections 6.1 and 6.2 of this Scheme; or

10.1.5 the sender has entered into a credit agreement or other arrangement for payment of postage with the Post Office.

- 10.2 All fees must be paid in advance unless the Post Office agrees otherwise.
- 10.3 The sender must demonstrate with respect to each letter posted that postage has been paid, or that the sender has entered into an arrangement with the Post Office for postage to be paid, on the letter. To demonstrate such payment or arrangement, a postage stamp or mark must be fixed, printed, impressed, embossed or otherwise marked on the cover or envelope of the letter, or the letter must be marked in any other way the Post Office may approve.
- 10.4 A postage stamp or mark may not be used to demonstrate payment of postage on a letter, or to demonstrate that the sender has entered into an arrangement with the Post Office for postage to be paid on a letter, if it is damaged or imperfect, or if it has been defaced, or if it has anything written or printed over it. An adhesive postage stamp which is perforated with initials by means of a punch may be used for those purposes, provided that the perforation holes are smaller than the holes dividing one stamp from another on a sheet of stamps.
- 10.5 A postage stamp or mark that has already been used to pay postage, or to demonstrate that the sender has entered into an arrangement with the Post Office to pay postage, cannot be re-used for those purposes.

11. POSTAGE RATES AND FEES

- 11.1 Postage rates for delivery of a letter within the United Kingdom are set out in Schedule I to this Scheme.
- 11.2 The Post Office may change postage rates from time to time. A change to postage rates and the date on which the changed rates will come into effect will be published in advance of the change in the London, Edinburgh and Belfast Gazettes.
- 11.3 The Post Office may charge fees (which may be in addition to any postage that may be payable) for use of the postal services set out in this Scheme. The Post Office may change the rate of any fees from time to time.

12. POSTCODES

- 12.1 Postcodes are allocated by the Post Office at its discretion throughout the United Kingdom in accordance with the operational needs of the Post Office's network of mail centres. The codes are routing codes and the Post Office may amend them at its discretion.

 - 13.3.3 in any other manner which the Post Office may approve.

- 14.2 The Post Office may apply a postmark to a cover or envelope in any manner which it considers appropriate for postal purposes.
- 14.3 The Post Office may also charge a fee (to be fixed by the Post Office from time to time) for cancelling postage stamps with a special postmark, or for applying a postmark which incorporates an advertisement.

15. PROHIBITIONS AND RESTRICTIONS

50.2 The Post Office does not accept liability, and will not pay compensation, for the loss of or damage to a letter unless the loss or damage is due to any wrongful act done, or any neglect or default committed by an officer, servant or agent of the Post Office while performing or purporting to perform his functions as such in relation to the receipt, carriage, delivery or other dealing with the letter.

50.3 The Post Office does not accept liability, and will not pay compensation, for the loss of or damage to a letter unless all the conditions of this Scheme that apply to that letter are complied with.

52.2 The maximum compensation the Post Office will pay if a Special Delivery letter or its contents are lost or damaged is the relevant sum set out in paragraph 20 of Schedule I to this Scheme, having regard to the weight of the letter and the fee paid, or the market value of the letter at the time the cause of action arises, if the market value at that time is less than relevant maximum sum.

(Post Office Scheme F1/2000)

The Post Office, by virtue of the powers conferred on it by section 28 of the Post Office Act 1969 and all other relevant enabling powers, hereby makes the following Scheme.

1. APPLICATION, COMMENCEMENT, REVOCATION AND CITATION
 - 1.1 This Scheme sets out the Post Office's terms and conditions applicable to the franking of letters and parcels for posting in the United Kingdom, and to the posting of franked letters and parcels.
 - 1.2 This Scheme shall be read as one with the Post Office Inland Letter Post Scheme 2000, the Post Office Overseas Letter Post Scheme 1982 (as amended), the Post Office Inland Parcel Post Scheme 1989 (as amended), and the Post Office Overseas Parcel Post Scheme 1982 (as amended), which set out the Post Office's conditions for sending letters and parcels.
 - 1.3 This Scheme is made by the Post Office under section 28 of the Post Office Act 1969. This Scheme

shall come into operation on 27 April 2000 and may be cited as the Post Office Scheme for Franking Letters and Parcels 2000.

- 1.4 The Post Office may amend this Scheme from time to time. Amendments will be published in the *London, Edinburgh and Belfast Gazettes*.

2. INTERPRETATION

- 2.1 The definitions of terms expressions used in this Scheme are set out in paragraphs 2.2 and 2.3 and in Schedule 1 to this Scheme.
- 2.2 'Franking' means the stamping or printing of a mark or impression called the 'franking mark' on the envelope or outer wrapper of a letter to indicate the postage and/or fee which has been paid on that letter.
- 2.3 'Franking equipment' has the meaning assigned to it in Schedule 1 of this Scheme. References in this Scheme to the use of franking equipment are (except where stated or the context necessarily indicates otherwise) references to the use of franking equipment to indicate payment of postage and fees, and/or to the resetting of franking equipment with a view to using the equipment to indicate the payment of postage and fees, on letters to be posted in the United Kingdom.

3. APPROVAL OF FRANKING EQUIPMENT AND AUTHORISATION OF MANUFACTURERS, SUPPLIERS AND MAINTAINERS

- 3.1 The Post Office may at its discretion approve different models of franking equipment, and may authorise persons to manufacture, supply, maintain or otherwise deal with franking equipment.
- 3.2 By authorising any person to manufacture, supply, maintain or otherwise deal with franking equipment, the Post Office does not become a party to any customer contract for the supply, inspection or maintenance of franking equipment, and does not give any warranties, whether as to quality or otherwise, concerning any goods or services supplied by that person.

4. GENERAL PROHIBITIONS ON USE OF FRANKING EQUIPMENT

- 4.1 Franking equipment may not be used unless the equipment has been manufactured by an authorised manufacturer and the model has the Post Office's current approval.
- 4.2 Franking equipment may not be used which has been altered or modified in any way, so that it differs from its current approved model design.
- 4.3 Franking equipment may not be used if the Post Office withdraws approval of the model. Whenever the Post Office withdraws approval for a model it will notify users who must cease using the franking equipment of that model within the timescales notified by the Post Office.

5. AUTHORISATION OF USERS

- 5.1 Franking equipment may not be used until the user has obtained the Post Office's authorisation to do so. All users must apply to the Post Office for authorisation.
- 5.2 When the Post Office approves an application, it will issue a licence to the user. Users must obtain a licence before using their franking equipment.

6. USER LICENCES

- 6.1 The user's application for a licence must be made on the user's behalf by the user's authorised supplier or manufacturer of the franking equipment. If an application is rejected, the Post Office will advise the applicant and the supplier or manufacturer in writing. The requirement for a user to obtain a licence applies regardless of whether or not the user may have entered into a contract with the Post Office for the provision of postal services.
- 6.2 The licence will include the following information:
 - 6.2.1 The user's name and address;
 - 6.2.2 The address where the equipment may be used;
 - 6.2.3 The name of the controlling office where the user's records will be kept;
 - 6.2.4 The post office or Royal Mail office responsible for the resetting of the franking equipment (if relevant), and the method of resetting it;
 - 6.2.5 The name and number of the model of the franking equipment;
 - 6.2.6 The serial number of the franking equipment and/or meter;
 - 6.2.7 The number of the die or device (or related machine identifier);
 - 6.2.8 The location where franked letters must be posted.

The Post Office may pass this information, and any amendments to it to the authorised manufacturer, supplier and maintainer of the user's franking equipment, so that their records will be accurate and up to date.

- 6.3 The licence authorises the user to use the specified franking equipment at the address shown on the licence. The licence does not authorise the user to use any other franking equipment, for which a separate licence, or licences must be obtained. The franking equipment named in the licence must only be used by the user, and for the purpose of the user's business.
- 6.4 The licence may not be transferred to another person, company, business or organisation.
- 6.5 If the user wishes to change any of the details shown on the licence, for example the address, the user must notify in writing the controlling office and the authorised manufacturer or supplier of the equipment. The licence may not be changed without the Post Office's prior consent.
- 6.6 If the user ceases permanently to use franking equipment, the user must notify both the controlling office and the authorised manufacturer, supplier and maintainer of the equipment in writing, either prior to the date of cessation, or as soon as possible afterwards.

7. PAYMENT OF POSTAGE AND FEES

- 7.1 All postage (and fees where applicable) payable on franked letters must be prepaid, unless the Post Office has given its prior written consent.
- 7.2 Franking equipment must not be used until it has been reset and shows the amount of postage and fees which the user has prepaid or has agreed to pay.

- 7.3 Franking equipment must always show the correct amount of postage and fees which the user has prepaid or has agreed to pay.

- 7.4 The value of postage paid indicated by the franking mark on any letter must conform to the applicable rate set out in the relevant Post Office Scheme.

8. RESETTING FRANKING EQUIPMENT

- 8.1 The manner in which the user prepays or pays postage and fees will depend upon the way in which the user's franking equipment is reset. The method of resetting will depend upon the model of the franking equipment.

- 8.2 Franking equipment must only be reset in the manner specified by the manufacturer and approved by the Post Office.

- 8.3 The following methods have been authorised by the Post Office:

- 8.3.1 Remote telephone resetting

- 8.3.1.1 Remote resetting is performed by the user using codes sent on request by the controlling office, other post office or Royal Mail office, or the supplier of the user's franking equipment. Each code contains instructions to the user's franking equipment to add the value of the credit paid or agreed to be paid by the user.

- 8.3.1.2 The codes may be sent to the user either by post, fax or telephone to be entered through the franking machine's controls, or they may be sent by electronic modem link direct to the franking equipment. When requesting a code, the user must provide any readings of the meter's registers which may be requested. This information should be communicated in the manner specified which may be orally or in writing, through a key pad, or electronically directly from the franking equipment.

- 8.3.1.3 The codes may only be used to reset franking equipment. Each code may be used only once. Only codes specified for the user's franking equipment may be used.

- 8.3.2 Electronic devices including smart cards

- 8.3.2.1 Resetting by electronic device is performed by the user using a device containing a computer memory chip. The device is supplied to the user in return for payment of the value of credit which the user has requested. Inserting the device into the franking equipment increases the value of postage credit available on the meter's registers.

- 8.3.2.2 The electronic device is obtained from the controlling office, other post office or Royal Mail office, or the supplier. Only an electronic device specified for the franking equipment may be used.

- 8.3.2.3 The electronic device must be returned to the source after use. In some cases, the same device will be used for each reset of particular franking equipment. Other electronic devices may be sent to users to check the meter's registers, and these must be inserted into the franking equipment and returned as requested.

- 8.3.3 Manual resetting

- 8.3.3.1 Manual resetting must only be performed by an authorised employee of the Post Office at the location specified on the user's licence. This may be at a post office, Royal Mail premises or the user's own premises. The Post Office will charge a fee for manual resetting at a user's premises.

8.3.3.2 Users must not perform or attempt to perform manual resetting, and must not request or procure manual resetting services from any party, including any part of the Post Office other than as specified in their licence.

8.3.4 Value cards

8.3.4.1 Resetting by means of using a value card is performed by the user, using a value card purchased from a controlling office. Franking equipment reset in this way will only produce franking marks if there is a value card with sufficient credit remaining held within the equipment. When the credit on the card expires, it must be replaced with a new one inserted in the equipment, and the expired card must be returned to the controlling office.

8.3.4.2 Only value cards which are specified for the user's model of franking equipment, for the value pre-determined by the user, and which have been purchased from the controlling office may be used.

8.3.4.3 Each value card may be used only once. Value cards must not be recredited or renewed.

8.3.4.4 When the credit on a value card expires, the details printed by the franking equipment on the reverse of the card must be complete and legible.

9. OPERATION OF FRANKING EQUIPMENT

9.1 The seals on franking equipment must not be broken, and must not be duplicated.

9.2 If a seal is broken, the user or person in possession of the equipment must report it to the controlling office immediately. If the machine is reset at a post office, then the user must also notify that post office.

9.3 The meter readings (as recorded on the meter's registers) must always show the correct amount of postage and fees which the user has prepaid and/or used. The equipment must not be tampered with so as to alter the meter readings.

9.4 The franking mark produced by the die or printing device within the franking equipment must always show the same value as the amount by which the registers change when the franking mark is produced.

10. INSPECTIONS, MAINTENANCE AND REPAIRS INSPECTIONS BY AUTHORISED MAINTAINERS

10.1 Franking equipment must be kept in good working order by the user.

10.2 The user must ensure that any franking equipment in use by the user is inspected in accordance with the Post Office's requirements at least once every year (or whenever the Post Office specifies) by a maintainer of the user's choice who has the Post Office's authorisation to carry out inspections for that kind of equipment.

10.3 Maintenance and repairs by authorised maintainers

10.3.1 The maintenance and repair of franking equipment may only be undertaken by a maintainer who has the Post Office's authorisation to carry out maintenance of and repairs on that model of equipment.

10.4 The Post Office's inspection checks

10.4.1 A user or person in possession of franking equipment must allow a representative of the Post Office to inspect their franking equipment at the

premises where it is located. The Post Office may do this on any working day without prior notice. If the Post Office requests a user to bring franking equipment to a post office or Royal Mail office for an inspection, the user must take it to the office which resets that equipment, or any other office specified by the Post Office.

11. FRANKING MARKS

11.1 Franking marks may only be produced under the direction of, or with the authority of, the Post Office.

11.2 A franking mark must be printed in red ink or in any other colour which the Post Office has authorised. It must be clear and complete. It must appear in the top right hand corner on the front of an envelope or wrapper of the letter, or on an address label which is stuck to the envelope or wrapper, or in any other manner which has been approved by the Post Office.

11.3 If, in the Post Office's judgement, a franking mark is not clear or complete, the Post Office will deal with the letter as if the sender has not paid postage on it, as set out in the Inland Letter Post Scheme 2000.

11.4 A franking mark or slogan must not consist of numbers, words, characters, symbols, or marks which in the Post Office's judgement could offend Post Office employees, or make it embarrassing or difficult for the Post Office to convey the letter in the post, or to deliver it, or which could give rise to complaints from the public, or which could cause the Post Office any operational or technical difficulties. If such circumstances arise, the Post Office will require the user to cease using the franking mark or slogan in question.

11.5 If a user prints a franking mark by mistake, the user may write to the user's controlling office to apply for a refund, enclosing the franked envelopes, wrappers or other items within 6 months of the date when the franking mark was printed. If the Post Office receives all the information and evidence it requires, and the amount of postage or fees shown by the franking mark is legible, the Post Office will give the user a partial refund of the amount of postage paid, having deducted an amount which the Post Office considers to be reasonable to meet the administrative cost of dealing with the user's application.

12. SLOGANS

12.1 The Post Office reserves the right not to accept any letter bearing a slogan which it considers does not comply with paragraph 11 above. It is recommended that users seek advice from the Post Office in advance of producing or ordering a slogan.

13. POSTING FRANKED LETTERS

13.1 Franked letters may only be posted in the area designated by the franking mark.

13.2 Franked letters must be posted on the date shown in the franking mark.

13.3 Franked letters must be presented for posting in containers or packages specified by the Post Office, according to the following requirements:-

13.3.1 in containers or trays, segregated by class and service, facing and oriented the same way. These may be posted by depositing at a designated Royal Mail office or (where this has been arranged and any fee due to the Post Office is paid) by being

collected by a Post Office employee, or agent authorised to act on the Post Office's behalf; or

- 13.3.2 in bags, segregated by class and service, in bundles of letters facing and oriented the same way. These may be posted by depositing at a designated post office or Royal Mail office, or (where this has been arranged and any fee due to the Post Office is paid) by being collected by a Post Office employee, or agent authorised to act on the Post Office's behalf; or
- 13.3.3 in pouches, segregated by class and service, in bundles of letters facing and oriented the same way. These may be posted by depositing at a designated post office or Royal Mail office, in a business posting box or (where this has been arranged and any fee due to the Post Office is paid) by being collected by a Post Office employee, or agent authorised to act on the Post Office's behalf; or
- 13.3.4 in a late-posting envelope. These must be posted in a designated posting box; or
- 13.3.5 presented for posting in any other manner which the Post Office may approve.

Variations to these conditions for presenting and posting franked letters may be authorised at the Post Office's discretion.

14. THE POST OFFICE'S RIGHT TO REFUSE TO ACCEPT LETTERS, OR TO RETURN THEM, AND TO ARRANGE REMOVAL OF DIES AND DEVICES

- 14.1 The Post Office has the right:-
 - 14.1.1 To refuse to accept, and to return letters or other approved items which have been franked, and/or
 - 14.1.2 To arrange the removal of any die or device which prints or controls the printing of the franking mark in franking equipment by the manufacturer or supplier of the franking equipment.
- 14.2 The Post Office may take either or both of these steps if any of the following circumstances occur:-
 - 14.2.1 If the user, or any other person in possession of franking equipment, does not comply with any condition in any Post Office Scheme;
 - 14.2.2 If any of the circumstances which are set out in paragraph 15 occur;
 - 14.2.3 If the Post Office has withdrawn the user's authority to use their franking equipment, and has terminated the user's licence; or
 - 14.2.4 If the Post Office withdraws approval from the model of franking equipment.

15. THE POST OFFICE'S TERMINATION OF AUTHORISATION

The Post Office may withdraw its authorisation for a user to use franking equipment in the circumstances set out below.

- 15.1 Withdrawal of authorisation upon written notice
 - 15.1.1 The Post Office may at its discretion withdraw its authorisation, and/or terminate a user's licence, at any time by giving the user not less than 14 days' advance notice in writing.
 - 15.1.2 Whenever the Post Office withdraws approval for a model of franking equipment, users will cease to have authorisation to use such equipment in accordance with the timescale notified to them by the Post Office.

15.2 Immediate withdrawal of authorisation - misuse

- 15.2.1 The Post Office may withdraw its authorisation, and terminate a user's licence, immediately, by writing to the user, if any of the following circumstances arise:
 - 15.2.1.1 If, in the Post Office's judgement, the user has not complied with any condition in the Schemes;
 - 15.2.1.2 If, in the Post Office's judgement, the user's franking equipment is not in good working order;
 - 15.2.1.3 If, in the Post Office's judgement, the user has misused any franking equipment;
 - 15.2.1.4 If, in the Post Office's judgement, the user has used their franking equipment to print or stamp a franking mark which causes operational or technical difficulties or inconvenience or embarrassment to the Post Office or to Post Office employees generally, or to the public;
 - 15.2.1.5 If the Post Office returns or refuses to accept the user's letters, in accordance with paragraph 14; or
 - 15.2.1.6 If the Post Office has decided to arrange the removal of the dies or devices in the user's franking equipment, in accordance with paragraph 14.

15.3 Immediate withdrawal - financial difficulties, cessation of trading, death etc.

- 15.3.1 The Post Office may also withdraw its authorisation, and terminate a user's licence, immediately, by notification in writing to the user or to the appropriate person, if any of the following occurs:
 - 15.3.1.1 If the user becomes bankrupt or insolvent;
 - 15.3.1.2 If a receivership order or administration order is made against the user;
 - 15.3.1.3 If a liquidator, receiver, administrator, trustee, manager, supervisor or similar officer is appointed in relation to any of the user's property;
 - 15.3.1.4 If the user makes any arrangement with creditors for the transfer of the user's property to them; or if the user sells or transfers their rights in something to the user's creditors, or tries to do so;
 - 15.3.1.5 If, in Scotland, the user becomes insolvent or bankrupt or an action for the user's sequestration is commenced, or if there is a legal action to seize the user's property, or if the user sets up a trust deed for the user's creditors;
 - 15.3.1.6 If the user ceases trading;
 - 15.3.1.7 If an order or resolution is or could be made to wind up the user's business;
 - 15.3.1.8 If the user's partnership is dissolved;
 - 15.3.1.9 If the user dies; or
 - 15.3.1.10 If the user is found guilty of any fraudulent misuse of the user's or any other franking equipment, or is found guilty of any other theft or fraud relating to the posting of franked letters.

The user or a representative of the user must notify the Post Office immediately if any of the circumstances listed above should occur.

15.4 Withdrawal of authorisation - at user's option

- 15.4.1 If the user ceases permanently to use franking equipment the user must notify the Post Office. On notification, the user's authorisation will be withdrawn by the Post Office and the user's licence will be terminated.
- 15.4.2 If the user fails to specify a date when the user will cease using the franking equipment, authorisation will be withdrawn and the licence terminated on the date when the Post Office receives the user's notification.
- 15.5 Withdrawal - general
- 15.5.1 When a user's authorisation is withdrawn and their licence is terminated, the user must return all record cards and value cards to the controlling office immediately. The value of any postage or fees which the user has paid for and not used will be refunded, after the Post Office has verified the readings of the registers.
- 15.5.2 A licence will automatically be terminated when the Post Office receives notification from the authorised supplier that the dies or devices have been removed from the franking equipment, or that the franking equipment has been removed from the user's premises.

16. USER ADDRESS FOR COMMUNICATIONS

- 16.1 The Post Office will use the address shown on the user's record card/licence for the purpose of sending notices under this Scheme.

Trust Deeds

Bankruptcy (Scotland) Act 1985: Schedule 5, paragraph 5(3)
Trust deed for creditors by

DEBORAH ALLISON

A trust deed has been granted by Deborah Allison, 79 Simpson Road, Bridge of Don, Aberdeen on 14th April 2000 conveying (to the extent specified in section 5(4)(a) of the Bankruptcy (Scotland) Act 1985) her estate to me, Gordon Malcolm MacLure, HLB Kidsons, 11 Albyn Place, Aberdeen AB10 1YE as trustee for the benefit of her creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

Notice by Trustee under a Trust Deed for the Benefit of Creditors
Trust Deed for Creditors by

NAUREEN BUTT

A Trust Deed has been granted by Naureen Butt, 31 Cunningham Drive, Giffnock, G46 6EW on 5th April 2000 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985) her estate to me David J Hill, Chartered Accountant, BDO Stoy Hayward, Ballantine House, 168 West George Street, Glasgow as Trustee for the benefit of her creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of

restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

A Trust Deed has been granted by Gary Stewart Robertson, residing at 89 Brand Terrace, Perth PH1 2LW on 17th April 2000 conveying (to the extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) his estate to me, Alexander Balfour Pringle C.A., Tayfletts, Isla Road, Perth PH2 7HG as Trustee for the benefit of his creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.
