OFFSHORE PETROLEUM PRODUCTION AND PIPE-LINES (ASSESSMENT OF ENVIRONMENTAL EFFECTS) REGULATIONS 1999

Pursuant to regulation 5(8) of the above Regulations, the Secretary of State for Trade and Industry gives notice that, being content

that the requirements of the above Regulations have been satisfied, he has, pursuant to Licence P016, granted a consent to Amerada Hess Limited to the drilling of an appraisal well in block 47/3a. The consent for well 47/3a-K took effect from 13th December 2000.

Amerada Hess purposes drilling an appraisal well in block 47/3a-K, in a water depth of 40 metres, 30 km off Flamborough Head. During the EIA process, Amerada Hess Ltd (AHL) identified four aspects of the proposed operation having the most potential to cause environment impact: physical presence of the rig and associated vessels 30 km from the coast; discharge of drilling cuttings and chemicals; atmospheric emissions from power generation and well testing (if undertaken); cumulative effects. Drilling operations will involve the use of water based muds, and it is unlikely that any impacts on benthic fauna would be detected outwith 50 metres of the drill site, considered in the ES as insignificant. During well testing, a green burner will be used, ensuring that should any hydrocarbon liquids be produced, drop-out to the sea will be minimised. The jack-up drilling rig will be on location for approximately 60 days, consequently curtailing impacts from physical presence and atmospheric emissions. Bunkering of diesel will take place during day-light hours and under constant supervision, for minimise risk of oil spillage, and a comprehensive oil spill contingency plan will be in place. The ES presents a detailed account of all environmental impacts associated with the development. No significant impacts have been identified from the proposed development activities and they are unlikely to affect any possible future offshore SAC that may be identified in the area. The JNNC and MAFF have no objections.

The Secretary of State is of the view, having regard to the environmental statement prepared in respect of the well and the comments received from those consulted, that the project is not likely to have a significant effect on the environment. The environmental statement adequately assessed the potential environmental impacts of drilling in a sensitive area and showed that all necessary contingency measures will be put in place.

1. This Notice, published in accordance with section 91 (1) of, and Schedule 9 to, the Fair Trading Act 1973, concerns an Order the Secretary of State for Trade and Industry intends to lay in draft before Parliament to amend the Supply of Beer (Tied Estate) Order 1989, which was later amended by the Supply of Beer (Tied Estate) (Amendment) Order 1997.
2. The 1989 Order contains a cap on the size of brewers' tied estates, a requirement on large brewers not to "tie" their tenants and tied loan clients to purchasing drinks, other than beer containing above 1.2% alcohol, from them, and the "guest beer provision" which allows the tenants and tied loan clients of large brewers to buy one brand of cask-conditioned beer and (as amended in 1997) one bottle-conditioned beer from any supplier they choose.
3. In his report to the Secretary of State entitled "The Beer Orders and Undertakings given pursuant to the Competition Commission's Report of March 1989 on the Supply of Beer" (Cm.651) dated 28th July 2000 ("the 2000 Report"), the Director of General of Fair Trading advised that all of the provisions of the 1989 Order be revoked.

The nature of the proposed provisions

4. Having considered the 2000 Report the Secretary of State intends to lay a draft Order before Parliament which follows the recommendation of the Director General except in retaining the guest beer provision. He issued a press announcement to this effect on 1st December 2000.

Bankruptcy (Scotland) Act 1985: Schedule 5, paragraph 5(3)

Trust Deeds for Creditors by

GORDON BRAYNION & EDA JACQUELINE BRAYNION

Trust Deeds have been granted by Gordon Braynion and Eda Jacqueline Braynion, both of 75 Candlemakers Park, Edinburgh, EH17 8TN, on 15th December 2000, conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985) (as amended) their estates to me, Robin Stewart MacGregor, LL.B., C.A., F.A.B.R.P., The Counting House (Scotland) Ltd, 9 Great Stuart Street, Edinburgh, EH3 7TP, as Trustee for the benefit of their creditors generally.

If a creditor wishes to object to the trust deeds for the purposes of preventing them becoming protected trust deeds (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deeds will become protected trust deeds unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deeds and do not wish to accede to them.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deeds. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtors and confers certain protection upon the trust deeds from being superseded by the sequestration of the debtors' estates.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

 In the Matter of
CHESTER STREET INSURANCE HOLDINGS LIMITED
 (Formerly Iron Trades Holdings Limited)

 THE COMPANIES ACT 1985

Notice is hereby given that, by an order dated 14th December 2000 made in the High Court of Justice in the matter of Chester Street Insurance Holdings Limited ("the Company"), separate meetings were ordered to be summoned of Scheme Creditors (as defined in the scheme of arrangement hereinafter mentioned) of the Company for the purpose of considering and, if thought fit, agreeing to a scheme of arrangement proposed to be made between the Company and its Scheme Creditors pursuant to section 425 of the Companies Act 1985 ("the Scheme"), namely:

- i. Scheme Creditors who are Protected Policyholders (as defined in the Scheme); and
- ii. General Scheme Creditors (being Scheme Creditors other than protected Policyholders (as defined in the Scheme)).

The meetings will be held on 5th February 2001 at Glaziers Hall, 9 Montague Close, London Bridge, London SE1 9DD at the times mentioned below, namely:

- i. in the case of Scheme Creditors who are Protected Policyholders, at 11:00 am (London time); and
- ii. in the case of General Scheme Creditors, at 11:20 am (London time) or as soon thereafter as the previous meeting shall have concluded or been adjourned.

The chairman of the meetings will address Scheme Creditors generally on the Scheme and on issues relevant to voting at the commencement of the first meeting.

Scheme Creditors may only attend and vote at such of the meetings for which they are eligible, either in person or by proxy and are, in any event, requested to complete the appropriate voting form and return it to the Company, c/o PricewaterhouseCoopers at 3 St Philips Central, Bristol, BS2 0XJ, United Kingdom by 12:00 pm on 2nd February 2001, although if not so returned, it may be handed in between 9:00 am and 11:00 am on the day of the meetings at the place fixed for them.

Each Scheme Creditor or his proxy will be required to register his attendance at such meetings as he is entitled to attend prior to its commencement. Registration will commence at 10:00 am.

The Scheme is proposed between the Company and its Scheme Creditors (being creditors in respect of any claim under or arising out of any Insurance Contract (as defined in the Scheme) being a liability to which the Company is subject at the date of the Scheme or to which it may become subject thereafter by reason of an obligation incurred before that date, except Non-Insurance Claims (as defined in the Scheme), any claim which would have been preferential in a liquidation of the Company or a claim in respect of the costs or expenses of the Scheme, each of which will be payable in full).

Copies of the scheme of arrangement, the statement required pursuant to section 426 of the Companies Act 1985, voting forms for use at the meetings and registration forms are being sent to Scheme Creditors. If any person entitled to attend the meetings has not received these documents by 5th January 2001, copies can be obtained from the Company, c/o PricewaterhouseCoopers, 3 St Philips Central, Bristol, BS2 0XJ, United Kingdom.

By the order, the High Court of Justice has appointed Benjamin Vincent Michael Strickland, or failing him, Philip James Grant to act as chairman of the meetings and has directed the chairman to report the results of the meetings to the court.

The scheme of arrangement will be subject to the subsequent sanction of the High Court of Justice.
