OFFSHORE PETROLEUM PRODUCTION AND PIPELINES (ASSESSMENT OF ENVIRONMENTAL EFFECTS) REGULATION 1999

Licence P.185 - Licence having effect under the Petroleum Act 1998

Block 13/21a

Pursuant to regulation 5(8) of above Regulations, the Secretary of State for Trade and Industry gives notice that, being content that the requirements of the above Regulations have been satisfied, he has, pursuant to Licence P. 185 granted a consent to Enterprise Oil plc to the drilling of two exploration wells in block 13/21a. The consent for wells 13/21a-E and 13/21a-F took effect from 31st January 2001.

Enterprise Oil plc proposes drilling two exploration wells in block 13/21a, 68km north of Fraserburgh, on the coast of North East Scotland. Enterprise's proposal is to drill 2 vertical wells to a depth of approximately 1067 metres, using a KCI water based mud system, with drilling cuttings (248 tonnes including sidetrack) and associated mud discharged to sea. No well testing will occur. No significant impacts have been identified from the proposed activity and it is unlikely to affect any possible future SAC that may be identified in the area. The Secretary of State is of the view, having regard to the environmental statement prepared in respect of the well and the comments received from those consulted that the project is not likely to have a significant effect on the environment. The environmental statement adequately assessed the potential environmental impacts of drilling in a sensitive area and showed that all necessary contingency measures will be put in place. (1608/55)

Notification may be arranged by telecommunication or other system of data transmission, if adequate facilities are available.

5. When the veterinary and documentary checks have been completed at the Border Inspection Post, the original notification document will be signed and the original passed to the Customs authorities and one copy returned to the importer or his representative.
6. The original health certificate accompanying the consignment will be retained at the Border Inspection Post.
7. If the veterinary check indicates that the consignment should not be imported into the Community, or in the event of the conditions of this licence not being complied with the Scottish Ministers have powers under the Products of Animal Origin (Import and Export) Regulations 1996 (as amended) to re-export or destroy the consignment at the expense of the importer or his representative.
8. The cost of the veterinary checks must be borne by importers and the charges must be paid or guaranteed before the veterinary and Customs formalities can be completed and the goods released.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

Trust Deeds have been granted by Marion James and Nigel James, 271 Links Street, Kirkcaldy KY1 1SE on 28th March 2001 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985) their estate to me, Eileen Blackburn, HLB Kidsons, Breckenridge House, 274 Sauchiehall Street, Glasgow G2 3EH as Trustee for the benefit of their creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

Bankruptcy (Scotland) Act 1985: Schedule 5, Paragraph 5(3)
Notice by Trustee Under a Trust Deed for the Benefit of Creditors
Trust Deed for Creditors by

KAREN WHITE

A Trust Deed has been granted by Karen White, 88 Burnside Tower, Motherwell ML1 2BB on 2nd April 2001 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985) her estate to me, Cameron K Russell C.A., F.I.P.A., M.A.B.R.P., Wm Duncan & Co CA, Silverwells House, 114 Cadzow Street, Hamilton ML3 6HP as Trustee for the benefit of her creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.
