1st March 2002 (2103 190)

NOTICE UNDER SECTION 11(2) OF THE ELECTRICITY ACT 1989

The Gas and Electricity Markets Authority ("the Authority") hereby give notice pursuant to section 11(2) of the Electricity Act 1989 ('the Act') as follows:

1. The Authority proposes to introduce a new special licence condition entitled "Incentive Scheme: Calculation of charge restriction adjustment" in the licence of each electricity distributor treated as granted under section 6(1)(c) of the Act. The introduction of this new licence condition also requires a modification to the existing Special Condition B [in Scotland C] (Restriction of distribution charges) to introduce two additional terms to facilitate adjustments to the maximum charge that licence holders can recover. The mechanism for calculating the adjustment is detailed in the new licence condition specified by this notice and outlined below.
2. The reasons why the Authority proposes to introduce this licence condition and their effect are summarised below. Further information on the background to the licence modifications can be found in the document "Information and incentives project: Incentive schemes - Final Proposals" (December 2001). Reference to the Regulatory Instructions and Guidance in the licence modification refers to the document "Regulatory Instructions and Guidance - version 2" (February 2002). The licence modification contained in the December 2001 Final Proposals document is an earlier draft version of the licence modification specified by this notice. Details on how to obtain the proposed licence condition are outlined below.
3. The purpose of this new licence condition is to put in place a quality of service incentive scheme in relation to each licence holder to which the licence condition applies. The incentive scheme will apply from 1st April 2002 and will cover key areas of quality of service - the number and duration of interruptions to supply and the quality of telephone response provided by the relevant electricity distribution companies. The incentive scheme is designed to strengthen the financial incentives on distribution companies to deliver the appropriate quality of service to consumers. This is being facilitated through the

possibility of distribution companies losing or being rewarded a proportion of their revenue (up to pre-determined maximums) depending on their performance with regards to specified targets for the number and duration of interruptions to supply and the quality of their telephone response to consumers (as assessed by a survey of consumers undertaken on behalf of Ofgem). The provisions for adjustment of certain targets set out in paragraphs 7A to 7D of the new licence condition will only apply to those licensees who request its inclusion.

4. Copies of the proposed licence condition and the documents referred to in paragraph 2 are available (free of charge) from the Ofgem library, 9 Millbank, London, SW1P 3GE (020 7901 7003) or on the Ofgem website (www.ofgem.gov.uk).

NOTICE UNDER SECTION 11A(3) OF THE ELECTRICITY ACT 1989

The Gas and Electricity Markets Authority ("the Authority") hereby give notice pursuant to section 11A(3) of the Electricity Act 1989 ('the Act') as follows:

1. The Authority proposes to modify the standard licence conditions contained in the licences of each electricity distributor treated as granted under Section 6(1)(c) of the Act by amending standard licence condition 5 so that paragraphs 2 and 3 of that condition are suspended during such period as standard licence condition 49 has effect in relation to the licensee.
2. The reason why the Authority proposes to make these licence modifications and their effect were published by the Authority in a document entitled "Information and incentives project Incentive schemes Final Proposals" (December 2001).
3. In summary, the effect is to suspend the obligation to provide an annual report on quality of performance of the licensee's distribution system while the licensee is subject to a similar obligation under standard licence condition 49.
4. Copies of the proposed licence and the document referred to in paragraph 2 are available (free of charge) from the Ofgem Library, 9 Millbank, London, SW1P 3GE (020 79017003) or on the Ofgem website (www.ofgem.gov.uk).

Trust Deed for Creditors by
IAN ADAMS

A Trust Deed has been granted by Ian Adams, 13 Church Road, Kirkcolum, Stranraer, DG9 0NW on 17th January 2002 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985) his estate to me Eileen Blackburn, HLB Kidsons, Breckenridge House, 274 Sauchiehall Street, Glasgow, G2 3EH, as Trustee for the benefit of his creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

Notes: The trust deeds will become protected trust deeds unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deeds and do not wish to accede to them.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deeds. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtors and confers certain protection upon the trust deeds from being superseded by the sequestration of the debtors' estates.

 Notice by Trustee Under a Trust Deed for the Benefit of Creditors
 Trust Deed for Creditors by
LEIGH JAYNE THOMSON

A trust deed has been granted by Leigh Jayne Thomson, F1/3, 266 Stevenson Street, Calton, Glasgow G40 2RU on 25th February 2002 conveying (to extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) his estate me Duncan D McGruther, Grant Thornton, Chartered Accountants, 1/4 Atholl Crescent, Edinburgh EH3 8LQ as trustee for the benefit of his creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.
