			Notice Under Section 12(6A) of The Telecommunications Act 1984		
			MODIFICATION TO ALL PUBLIC TELECOMMUNICATIONS OPERATOR LICENCES		
			1. During the period beginning on 22nd June 1984 and ending on 18th January 2002, the Secretary of State granted licences under section 7 of the Telecommunications Act 1984 (the "Act") to particular persons, which the Secretary of State has designated by order under section 9 of the Act as having public telecommunications systems, collectively referred to hereinafter as the "PTO licences".		
			2. On 18th March 2002, the Director General of Telecommunications (the "Director"), in exercise of the powers conferred on him by section 12 of the Act, made the following modification to Condition 17 in Schedule 1 of the PTO licences: The words 'in writing' in Condition 17.2 were deleted.		
			3. In accordance with section 12(6A) of the Act the Director hereby gives notice that his reason for making the modification was to enable the development and launch of new products and services using automatic calling equipment. The retention of the requirement to obtain consent ensures that consumers remain adequately protected. However, the removal of the requirement for this consent to be obtained in writing allows more products and services to be provided and consumers will be able to benefit from automated services should they wish to. The modification is deregulatory and in line with OfTel's long-term strategy of ensuring that regulation is kept to the minimum necessary to obtain the appropriate outcome.

Notice Under Section 12(2) of The Telecommunications Act 1984
PROPOSED MODIFICATION TO THE LICENCES OF
EARTHADVICE LTD, EUROCALL LTD, FIBRENET UK
LTD AND AT&T GLOBAL NETWORK SERVICES (UK) B.V.

1. The Director General of Telecommunications (the "Director") in accordance with section 12(2) of the Telecommunications Act 1984 as amended by the Electronic Communications Act 2000 (the "Act") hereby gives notice that he proposes to make a modification to the licence granted to Earthadvice Ltd on 29th January 2002, the licence granted to Eurocall Ltd on 13th March 2002, the licence granted to Fibrenet UK Ltd on 13th March 2002 and the licence granted to AT&T Global Network Services (UK) B.V. on 15th March 2002, by the Secretary of State for Trade and Industry under section 7 of the Act, collectively referred to hereinafter as the "licences".
2. Both the effect of and the reason for the proposed modification are set out in the Schedule below. They have been detailed in full in the Consultation Document of June 2001 entitled 'Use of automatic calling equipment review'. The full text of the proposed modification is set out in Annex B to Oftel's Statement of January 2002. Both documents are available through the Oftel website at www.oftel.gov.uk.
3. The same modification was made on 18th March 2002 to all licences granted during the period beginning on 22nd June 1984 and ending on 18th January 2002 under section 7 of the Act to particular persons which the Secretary of State has designated by order under section 9 of the Act as having public telecommunications systems. The notice for this modification was published on 18th January 2002 in accordance with section 12(2) of the Act. The proposed modification will bring the licences into line with those licences already modified.
4. Section 12A(7) of the Act provides that a modification is deregulatory if -
 - (a) the effect of the conditions to be modified is to impose a burden affecting the holder of the licence in which those conditions are included;
 - (b) the modification would remove or reduce the burden without any necessary protection; and
 - (c) the modification is such that no person holding a licence granted under section 7 of the Act to a particular person would be unduly disadvantaged by the modification in competing with the holder of the licence in which those conditions are included.
5. In the opinion of the Director, the proposed modification of the licences is deregulatory within the meaning of section 12A(7) of the Act for the reasons set out in the Schedule below.
6. The Director is seeking comments on the proposed modification to the licences. Interested parties have 28 days from the day after publication of this Notice to make representations on the proposed modification. There will be no further period for interested parties to make comments on any representations made during the above mentioned period. In accordance with section 12A(7) of the Act, representations made against the proposed modification shall be taken to constitute an objection only if they are accompanied by a written statement that they are to be so taken.
7. Representations on or objections to the proposed modification may be made to Selina Chadha, Oftel, 50 Ludgate Hill, London, EC4M 7JJ (telephone 020 7634 5307, e-mail selina.chadha@oftel.gov.uk) by no later than 2nd April 2002.
8. Any confidential information should be clearly marked as such and separated out into a confidential annex. All representations received by Oftel, with the exception of material marked confidential, will be made available for inspection in Oftel's Research and Intelligence Unit and may be published.
9. The Director is required by section 12(2) of the Act to consider any representations or objections on the proposed modifications duly made and not withdrawn. Subject to such consideration, the Director proposes to make the modifications as soon as practicable after the statutory consultation has been completed.
10. Copies of the proposed modifications and a full list of licences affected can be obtained from Gabrielle Dakhama, Oftel, 50 Ludgate Hill, London, EC4M 7JJ (telephone 020 7634 8735, e-mail gabrielle.dakhama@oftel.gov.uk).

SCHEDULE

1. The words 'in writing' in Condition 17.2(a) are to be deleted.
2. In its present form, Condition 17 prohibits the use of ACE where the resultant call does not consist of live speech, unless written consent has been obtained from the recipient of the call.
3. The effect of the modification is that Licensees will no longer have to obtain consent in writing.
4. The Director considers that requiring consent to be obtained in writing is inhibiting the development and launch of new products and services. The retention of the requirement to obtain consent will ensure that consumers remain adequately protected. However, removing the requirement for this consent to be obtained in writing will allow more products and services using ACE to be provided that will enable consumers to receive the benefit of automated services should they wish to. This is in line with Oftel's long term strategy of ensuring that regulation is kept to the minimum necessary to obtain the appropriate outcome.
5. The Director considers this amendment to be deregulatory for the following reasons:
 - (a) in its present form, Condition 17 imposes a burden on licencees by prohibiting the use of ACE where the resultant call does not consist of live speech, unless written consent has been obtained from the recipient of the call;
 - (b) the proposed modification reduces this burden by removing the requirement that consent be obtained in writing. It does not remove any necessary protection as the retention of the requirement to obtain consent, albeit not in writing, will ensure adequate consumer protection; and
 - (c) the modification will not unduly disadvantage any person holding a licence granted under section 7 of the Act to a particular person as the proposed modification will apply to all licence holders which have been designated under section 9 of the Act as having public telecommunication systems.

ANDREW ALEXANDER

A Trust Deed has been granted by Andrew Alexander, 25 Westergill Avenue, Petersburn, Airdrie, ML6 8BF on 6th March 2002 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985) his estate to me David J Hill, Chartered Accountant, BDO Stoy Hayward, Ballantine House, 168 West George Street, Glasgow as Trustee for the benefit of his creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

Notice of Trust Deed for the Benefit of Creditors by

JOHN FORREST

A Trust Deed has been granted by John Forrest, residing at 28 Wellgatehead, Lanark, ML11 9AA on 14th March 2002 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985) his estate to me, Michael David Sheppard, Chartered Accountant, Wylie & Bisset, 135 Wellington Street, Glasgow G2 2XE, as Trustee for the benefit of his creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

SUSAN ISABELLA MILLER OR BROTHERSTON

A Trust Deed has been granted by Susan Isabella Miller or Brotherston, residing at 13 Mid Row, Laudr, Brackishire, TD2 6SZ formerly residing at Ettrick Lodge Ettrick Terrace, Selkirk, TD7 4LE on 8th March 2001 conveying (to the extent specified in Section 5(4a) of the Bankruptcy (Scotland) Act 1985) her estate to me, T Ritchie Campbell, CA Scott & Paterson Brunsfield House, 6 Brunsfield Terrace, Edinburgh, EH10 4EX, as trustee for the benefit of her creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

A Trust Deed has been granted by Gary John Walker, residing at 13/5 Murrayburn Grove, Edinburgh, EH14 2PG on 6th March 2002 conveying (to the extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) his Estate to me, John Michael Hall, of BKR Haines Watts, Chartered Accountants, 9 Coates Crescent, Edinburgh, EH3 7AL as Trustee for the benefit of his creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.
