Post and Telecom

Telecommunications

Notice Under Section 12(2) of the Telecommunications Act 1984
PROPOSED MODIFICATION TO THE LICENCES OF

51° LIMITED, FRANCE TELECOM NETWORK SERVICES – UK LTD AND TELEKOM MALAYSIA (UK) LIMITED

1. The Director General of Telecommunications (the "Director") in accordance with section 12(2) of the Telecommunications Act 1984 as amended by the Electronic Communications Act 2000 (the "Act") hereby gives notice that he proposes to make modifications to the licences granted by the Secretary of State for Trade and Industry (the "Secretary of State") under section 7 of the Act during the period beginning on 30th August 2001 and ending on 8th February 2002 for the running of telecommunications systems which the Secretary of State has designated by order under section 9 of the Act as public telecommunication systems, (collectively referred to hereinafter as the "PTO licences"). The affected PTO licences are those belonging to 51° Limited, France Telecom Network Services - UK Ltd and Telekom Malaysia (UK) Limited.
2. The effect of the proposed modifications to the PTO licences would be to widen the definition of what type of premium rate services ("PRS") might be caught under the PTO licences by replacing the current definition of 'Controlled Services' with the definition of 'Controlled Premium Rate Services'. In broad terms, only live PRS are currently caught by the former definition. As a result, there is no code of practice governing the provision of PRS other than live PRS (such as recorded PRS) that can be recognised by the Director under the PTO

licences. The proposed modifications take the form of replacing the Current Condition 22 (Controlled Services) of the PTO licences with a new Condition 22 (Controlled Premium Rate Services).

3. The reason why the Director is making the above-mentioned proposal is to strengthen the regulatory regime in the PRS industry, so that the provision of a potentially larger category of PRS (other than simply live PRS) could be governed by a code of practice recognised by the Director. In this way, the Director will have more 'backstop' powers to require network operators to cut off such services that are not complying with the code of practice administered by the Independent Committee for the Supervision of Standard of Telephone Information Services ("ICSTIS") following it making such a request to the Director and the Director considers it appropriate to make such a direction.
4. The Director also proposes to make modifications of a relatively minor drafting nature to the current Condition 23 (Provision of Special Facilities Relating to Chatline and Message Services) of the PTO licences by replacing it with a new Condition 23. The Director is making this proposal because it is necessary to refer to certain definitions now contained in the proposed new Condition 22 and the Director also considers that Condition 23 could be made clearer in certain other parts.
5. The text of proposed modifications and their effects are set out in full in the Ofcom Statement entitled "Regulation of Premium Rate Services: Licence Modification" which was published on 24th July 2001. The document is available via Ofcom's website (www.ofcom.gov.uk). The Director is seeking comments on the proposed modifications to the PTO licences. Interested parties have 28 days from the day after publication of this Notice to make representations on the proposed modifications. There will be no further period for interested parties to make comments on any comments made during the above-mentioned period. In accordance with section 12(6D) of the Act, representations made against the proposed modifications shall be taken to constitute an objection only if a written statement that they are to be so taken accompanies them.
6. Copies of the full text of the proposed modifications are also available from Sheira Hamilton (telephone: 020 7634 8943, e-mail: sheira.hamilton@ofcom.gov.uk) at the address below.
7. Representations on the proposed modifications can be made to Gavin Daykin, Regulation of PRS Consultation, Numbering Unit OFTEL, 50 Ludgate Hill, London, EC4M 7JJ (telephone: 020 7634 5338; e-mail: gavin.daykin@ofcom.gov.uk) by no later than 23rd of September 2002.
8. The Director is required by section 12(2) of the Act to consider any representations or objections on the proposed modifications duly made and not withdrawn. Subject to such consideration, and to receiving any objection to the respective modifications by the licensees of the PTO licences, the Director proposes to make the modifications as soon as practicable after the statutory consultation has been completed.
9. Any confidential material should be clearly marked as such and separated out into a confidential annex. All representations and objections received by Ofcom, with the exception of material marked confidential, will be made available for inspection in Ofcom's Research and Intelligence Unit.

Notice by Trustee Under a Trust Deed for the Benefit of Creditors
Trust Deed for Creditors by

GARY WALTER AMOS & ANGELA MARY AMOS

Trust Deeds have been granted by Gary Walter Amos and Angela Mary Amos, residing at 2 Valleyfield Farm Cottage, Tarff, Twynholm, Kirkcudbrightshire, DG6 4NH on 5th August 2002 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985) their estate to me Eileen Blackburn, Baker Tilly, Breckenridge House, 274 Sauchiehall Street, Glasgow, G2 3EH as Trustee for the benefit of their creditors generally.

If a creditor wishes to object to the trust deeds for the purposes of preventing them becoming protected trust deeds (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deeds will become protected trust deeds unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deeds and do not wish to accede to them.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deeds. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtors and confers certain protection upon the trust deeds from being superseded by the sequestration of the debtors' estates.

Trust Deed for Creditors by

NORMAN MCLENNAN BUSBY

A Trust Deed has been granted by Norman McLennan Busby, Flat 2/1, 8 Leyden Court, Glasgow, G20 9LY on 8th July 2002 conveying (to the extent specified in Section 5(4A) of Bankruptcy (Scotland) Act 1985) his estate to me David J Hill, Chartered Accountant, BDO Stoy Hayward, 168 West George Street, Glasgow G2 2PT as Trustee for the benefit of his creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

STEPHEN GAY KELLY & YVONNE KELLY

Trust Deeds have been granted by Stephen Gay Kelly and Yvonne Kelly, residing at Flat 2/1, 3 Hutton Drive, Glasgow, G51 4RP on 23rd July 2002 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985) their estate to me Eileen Blackburn, Baker Tilly, Breckenridge House, 274 Sauchiehall Street, Glasgow, G2 3EH as Trustee for the benefit of their creditors generally.

If a creditor wishes to object to the trust deeds for the purposes of preventing them becoming protected trust deeds (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deeds will become protected trust deeds unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deeds and do not wish to accede to them.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deeds. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtors and confers certain protection upon the trust deeds from being superseded by the sequestration of the debtors' estates.

Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.
