Fife Council**NOTICE OF CANCELLATION AND REDESIGNATION OF CONSERVATION AREA****PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) (SCOTLAND) ACT 1997**

Notice is hereby given that Fife Council has cancelled and simultaneously redesignated the existing Culross Outstanding Conservation Area (designated March 1972, extended October 2002), for the purposes of Section 62 of the Planning (Listed Buildings and Conservation Areas) (Scotland) Act 1997. The amendments to the boundaries are described below:

CULROSS OUTSTANDING CONSERVATION AREA

The conservation area has been extended to include the remains of Culross Pier. The pier has been added because of:

- its significant historic interest;
- the value of the pier within the wider context of Culross;
- the importance of safeguarding and enhancing the pier for future generations; and
- because part of the pier is already in the Conservation area and the whole structure should be included.

The new boundary is as follows:

Starting at the junction at Balgowrie West and The Slate Loan, the boundary follows the western edge of the Slate Loan north until it reaches the junction with Balgowrie Road. From this point the boundary follows an easterly direction, following the northern boundary of Balgowrie Road, crossing the junction with Erskine Brae and continuing along the northern boundary of Barrhill Road. At the junction with Parley Hill, the boundary follows a northwesterly direction along the western boundary of Parley Hill. At the house known as West Lodge, the boundary follows an easterly direction along the boundary of Culross Abbey House before turning southwards, along the eastern boundary of the property known as Abbey House Stables Cottage. The boundary then follows the boundary of Kirkbrae Wood due east then south to Low Causeway. Crossing this street, the boundary continues south to the Firth of Forth, following the eastern boundaries of the properties known as Dochart Cottage and Tigh Ansteisein and crossing the railway line. From this point, the boundary changes direction, turning west following the coastal boundary to Culross Pier. The boundary then turns south follows the eastern, southern and western boundaries of the Pier before turning west along the coastline to the western edge of West green car park. The boundary then turns north crossing Balgowrie West to the junction with The Slate Loan.

Plans of the above Conservation Area showing the boundaries, together with street indexes, with house numbers, are available for inspection at Fife Council's Planning and Building Control Service at 3 New Row, Dunfermline. The Service is open from 8.50am to 5.00pm Monday to Friday inclusive. Plans may also be inspected on the Culross Community Council noticeboard, next to the Post Office, Low Causeway, Culross.

Subject to the provisions of Section 66 of the 1997 Act, no building in a Conservation Area may be demolished without the consent of the Council as local planning authority. Under Section 172 of the Town and Country Planning (Scotland) Act 1997, anyone proposing to do work on trees in a conservation area is required to give the local planning authority 6 weeks notice of their intention before the work is carried out.

Trust Deeds

Bankruptcy (Scotland) Act 1985: Schedule 5, Paragraph 5(3)
Trust Deed for Creditors by

PAUL ANDREW AITKEN & SANDRA MARGARET AITKEN

Trust Deeds were granted by Paul Andrew Aitken and Sandra Margaret Aitken, both residing at 18 Havelock Street, Hawick, TD9 7BB on 29th April 2003 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985) their estate to me, Blair Carnegie Nimmo, 24 Blythswood Square, Glasgow, G2 4QS as Trustee for the benefit of their creditors generally.

If a creditor wishes to object to the trust deeds for the purposes of preventing them becoming protected trust deeds (see notes below

on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deeds will become protected trust deeds unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deeds and do not wish to accede to them.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deeds. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtors and confers certain protection upon the trust deeds from being superseded by the sequestration of the debtors' estates.

Notice of Trust Deed for the Benefit of Creditors by

FIONA MARION ARMOUR

A Trust Deed has been granted by Fiona Marion Armour, residing at Flat 2F/1, 39 Pitt Street, Edinburgh, EH6 4BZ on 19th May 2003 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985) her estate to me, Michael David Sheppard, Chartered Accountant, Wylie & Bisset, 135 Wellington Street, Glasgow G2 2XE, as Trustee for the benefit of her creditors generally. If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

Trust Deed for Creditors by

ALAN GORDON & SHEILA GORDON

A Trust Deed has been granted by Alan Gordon and Sheila Gordon, residing at 7 Newhouse Place, Perth, PH1 2AW on 4th April 2003 conveying (to the extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) their estate to me Graham Cameron Tough, CA MABRP, Martin Aitken & Co, Caledonia House, 89 Seaward Street, Glasgow G41 1HJ as Trustee for the benefit of their creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

Trust Deed for Creditors by

JACQUELINE MCFARLANE

A trust deed has been granted by Jacqueline McFarlane, 27 High Mill Court, High Mill, Dundee DD2 1UN on 16th May 2003 conveying (to the extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) her estate to me, Ian Rodger Johnston FCCA, Royal Exchange, Panmure Street, Dundee as trustee for the benefit of her creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

If a creditor wishes to object to the trust deeds for the purposes of preventing them becoming protected trust deeds (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deeds will become protected trust deeds unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deeds and do not wish to accede to them.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deeds. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtors and confers certain protection upon the trust deeds from being superseded by the sequestration of the debtors' estates.
