Civil Aviation

TRANSPORT ACT 2000

CHARGES FOR AIR SERVICES

SPECIFICATION BY THE CIVIL AVIATION AUTHORITY

THE CIVIL AVIATION AUTHORITY (EUROCONTROL

CHARGES) SPECIFICATION 2004

Taking Effect on 1st January 2004

The Civil Aviation Authority ("CAA"), in exercise of the powers conferred by sections 73, 74, 75 and 78 of the Transport Act 2000(a), hereby makes the following Specification:

Citation and commencement

1. This Specification may be cited as the Civil Aviation Authority (Eurocontrol Charges) Specification 2004 and shall take effect on 1st January 2004.

Revocation

2. The Civil Aviation Authority (Eurocontrol Charges) Specification 2003 (as amended by the Civil Aviation Authority (Eurocontrol Charges) (Amendment) Specification 2003 and the Civil Aviation Authority (Eurocontrol Charges) (Second Amendment) Specification 2003) is hereby revoked.

Interpretation

- 3.- (1) In this Specification -
 "AIP" in relation to a country other than the United Kingdom means a document in force at the date of the making of this Specification, entitled "Aeronautical Information Publication" or "AIP" and published under the authority of that country;
 "Eurocontrol" has the meaning given by section 24 of the Civil Aviation Act 1982(b);
 "FIR" means "Flight Information Region";
 "specified airspace" means the airspace of a FIR described as set forth in columns (1) and (2) of the Schedule hereto;
 "United Kingdom Air Pilot" means the document so entitled in force at the date of the making of this Specification and published under the authority of the CAA.
- (2) Unless otherwise defined in this Specification and unless the context otherwise requires, expressions used in this Specification shall have the same respective meanings as in the Transport Act 2000 and the Air Navigation Order 2000(c).

Charge to be paid to Eurocontrol

- 4.- (1) Subject to the provisions of this Specification the operator of any aircraft (in whatsoever State it is registered) for which chargeable air services are made available in a specified airspace shall pay to Eurocontrol, in respect of each flight by that aircraft in that airspace, a charge for those services (hereinafter referred to as "the charge") at the appropriate rate calculated in accordance with paragraph 7 of this Specification.
- (2) The operator of an aircraft shall not be required to pay any charge to Eurocontrol under this Specification in respect of a flight if he has previously paid to Eurocontrol in respect of that flight a charge of the same or a greater amount under the law of a country specified in column 1 of the Schedule hereto.

Circumstances in which charges are payable by the owner

5. If Eurocontrol is unable, after taking reasonable steps, to ascertain who is the operator, it may give notice to the owner of the aircraft that it will treat him as the operator for the purposes of paragraph 4(1) until he establishes to the reasonable satisfaction of Eurocontrol that some other person is the operator; and from the time when the notice is given Eurocontrol shall be entitled, for so long as the owner is unable to establish as aforesaid that some other person is the operator, to treat the owner as if he were the operator, and for that purpose the provisions of this Specification (other than this paragraph) shall apply to the owner of the aircraft as if he were the operator.

Payment

- 6.- (1) The amount of the charge shall be payable to Eurocontrol at its principal office in Brussels and shall be paid in euros.
- (2) The equivalent in sterling of the charge may be recovered in any court of competent jurisdiction in the United Kingdom.
- (3) If the amount of the charge payable under paragraph 4(1) is not paid in cleared funds by the operator of the aircraft within 30 days of the date payment is demanded by Eurocontrol, interest calculated in accordance with sub-paragraph (4) below on the unpaid amount shall be paid from that day until the date when cleared funds are received by Eurocontrol.
- (4) Interest payable under sub-paragraph (3) shall be simple interest calculated from day to day at the rate of 7.32%.
- (5) Nothing in this Specification shall prevent Eurocontrol from accepting as a good discharge payment other than in euros or at places other than the principal office of Eurocontrol.

Calculation of the Charge

- 7.- (1) The charge shall be calculated in euros according to the following formula $r = N \times U$ where r is the charge for the flight, N is the number of service units relating to that flight and U is the appropriate unit rate specified in column 3 of the Schedule hereto in relation to the specified airspace through which the flight is made, increased or decreased as the case may be by the same percentage as the relevant national currency has increased or decreased against the

euro as compared with the rate of exchange specified in column 4 of the said Schedule in relation to that airspace.

- (2) For the purpose of the preceding sub-paragraph, the number of service units relating to a flight shall be calculated in accordance with the following formula
 $N = d \times p$
 where d is the distance factor for the flight in the specified airspace in question and p is the weight factor for the aircraft concerned.
- (3) For the purposes of the preceding sub-paragraph -
 (a) the distance factor shall be the number of kilometres in the great circle distance between the points specified in sub-paragraph (4) of this paragraph minus 20 kilometres for each landing and take-off in the specified airspace in question, divided by 100 and expressed to two places of decimals, and
 (b) the weight factor, subject to the provisions of sub-paragraphs (6) and (7) of this paragraph, shall be equal to the square root of the quotient obtained by dividing by 50 the number of metric tonnes of the maximum total weight authorised of the aircraft and shall be expressed to two places of decimals.
- (4) The points referred to in sub-paragraph (3) of this paragraph are -
 (a) the aerodrome of departure within the specified airspace in question or, if there is no such aerodrome, the point of entry into that airspace; and
 (b) the aerodrome of first destination within the specified airspace in question or, if there is no such aerodrome, the point of exit from that airspace.
- (5) For the purposes of the preceding sub-paragraph, the point of entry into the specified airspace in question and the point of exit from that airspace shall be the points at which the lateral limits of the said airspace are crossed by the route described in the flight plan communicated by or on behalf of the operator of the aircraft either to the appropriate air traffic control unit or to the Flow Management Unit of Eurocontrol with any modifications thereto subsequently made or approved by or on behalf of the operator.
- (6) Subject to sub-paragraph (7) below, the weight factor for an aircraft of any type shall be calculated by reference to the maximum total weight authorised of the heaviest aircraft of that type.
- (7) Where an operator has indicated to Eurocontrol, within the period of one year immediately preceding the flight, the composition of the fleet of aircraft which he operates and which includes two or more aircraft which are different versions of the same type of aircraft, the weight factor shall be calculated by reference to the average of the maximum total weight authorised of all his aircraft of that type so indicated to Eurocontrol.
- (8) For the purposes of this paragraph the rate of exchange of the euro to a national currency shall be the average monthly rate of exchange of the euro to that national currency established by Eurocontrol for the month preceding the month during which the flight takes place.

Exempt Flights

8. This Specification shall not apply to the following flights
- flights by military aircraft;
 - flights made for the purposes of search and rescue operations;
 - flights by aircraft of which the maximum total weight authorised is 5700kg or less made entirely in accordance with the Visual Flight Rules in the Rules of the Air Regulations 1996(d);

EXPLANATORY NOTE

(This note is not part of the Specification)

This Specification revokes and replaces the Civil Aviation Authority (Eurocontrol Charges) Specification 2003 as amended. The Secretary of State for Transport, in pursuance of tariffs approved under the Eurocontrol Convention (Cmnd. 8662) and under the Multilateral Agreement relating to Route Charges concluded at Brussels on 12th February 1981 (Cmnd. 8662) (being international agreements to which the United Kingdom is a party) has determined rates of charges, as specified in the Specification, payable to Eurocontrol in respect of chargeable air services provided for aircraft. The unit rates in euros set out in the Schedule are calculated by reference to the costs of provision of en-route navigation services in the participating countries in the Eurocontrol charges system, the amount of traffic using each country's airspace and the relationship of each country's currency to the euro over a period agreed by Ministers of the participating countries. The interaction of these elements varies in each country. In calculating the revised charges the average of the exchange rates between the euro and the currencies of the participating countries obtaining in the month of September 2003 have been used.

The interest rate payable is reduced from 8.43% to 7.32% (paragraph 6(4)).

The United Kingdom Air Pilot and the Foreign Aeronautical Information publications referred to in the Specification can be purchased from Documedia Solutions Limited, 37 Windsor Street, Cheltenham, Glos GL52 2DG and can be inspected at major aerodromes in the United Kingdom. The office of Eurocontrol is at Rue de la Fusée, 96 B-1130, Brussels.

Trust Deeds

Bankruptcy (Scotland) Act 1985: Schedule 5, Paragraph 5(3)
Notice by Trustee Under a Trust Deed for the Benefit of Creditors
Trust Deed for Creditors by

ISABEL AITCHISON

A trust deed has been granted by Isabel Aitchison, 96/5 Gorgie Road, Edinburgh, EH11 2NP on 10th December 2003 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985) her estate to me, Matthew P Henderson, Grant Thornton, Chartered Accountants, 1/4 Atholl Crescent, Edinburgh EH3 8LQ, as Trustee for the benefit of her creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

Bankruptcy (Scotland) Act 1985: Schedule 5, Paragraph 5(3)
Notice of Trust Deed for the Benefit of Creditors of

DAVID ANGUS

A Trust Deed has been granted by David Angus, 44 Morar Crescent, Coatbridge, ML5 2JH on 10th December 2003 conveying [to the extent specified in Section 5(4a) of the Bankruptcy (Scotland) Act (1985)] his Estate to me, Annette Menzies, French Duncan, Chartered Accountants, 375 West George Street, Glasgow, G2 4LW as Trustee for the benefit of his creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

Trust Deed for Creditors by

GARRY LEASK

A Trust Deed has been granted by Garry Leask, residing at 4 Norstane, Lerwick, Shetland, ZE1 0QG on 24th November 2003 conveying (to the extent specified in Section 4(4A) of the Bankruptcy (Scotland) Act 1985) his estate to me John H Ferris, C.A., Ferris Associates, 12 Edison House, Fullerton Road, Glenrothes, Fife, KY7 5QR, as Trustee for the benefit of his creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

A Trust Deed has been granted by Maxine Togneri, residing at 29 Doura Place, Irvine, Ayrshire on 12th December 2003 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985) her estate to me Irene Harbottle, W. D. Robb & Co., Scott House, 12/16 South Frederick Street, Glasgow G1 1HJ as Trustee for the benefit of her creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less

than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.
