Scotland General Import Licence No: 2005/01 (As Amended 25 May 2005)

Scotland General Import Licence No: 2005/01 (As Amended 25 May 2005)

CONDITIONS

All landings of cattle shall be in accordance with the provisions of the Importation of Animals Order 1977, the requirements of the Welfare of Animals (Transport) Order 1997, the Cattle Identification Regulations 1998 and with the following provisions of this licence.

IDENTIFICATION

Each animal must bear an identification tag in each ear and be accompanied by EITHER a passport according to EC Regulation 820/97 OR by official documentation confirming the following details:

- the official identification code of the ear tag marks;
- the date of birth;
- the date of birth of its dam and its status with regard to survival 6 months after the date of birth of the animal;
- identification code (the ear tag marks) of the dam;
- the sex, breed and colour of coat;
- the official identification number issued by the competent veterinary authority to the holding of birth;
- the movement history of the animals since birth i.e. official identification numbers issued by the competent veterinary authority to all holdings where the animal has resided since birth and the dates of movements from each holding.

VETERINARY HEALTH CERTIFICATION

Each consignment of cattle must be accompanied by a health certificate signed by an authorised veterinary inspector of the Department of Agriculture and Rural Development, Northern Ireland identifying the name and addresses of consignor and consignee, the addresses of the premises of origin and destination, giving the description, ear number, sex, date of birth and category of each animal to which it relates, stating that:

Animals for Breeding

The cattle originate from herds which are Officially Brucellosis Free; Officially Tuberculosis Free and Leukosis Free in accordance with Council Directive 64/432/EEC (as amended) and are not animals required to be slaughtered under a programme to control or eradicate an infectious or contagious disease;

During the 30 days immediately prior to export of cattle aged 42 days or more, have passed a comparative intradermal tuberculin test carried out in accordance with the provisions of Annex B of Directive 64/432/EEC (as amended);

Scotland General Import Licence No: 2005/01 (As Amended 25 May 2005)

Scotland General Import Licence No: 2005/01 (As Amended 25 May 2005)

During the 30 days immediately prior to export of cattle aged 12 months or more, were subject to the serum agglutination test for Brucellosis (**B.abortus antigen**) with negative results (negative is a Titre of less than 30 iu/ml);

The cattle were examined by the certifying veterinarian at the time of shipment to Great Britain and showed no evidence of infectious or contagious disease, including warble fly, and were fit to travel.

The veterinary inspector has received a declaration signed by the exporter stating that the animals have been resident on the holding of origin for at least 30 days prior to transport.

Animals for Production

The cattle originate from herds which are Officially Brucellosis Free; Officially Tuberculosis Free and Leukosis Free in accordance with Council Directive 64/432 EEC (as amended) and are not animals required to be slaughtered under a programme to control or eradicate an infectious or contagious disease;

The cattle were examined by the certifying veterinarian at the time of shipment to Great Britain and showed no evidence of infectious or contagious disease, including warble fly, and were fit to travel; During the 30 days immediately prior to export all cattle aged 42 days or more, have, passed a comparative intradermal tuberculin test carried out in accordance with the provisions of Annex B of Directive 64/432/EEC (as amended) and during the 30 days immediately prior to export of cattle of 12 months of age or more, were, other than steers (castrates), subject to the serum agglutination test for Brucellosis (**B.abortus** antigen) with negative results (negative is a Titre of less than 30 *iu/ml*); Cattle consigned for production **must** have no more than 4 permanent incisors erupted **and** be accompanied by a Cattle Passport or by a document issued by the Department of Agriculture and Rural Development, Northern Ireland stating that the animals are no more than 2 years and 6 months old and confirming the details referred to at condition 1 above.

The veterinary inspector has received a declaration signed by the exporter stating that the animals have been resident on the holding of origin for at least 30 days prior to transport.

Animals for Slaughter

The cattle originate from herds which are Officially Brucellosis Free; Officially Tuberculosis Free and Leukosis Free in accordance with Council Directive 64/432/EEC (as amended) and are not animals required to be slaughtered under a programme to control or eradicate an infectious or contagious disease.

The cattle were examined by the certifying veterinarian at the time of shipment to Great Britain and showed no evidence of infectious or contagious disease, including warble fly, and were fit to travel;

Scotland General Import Licence No: 2005/01 (As Amended 25 May 2005)

Cattle consigned for slaughter for human consumption **must** have no more than 4 permanent incisors erupted and be accompanied by a Cattle Passport or by a document issued by the Department of Agriculture and Rural Development, Northern Ireland stating that the animals are no more than 2 years and 6 months old. These cattle may only be consigned directly to an abattoir where they must be slaughtered within 72 hours of arrival.

Cattle for slaughter identified as over 2 years and 6 months old on a cattle passport or a document issued by the Department of Agriculture and Rural Development, Northern Ireland may only be consigned directly to an abattoir participating in the Over 30 Months Scheme where they must be slaughtered within 72 hours of arrival.

REQUIREMENTS FOR ALL CATEGORIES OF ANIMAL

After consignment from the premises of origin, the cattle must be kept separate from animals not similarly certified.

Shipment must be direct from Northern Ireland to Great Britain. The importer shall give to the local DVM responsible for the area of destination, in writing, at least 24 hours advance notification of the expected time of arrival of each consignment.

A Route Plan must be provided to the DVM and if approved, the animals may, having landed at the port, be taken to their final destination, as specified on the health certificate, by a direct route without unloading at a Reception Centre near the port but having due regard for the rest and the welfare of the animals.

In the event of the consignment being delayed or postponed, the DVM must be advised immediately.

Health certification must accompany each consignment to its final destination and be retained there for a minimum period of 12 months for presentation to an inspector on request.

The importer or other appropriate person in charge of cattle moved under this licence shall comply with any requirement by an officer of the Scottish Ministers to detain and restrain the cattle for the purpose of carrying out sampling for testing to determine the presence of the disease.

Vehicles being used to transport the animals must be cleansed and disinfected with approved disinfectant both prior to landing and as soon as possible after unloading before carriage of other animals (unless the same consignment is reloaded after a stop for welfare purposes).

Nothing in this licence gives exemption from any requirement, prohibition or restriction imposed by the Fresh Meat (Beef Controls) (No 2) Regulations 1996 (as amended).

This licence is valid for imports from the date of issue until varied or revoked by the Scottish Ministers.

Scottish General Import Licence No L99/3 dated 30 November 1999 is hereby revoked.

Scotland General Import Licence No: 2005/02

Scotland General Import Licence No: 2005/02

CONDITIONS

1.Shipment must be direct from Northern Ireland to Scotland.

2.Each consignment must be accompanied by an original export health certificate in accordance with the conditions set out in this licence. The certificate must identify the holding of origin of each pig in accordance with Directive 92/102/EEC.

The certificate must be signed by an Official Veterinarian of the Department of Agriculture and Rural Development (DARD) Northern Ireland and must contain a description of the animals, giving for each pig the breed, age, sex, herd mark and unique individual mark and stating that :-

(a)each pig bears a number unique to each individual;

(b)the animals were subjected to a clinical inspection by an official veterinarian within 24 hours of loading, showed no clinical signs of disease and were fit to travel;

(c)the pigs are not animals which are to be destroyed under a programme to control or eradicate contagious or infectious disease;

(d)a declaration was received from the exporter stating that the pigs will be moved from their premises of origin/the assembly centre directly to the destination named in the accompanying health certification, in containers/road/rail vehicles which had been thoroughly cleansed and disinfected beforehand with a disinfectant approved for the purpose by DARD, and while in transit will not come into contact with animals not similarly certified.

(e)With regard to the holding of origin of the pigs :-

(i)no clinical, pathological or serological evidence of Aujeszky's disease has been recorded in the previous 12 months in the holding in question;

(ii)no clinical, pathological or serological evidence of Aujeszky's disease has been recorded in the previous 12

months in the holdings located in an area of 5km surrounding the holding of origin of the pigs; however, this provision shall not apply if, in these latter holdings, disease monitoring and eradication measures have been regularly applied under the supervision DARD and in accordance with an eradication plan fulfilling the criteria laid down in Article 9(1) of Directive 64/432/EEC, and these measures have effectively prevented any spread of disease to the holding in question;

(iii) vaccination against Aujeszky's disease has not been carried out for at least 12 months;

(iv) the pigs have been subjected on at least 2 occasions, at least 4 months apart, to a serological survey for the presence of ADV-gE or ADV-gB or ADV-gD antibody or to the whole Aujeszky's disease virus. This survey must have shown the absence of Aujeszky's disease and that vaccinated pigs have been free from gE antibodies;

Scotland General Import Licence No: 2005/02

Scotland General Import Licence No: 2005/02

(v) no pigs have been introduced from holdings of a lower health status as regards Aujeszky's disease in the previous 12 months, unless they have been tested for Aujeszky's disease with negative results;

(f) the pigs to be moved :-

(i) have not been vaccinated against Aujeszky's disease

(ii) have been kept isolated in accommodation approved by DARD, during the 30 days prior to movement, and in such a way that any risk of spreading Aujeszky's disease to these pigs is prevented;

(iii) must have lived in the holding of origin or in a holding of equivalent status since birth, and have remained in the holding of origin for at least :-

-30 days, in the case of pigs intended for **production**;

-90 days, in the case of pigs intended for **breeding**;

(iv) have given negative results to at least 2 serological tests (using an ELISA test in accordance with the standard of Annex II of Commission Decision 93/24/EEC) for ADV-gB or ADV-gD or the whole Aujeszky's disease virus, at an interval of at least 30 days between each test. However, in the case of pigs less than 4 months old, the serological test for ADV-gE may also be used. Sampling for the last test must be performed within 15 days prior to shipment. The number of pigs tested in the isolation unit must be sufficient to detect :-

-2% seroprevalence with 95% confidence in the isolation unit in the case of pigs intended for **production**;

-0.1% seroprevalence with 95% confidence in the isolation unit in the case of pigs intended for **breeding**;

However, the first of the 2 tests shall not be necessary if :-

-in the framework of an eradication plan fulfilling the criteria laid down in Article 9(1) of Directive 64/432/EEC, a serological survey has been carried out in the holding of origin between 45 and 17 days prior to shipment, demonstrating the absence of Aujeszky's disease antibodies and that vaccinated pigs have been free from gE antibodies;

-the pigs to be moved have lived in the holding of origin since birth;

-no pigs have moved on to holding of origin while the pigs to be moved have been kept in isolation.

3. When the pigs are transported they must not come into contact with pigs of different or unknown status, as regards Aujeszky's disease, during transport or transit.

Scotland General Import Licence No: 2005/02

Scotland General Import Licence No: 2005/02

4. A message in the format laid down by Council Directive 90/425/EEC must be sent electronically on the day of signing from the veterinary unit of DARD of the premises of origin to the DVM of local Animal Health Office responsible for the destination premises in Scotland.

5. Importers must ensure that the Divisional Veterinary Manager responsible for the area in which the destination premises is situated, is notified of the proposed import at least 24 hours before the expected time of arrival.

6. In the event of the consignment being delayed or postponed the importer must advise the Animal Health Divisional Veterinary Manager.

7. The importer shall ensure that, after arrival of the imported pigs, the animals are made available for post import check testing if required, and in any event, pigs under 4 months of age on import must be tested using the whole virus ELISA test for Aujeszky's disease after they reach the age of 4 months and before they reach the age of 5 months.

BEATRICE WIND FARM REPORT PUBLISHED

A major scoping report into the potential environmental, socio-economic and visual impacts of the proposed £24 million Beatrice Wind Farm Demonstrator Project planned for the Moray Firth has been published.

All stakeholders in the Moray Firth including members of the public, special interest and community groups and NGOs who wish to comment on it, suggest additional issues that may need to be considered and highlight any other concerns may download copies of the Scoping report from the dedicated website www.beatricewind.co.uk. Alternatively electronic or hard copies can be obtained by writing to The Environment Manager, Talisman Energy (UK) Limited, Talisman House, 163 Holborn Street, Aberdeen AB10 6BZ.

Publication of the report is part of a year long consultation programme before conducting and submitting the statutory environmental assessment that is required seeking consent to develop the demonstrator project.

The demonstrator project proposes the installation of two 5-MW turbines located on the seabed about 1.6km and 2.3km SE of the Beatrice A complex linked to the Beatrice AP platform by subsea cable. Power generated by the turbines would be used to offset electricity currently imported to Beatrice from the national grid.

Lasting for approximately five years, the demonstrator project would be used to examine the feasibility and benefits of creating commercial offshore deepwater windfarms which currently require significant technological advances to make commercially viable. The demonstrator project is made possible by £3 million in funding from each of the Scottish Executive and the UK Department of Trade and Industry. The European commission is contributing £4 million and Talisman and its co-venturer Scottish and Southern Energy will each contribute over £7 million.

Trust Deed for Creditors by

MAX GRANT STEWART ANDERSON

A Trust Deed has been granted by Max Grant Stewart Anderson, residing at Seafield, Broadgait, Gullane, East Lothian EH31 2DJ, on 12 April 2005, conveying (to the extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) his estate to me, John Michael Hall, of Haines Watts, Chartered Accountants, 9 Coates Crescent, Edinburgh EH3 7AL, as Trustee for the benefit of his Creditors generally.

If a Creditor wishes to object to the Trust Deed for the purposes of preventing it becoming a protected Trust Deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this notice in *The Edinburgh Gazette*.

Notes: The Trust Deed will become a protected Trust Deed unless within the period of 5 weeks of the date of publication of this notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the Creditors notify the Trustee in writing that they object to the Trust Deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the Trust Deed. Briefly, this has the effect of restricting the rights of non-acceding Creditors to do diligence (ie to enforce court decrees for unpaid debts) against the Debtor and confers certain protection upon the Trust Deed from being superseded by the sequestration of the Debtor's estate.

If a Creditor wishes to object to the Trust Deed for the purposes of preventing it becoming a protected Trust Deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this notice in *The Edinburgh Gazette*.

Notes: The Trust Deed will become a protected Trust Deed unless within the period of 5 weeks of the date of publication of this notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the Creditors notify the Trustee in writing that they object to the Trust Deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the Trust Deed. Briefly, this has the effect of restricting the rights of non-acceding Creditors to do diligence (ie to enforce court decrees for unpaid debts) against the Debtor and confers certain protection upon the Trust Deed from being superseded by the sequestration of the Debtor's estate.

A Trust Deed has been granted by David Lewis, residing at 49 Station Road, Carlisle ML8 5AD, on 25 May 2005, conveying (to the extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) his estate to me, Michael D Sheppard, CA, Wylie & Bisset, 168 Bath Street, Glasgow G2 4TP, as Trustee for the benefit of his Creditors generally. If a Creditor wishes to object to the Trust Deed for the purposes of preventing it becoming a protected Trust Deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this notice in *The Edinburgh Gazette*.

Notes: The Trust Deed will become a protected Trust Deed unless, within the period of 5 weeks from the date of publication of this notice in *The Edinburgh Gazette*, a majority in number or not less than one third in value of the Creditors notify the Trustee in writing that they object to the Trust Deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the Trust Deed. Briefly, this has the effect of restricting the rights of non-acceding Creditors to do diligence (ie to enforce court decrees for unpaid debts) against the Debtor and confers certain protection upon the Trust Deed from being superseded by the sequestration of the Debtor's estate.

A Trust Deed has been granted by Mhairi Rankin, residing at 141 Gold Street, Ayr, Ayrshire KA8 9PE, on 24 May 2005, conveying (to the extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) her estate to me, Peter C Dean, Personal & Corporate Development Limited, 135 Buchanan Street, Glasgow G1 2JA, as Trustee for the benefit of her Creditors generally.

If a Creditor wishes to object to the Trust Deed for the purposes of preventing it becoming a Protected Trust Deed (see notes below on the objections required for that purpose) notification of such objections must be delivered in writing to the Trustee within 5 weeks from the date of publication of this notice in *The Edinburgh Gazette*.

Notes: The Trust Deed will become a Protected Trust Deed unless within the period of 5 weeks of the date of publication of this notice in *The Edinburgh Gazette*, a majority in number or not less than one third in value of the Creditors, notify the Trustee in writing that they object to the Trust Deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the Trust Deed. Briefly, this has the effect of restricting the rights of non-acceding Creditors to do diligence (ie to enforce court decrees for unpaid debts) against the Debtor and confers certain protection upon the Trust Deed from being superseded by the sequestration of the Debtor's estate.

Peter C Dean, Trustee
Personal & Corporate Development Ltd, 135 Buchanan Street,
