NOTICE OF CORE PATH ORDER

**THE MORAY COUNCIL (IW06 “JUBILEE PATH”, DUFFTOWN)
CORE PATH DIVERSION ORDER 2013**

NOTICE IS HEREBY GIVEN that The Moray Council has made “The Moray Council (IW06 “Jubilee Path”, Dufftown) Core Path Diversion Order 2013” under the Town and Country Planning (Scotland) Order 1997.

The effect of this Order will be to divert the line of part of the core path known as Jubilee Path, to ensure efficient use of the land and to provide a more convenient line for the core path as specified in the Schedule to this Order.

The Core Path Diversion Order has been made in accordance with the decision of the Planning Application Committee on 9th October 2012 having considered that the section of the core path specified in the Schedule to this Order requires to be diverted in order to ensure the efficient use of the land and a more convenient route for the public.

This Order is as specified in the Edinburgh Gazette and the Northern Scot on 3rd May 2013.

A copy of the Order is available for inspection during normal office hours at the Access Point, The Moray Council, Council Office, Greyfriars Street, Elgin without charge from Monday to Friday inclusive. Copies of the Order have also been made available for inspection at the Dufftown Branch Library, 26 Balvenie Street, Dufftown, Keith Banffshire, AB55 4QB and Aberlour Library, 94 High Street, Aberlour, AB38 9QA.

Any person who wishes to question the validity of the Order on the ground that it is not within the powers of the Act or that any of the relevant requirements arising from the Act are not being complied with in relation to the Order made, may within the six week period commencing on 3rd May 2013 apply to the Court of Session for this purpose.

DEPARTMENT OF ENERGY & CLIMATE CHANGE

THE OFFSHORE PETROLEUM PRODUCTION AND PIPE-LINES (ASSESSMENT OF ENVIRONMENTAL EFFECTS) REGULATIONS 1999 (AS AMENDED)

Pursuant to Regulations 5(8) and 5(A) of the above Regulations, the Secretary of State hereby gives notice that, being content that the requirements of the above Regulations have been satisfied, consent under the Petroleum Act 1998 has been granted to the operator(s) listed below to the getting of petroleum, the drilling of a well or the construction of installations or pipelines.

DECC Ref	Operator	Project Name	Quad/ Block	Environmental Statement Received	Approval Issued
D/4154/2013	Apache	Tonto	21/10	09/01/2013	18/04/2013

Having regard to the environmental statement prepared in respect of a project under the above Regulations, and the representations and opinions received from third parties, those consulted, the Secretary of State has assessed the project and determined that consent should be granted under the Petroleum Act 1998, subject to the project being undertaken in accordance with the information contained in the environmental statement and/or any supplementary information submitted in support of that environmental statement.

Details relating to the content of a decision, and any attached conditions; the main reasons and considerations on which the decision is based; any representations or opinions received from third parties and how they were taken into account; and, where necessary, any measures required to mitigate adverse effects on the environment, can be obtained by contacting the Environmental Management Team, DECC EDU-OED,

Atholl House, 86-88 Guild Street, Aberdeen AB11 6AR (e-mail emt@decc.gsi.gov.uk). Additional information can also be found on the DECC Oil and Gas Directorate website at <https://www.og.decc.gov.uk/environment/arp.htm>.

Any person aggrieved by the grant of a consent, or the imposition of a relevant requirement in respect of the project, on the grounds that the consent was granted in contravention of Regulation 5(4) of the above Regulations, or that the interests of the applicant have been substantially prejudiced by any failure to comply with any other requirement of the Regulations, may apply to the Courts for the approval or the imposition of the requirement to be quashed, but they must do so within **six weeks** of this notice. Registry Department, SEPA, Inverdee House, Baxter Street, Aberdeen, AB11 9QA

Written representations received by SEPA within 28 days of this advertisement will be taken into consideration in determining whether or not to grant the application.

Before determining the application, SEPA will:

- assess the risk to the water environment posed by the carrying on of the activity or activities;
- assess the indirect effects of that impact on any other aspects of the environment likely to be significantly affected;
- consider any likely adverse social and economic effects of that impact and of any indirect environmental effects that have been identified;
- consider the likely environmental, social and economic benefits of the activity;
- assess the impact of the controlled activity or activities on the interests of other users of the water environment;
- assess what steps may be taken to ensure efficient and sustainable water use; and
- apply and have regard to relevant legislation.

SEPA will then either grant or refuse to grant the application.

The application contains a description of any foreseeable significant effects of emissions from the installation on the environment and on human health.

The application may be inspected, free of charge, at SEPA, Clearwater House, Heriot Watt Research Park, Avenue North, Riccarton, EH14 4AP from Monday to Friday between 9:30am and 4:30pm. Please quote reference number PPC/A/1111635.

Please note that the application contains details of:—

- the applicant and the site;
- the activities carried out;
- the installation and any directly associated activities;
- the condition of the land (a site report);
- the reasons for proposing equivalent emission limit values;
- the raw and auxiliary materials, other substances and energy to be used, or generated;
- the nature, quantities and source of foreseeable emissions from the installation;
- the techniques for preventing, reducing and rendering harmless emissions from the installation;
- how the best available techniques are applied to the operation of the installation;
- the proposed measures to be taken to monitor emissions;
- the measures to be taken to minimise waste production and recover wastes produced;
- any additional measures to ensure that no significant pollution is caused;
- an environmental impact assessment;
- an outline of the main activities, if any have been studied;
- a non-technical summary of the information referred to above; and
- other information which the applicant may wish SEPA to take into account.

Written representation concerning this application may be made to SEPA at the above address, or via the following email address: registryedinburgh@sepa.org.uk and if received within 28 days of this Notice, will be taken into consideration in determining the application. Any such representations made by any person will be entered in a Public Register, unless that person requests in writing that they should not be entered. Where such a request is made, a statement will be

included in the register indicating that representations have been made that have been the subject of such a request. This notice was published on Friday 3rd May 2013. (35)

Marine Harvest (Scotland) Limited

WATER ENVIRONMENT AND WATER SERVICES (SCOTLAND) ACT 2003

WATER ENVIRONMENT (CONTROLLED ACTIVITIES) (SCOTLAND) REGULATIONS 2011

APPLICATION FOR AUTHORISATION

COLONSAY MARINE CAGE FISH FARM

An application has been made to the Scottish Environment Protection Agency (SEPA) by Marine Harvest (Scotland) Limited for authorisation to carry on a controlled activity at, near or in connection with the Sea of the Hebrides, Isle of Colonsay, namely:

<i>Description of Controlled Activity</i>	<i>Waters Affected</i>	<i>National Grid Reference</i>
Discharge of trade effluent from marine cage fish farming of Atlantic salmon with a maximum standing biomass of 2500 tonnes including residues arising from medicines and sea lice treatments.	Sea of the Hebrides	NR 43487 96544

SEPA considers that the above controlled activity may have an impact on the water environment and on the interests of other users of the water environment.

A copy of the application and any accompanying information may be inspected free of charge, at the SEPA Registry below, between 9.30 a.m. and 4.30 p.m. Monday to Friday (except local and national holidays) and by prior arrangement at 2 Smithy Lane, Lochgilphead, Argyll, PA31 8TA, telephone 01546 602 876. Alternatively, the application may be viewed on SEPA's website at: www.sepa.org.uk/water/water_regulation/advertised_applications.aspx

Any person affected or likely to be affected by, or having an interest in, the applications may make representations to SEPA in writing within 28 days beginning with the date of this advertisement, at the following address, quoting licence number: CAR/L/1110925:

Registry Department, SEPA Dingwall Office, Graesser House, Fodderty Way, Dingwall, IV15 9XB

Written representations received by SEPA within 28 days of this advertisement will be taken into consideration in determining whether or not to grant the applications.

Before determining the applications, SEPA will:

- assess the risk to the water environment posed by the carrying on of the activity or activities;
- assess the indirect effects of that impact on any other aspects of the environment likely to be significantly affected;
- consider any likely adverse social and economic effects of that impact and of any indirect environmental effects that have been identified;
- consider the likely environmental, social and economic benefits of the activity;
- assess the impact of the controlled activity or activities on the interests of other users of the water environment;
- assess what steps may be taken to ensure efficient and sustainable water use; and
- apply and have regard to relevant legislation.

SEPA will then either grant or refuse to grant the application. (36)

Representations should be dated and should clearly state the name (in block capitals) and full return email and postal address of those making representations. Only representations sent by email to the address stipulated will receive acknowledgement.

When initial comments from statutory consultees are received further public notices will give advice on how this information may be viewed by members of the public, and how representations may be made to Scottish Ministers. During the consideration of the proposal, Scottish Ministers may formally request further information to supplement the Environmental Statement and this will also be advertised in such a manner.

As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a Public Local Inquiry (PLI) to be held.

Following receipt of all views and representations, Scottish Ministers will determine the application for consent in one of two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal

Other Notices**SECTION 48, PLANNING ACT 2008****REGULATION 4, THE INFRASTRUCTURE PLANNING (APPLICATIONS: PRESCRIBED FORMS AND PROCEDURE) REGULATIONS 2009****NOTICE PUBLICISING A PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT ORDER (DCO) TO CONSTRUCT AND OPERATE OFFSHORE WIND FARMS (PROJECT ONE) AT HORNSEA OFFSHORE WIND FARM ZONE**

1. Notice is hereby given that Heron Wind Limited, Njord Limited, both of 11th Floor, 140 London Wall, London, EC2Y 5DN, and a third entity, currently referred to as "SPV3 Limited", which is still to be incorporated and will have the same address (hereafter for their respective rights, interests and undertakings referred to as "the Applicant") intend to apply to the Secretary of State for a Development Consent Order (DCO) under section 37 of the Planning Act 2008 for the construction and operation of up to three offshore wind farms, with a combined generating capacity of up to 1.2 gigawatts, and associated development to connect the wind farms to the national grid ("Project One").

2. Each of the offshore wind farms will exceed 100MW and will be nationally significant infrastructure projects in their own right, though they will be authorised by a single DCO. The DCO will include various powers enabling the transfer of the benefit of the Order between the three named undertakers. It is possible that this approach may be simplified before the application is submitted and that the application will be made, for the full 1.2 gigawatts and all associated development, in the name of Heron Limited or Heron Limited and Njord Limited. The documents referred to at paragraph 7 below explain and seek comment on these matters.

3. The application for development consent for Project One has been compiled and consulted on by SMart Wind Limited on behalf of the Applicant.

4. The offshore wind turbines will be located in an area of the Hornsea Round 3 Zone known as Subzone 1. Subzone 1 is located in the centre of the Hornsea Zone and has a total area of 407 km². The western boundary of Subzone 1 lies 103 km from the coast of the East Riding of Yorkshire and the eastern boundary is 43.6 km from the median line between UK and Dutch waters.

5. The proposed DCO will, among other things, license and authorise:

5.1 the construction and operation of up to 332 offshore wind turbines, depending on the individual capacity of each turbine, with a tip height up to 200 metres above mean high water springs, and their foundations;

5.2 the construction of up to five offshore collector substations, up to two offshore converter stations, up to two offshore accommodation platforms and one offshore reactive compensation substation and their foundations;

5.3 the construction of a network of subsea electrical circuits connecting the wind turbines, offshore collector substations, offshore converter stations and offshore accommodation platforms;

5.4 the construction of a marine connection to the shore, the mode of transmission of which may be high voltage alternating current or high voltage direct current, running in a south-westerly direction from the southern boundary of Subzone 1 to the proposed landfall at Horseshoe Point in Lincolnshire, including cable and pipeline crossing works, consisting of up to four subsea electrical circuits which may connect with the offshore reactive compensation substation;

5.5 the construction of a foreshore connection consisting of an extension of the electrical circuits comprising the marine connection to the shore, crossing under existing sea wall and terminating at the electrical circuit transition joint bays;

5.6 the construction of up to four underground electrical circuit transition joint bays in the vicinity of Horseshoe Point in the parish of North Coates in the county of Lincolnshire, housing the connections between the offshore and the onshore electrical circuits;

5.7 the construction of up to four underground transmission electrical circuits, running in a north-westerly direction for approximately 40 km, connecting the underground electrical circuit transition joint bays in the vicinity of Horseshoe Point to the electrical transmission substation.

5.8 the construction of an electrical transmission substation in the vicinity of North Killingholme;

5.9 the construction of a connection consisting of up to two underground electrical circuits between the electrical transmission substation and the North Killingholme National Grid substation, including a connection within the National Grid substation;

5.10 improvements to the verge, highway and private access road running from Chase Hill Road between the junction with Haven Road in the east and Eastfield Road in the west;

5.11 the creation of temporary landing places, moorings or other means of accommodating vessels in the construction and/or maintenance of the authorised development;

5.12 scour protection around the foundations of the offshore structures;

5.13 cable protection measures such as rock placement and the placement of concrete mattresses and frond mattresses;

5.14 the disposal of seabed sediment dredged during the installation of the foundations of the offshore structures;

5.15 works to alter the position of apparatus, including mains, sewers, drains and cables;

5.16 works to alter the course of, or otherwise interfere with, non-navigable rivers, streams or watercourses;

5.17 landscaping and other works to mitigate any adverse effects of the construction, maintenance or operation of the authorised project;

5.18 works for the benefit or protection of land affected by the authorised project;

5.19 working sites in connection with the construction of the authorised project;

5.20 works to secure means of access;

5.21 works to construct surface water drainage systems;

5.22 the construction of jointing pits (including link boxes) along the underground transmission electrical circuits connecting the underground electrical circuit transition joint bays to the electrical transmission substation;

5.23 in relation to the connection between the electrical transmission substation and the North Killingholme National Grid substation, the construction of private roads and hardstanding for parking;

5.24 the construction of a temporary haul road and temporary access track, both alongside and used for the purpose of constructing the underground transmission electrical circuits connecting the underground electrical circuit transition pits to the electrical transmission substation;

5.25 such other works and apparatus, plant and machinery of whatever nature as may be necessary or expedient for the purposes of or in connection with the construction of the authorised project;

5.26 the temporary stopping up, alteration or diversion of any street;

5.27 the permanent and/or temporary compulsory acquisition of land and/or rights for Project One;

5.28 the application and/or disapplication of legislation relevant to Project One including inter alia provisions of the Water Resources Act 1991, the Land Drainage Act 1991 and legislation relating to compulsory purchase.

6. The proposed application is "EIA development" for the purposes of The Infrastructure Planning (Environmental Impact Assessment) Regulations 2009. This means that the proposed works constitute development for which an Environmental Impact Assessment is required and the proposed application for a DCO will therefore be accompanied by an Environmental Statement (ES).

7. Documents, plans and maps showing the nature, location and route of Project One and including a Draft Environmental Statement (forming part of the preliminary environmental information for Project One), will be available for viewing free of charge during Phase 4 Consultation from 3 May 2013 until 7 June 2013 at the places and times set out below:

Notice of Trust Deed for the Benefit of Creditors by

DONNA ARMIT

A Trust Deed has been granted by Donna Armit, 39 Niddry View, Winchburgh, Broxburn EH52 6RR, on 18 April 2013, conveying (to the extent specified in section 5(4A) in the Bankruptcy (Scotland) Act 1985) her estate to me, Brendan P Hogan, National House, 80-82 Wellington Road North, Stockport SK4 1HW, as Trustee for the benefit of her Creditors generally.

If a Creditor wishes to object to the Trust Deed for the purposes of preventing it becoming a Protected Trust Deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of the publication of this notice in *The Edinburgh Gazette*.

Notes: The Trust Deed may become a Protected Trust Deed unless within the period of 5 weeks of the date of publication of this notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the Creditors notify the Trustee in writing that they object to the Trust Deed and do not wish to accede to them.

Briefly, this has the effect of restricting the rights of non-acceding Creditors to do diligence (ie to enforce court decrees for unpaid debts) against the Debtor and confers certain protection upon the Trust Deed from being superseded by the sequestration of the Debtor's estate.

MARY BULLOCH

A Trust Deed has been granted by Mary Bulloch, 10 St. Joseph's Place, Glasgow G21 2LD, on 26 April 2013, conveying (to the extent specified in section 5(4A) in the Bankruptcy (Scotland) Act 1985) her estate to me, Dean Smith, Knightsbridge Insolvency., Thornley House, Carrington Business Park, Carrington, Manchester, M31 4DD, as Trustee for the benefit of her Creditors generally.

If a Creditor wishes to object to the Trust Deed for the purposes of preventing it becoming a Protected Trust Deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of the publication of this notice in *The Edinburgh Gazette*.

Notes: The Trust Deed may become a Protected Trust Deed unless within the period of 5 weeks of the date of publication of this notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the Creditors notify the Trustee in writing that they object to the Trust Deed and do not wish to accede to them.

Briefly, this has the effect of restricting the rights of non-acceding Creditors to do diligence (ie to enforce court decrees for unpaid debts) against the Debtor and confers certain protection upon the Trust Deed from being superseded by the sequestration of the Debtor's estate.

Dean Smith, Trustee

Notice of Trust Deed for the Benefit of Creditors by

STEPHEN LAWRENCE FEE

A Trust Deed has been granted by Stephen Lawrence Fee, 65 Cleland Place, East Kilbride, Glasgow, G74 3EN, previously at Flat 5, 21 Dunard Road, Glasgow, G73 3BY, on 22 April 2013, conveying (to the extent specified in section 5(4A) in the Bankruptcy (Scotland) Act 1985) his estate to me, David G E Brown, AG Taggart & Co Ltd, Garscadden House, 3 Dalsetter Crescent, Glasgow G15 8TG, as Trustee for the benefit of his Creditors generally.

If a Creditor wishes to object to the Trust Deed for the purposes of preventing it becoming a Protected Trust Deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of the publication of this notice in *The Edinburgh Gazette*.

Notes: The Trust Deed may become a Protected Trust Deed unless within the period of 5 weeks of the date of publication of this notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the Creditors notify the Trustee in writing that they object to the Trust Deed and do not wish to accede to them.

Briefly, this has the effect of restricting the rights of non-acceding Creditors to do diligence (ie to enforce court decrees for unpaid debts) against the Debtor and confers certain protection upon the Trust Deed from being superseded by the sequestration of the Debtor's estate.

BLAIDD JONES

A Trust Deed has been granted by Blaid Jones, 106 Camphill Road, Broughty Ferry, Dundee, Angus DD5 2ND, on 22 April 2013, conveying (to the extent specified in section 5(4A) in the Bankruptcy (Scotland) Act 1985) his estate to me, Tracy Hall, Wilson Andrews, Insolvency Practitioners, 5th Floor, 145 St Vincent Street, Glasgow G2 5JF, as Trustee for the benefit of his Creditors generally.

If a Creditor wishes to object to the Trust Deed for the purposes of preventing it becoming a Protected Trust Deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of the publication of this notice in *The Edinburgh Gazette*.

Notes: The Trust Deed may become a Protected Trust Deed unless within the period of 5 weeks of the date of publication of this notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the Creditors notify the Trustee in writing that they object to the Trust Deed and do not wish to accede to them.

Briefly, this has the effect of restricting the rights of non-acceding Creditors to do diligence (ie to enforce court decrees for unpaid debts) against the Debtor and confers certain protection upon the Trust Deed from being superseded by the sequestration of the Debtor's estate.

Tracy Hall, Trustee

Wilson Andrews, Insolvency Practitioners, 5th Floor, 145 St Vincent Street, Glasgow G2 5JF.

Protected Trust Deeds (Scotland) Regulations 2008, regulation 7
Notice of Trust Deed for the Benefit of Creditors by

JOHN SUTHERLAND MCGOFF

A Trust Deed has been granted by John Sutherland McGoff, residing at 36 Bargarron Drive, Paisley PA3 4LH on 30 April 2013 conveying (to the extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) his estate to me, Ian William Wright, of WRI Associates Ltd, Suite 5, Third Floor, Turnberry House, 175 West George Street, Glasgow G2 2LB, as Trustee for the benefit of his Creditors generally.

If a Creditor wishes to object to the Trust Deed for the purposes of preventing it becoming a Protected Trust Deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of the publication of this notice in *The Edinburgh Gazette*.

Notes: The Trust Deed may become a Protected Trust Deed unless within the period of 5 weeks of the date of publication of this notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the Creditors notify the Trustee in writing that they object to the Trust Deed and do not wish to accede to it.

Briefly, this has the effect of restricting the rights of non-acceding Creditors to do diligence (ie to enforce court decrees for unpaid debts) against the Debtor and confers certain protection upon the Trust Deed from being superseded by the sequestration of the Debtor's estate.

If a Creditor wishes to object to the Trust Deed for the purposes of preventing it becoming a Protected Trust Deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of the publication of this notice in *The Edinburgh Gazette*.

Notes: The Trust Deed may become a Protected Trust Deed unless within the period of 5 weeks of the date of publication of this notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the Creditors notify the Trustee in writing that they object to the Trust Deed and do not wish to accede to them.

Briefly, this has the effect of restricting the rights of non-acceding Creditors to do diligence (ie to enforce court decrees for unpaid debts) against the Debtor and confers certain protection upon the Trust Deed from being superseded by the sequestration of the Debtor's estate.

TERMS AND CONDITIONS RELATING TO SUBMISSION OF NOTICES

The Edinburgh Gazette is an Official Newspaper of Record. The Edinburgh Gazette publishes official, legal and regulatory notices pursuant to legislation and on behalf of the persons who are required by law to notify the public at large of certain information. For the avoidance of doubt all references to "Edinburgh Gazette" shall include supplements to the Edinburgh Gazette and all mediums which shall include the online version of the Edinburgh Gazette as well as the paper version.

The Edinburgh Gazette is published by the Publisher (defined below) under the authority and superintendence of the Controller of Her Majesty's Stationery Office and the Office of the Queen's Printer for Scotland.

Notices received for publication fall under the following broad headings:

State, Parliament, Ecclesiastical, Public Finance, Transport, Planning, Health, Environment, Water, Agriculture & Fisheries, Energy, Post & Telecom, Other Notices, Competition, Corporate Insolvency, Personal Insolvency, Companies & Financial Regulation, Partnerships, Societies Regulation and Personal Legal information. Further information can be found at www.gazettes-online.co.uk.

These terms and conditions ("Terms and Conditions") govern submission of Notices (as defined below) to the Edinburgh Gazette. By submitting Notices howsoever communicated, whether at the website www.gazettes-online.co.uk (the "Website") or to www.gazette-submission.co.uk, email, post and/or facsimile, the Advertiser (as defined below) agrees to be bound by these Terms and Conditions.

The Publisher reserves the right to modify these Terms and Conditions at any time. Such modifications shall be effective immediately upon publication of the modified Terms and Conditions. By submitting Notices to the Edinburgh Gazette after the Publisher has published notice of such modifications, the Advertiser agrees to be bound by the revised Terms and Conditions.

1 Definitions**1.1 In these Terms and Conditions:**

"Advertiser" means any company, firm or person who has made an application for and who has been allocated space in the Edinburgh Gazette, whether acting on their own account or as agent or representative of a principal;

"Charges" means the payment due for the acceptance of a Notice by the Publisher payable by the Advertiser as set out in the Authorised Scale of Charges which can be found in the printed copy or at www.gazettes-online.co.uk;

"Notice" means all advertisements and state, public or legal notices placed in the Edinburgh Gazette;

"Publisher" means The Stationery Office Limited.

1.2 the singular includes the plural and vice-versa; and**1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.**

2 By submitting a Notice to the Publisher, the Advertiser agrees to be bound by these Terms and Conditions which represent the entire terms agreed between the Publisher and Advertiser in relation to the publication of Notices. These Terms and Conditions shall govern and be incorporated into every Notice, and shall prevail over any terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Advertiser or implied by custom, practice or course of dealing, unless otherwise agreed in writing by the Publisher.

3 The Publisher shall make all reasonable efforts to verify the validity of any Notice submitted for publication.

4 The Publisher may edit the Notice, subject to the following restrictions:

4.1 the sense of the Notice submitted by the Advertiser must not be altered;

4.2 Notices shall be edited for house style only, not for content;

4.3 Notices can be edited to remove obvious duplications of information;

4.4 Notices can be edited to re-position material for style;

4.5 any additions or deletions required in order to include the minimum necessary information set out in any Notice guidelines shall be confirmed with the Advertiser; and

4.6 no amendments to the text (other than those made as a consequence of 4.1-4.5 above) shall be made without written confirmation from the Advertiser.

5 The Advertiser accepts that it submits a Notice entirely at its own risk and that the Publisher shall have discretion whether to accept a Notice for publication. The Advertiser must satisfy itself as to the legislative requirements relating to any Notice. Where the Publisher has accepted a Notice for publication, the Publisher shall have discretion to refuse to publish where the content of the Notice does not comply with legislative or procedural requirements (guidance on both is available from the Publisher). In such instances, the Publisher shall notify the Advertiser of the action required to remedy any deficiency and publication shall not take place until the Publisher is satisfied that such action has been taken by the Advertiser.

6 The Publisher (including affiliates, officers, directors, agents and employees) shall not be liable for any loss or damage including expenses or costs suffered by the Advertiser or any third party whether arising from the acts or omissions of the Publisher and/or the Advertiser and/or any third party made in connection with the Notice or otherwise except only that nothing in these Terms and Conditions shall limit or exclude the Publisher's

liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's negligence or the negligence of the Publisher's agents or employees.

7 For the avoidance of doubt, subject to clause 4 above, in no circumstances shall the Publisher be liable for any economic losses (including, without limitation, loss of revenues, profits, contracts, business or anticipated savings), any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for any error which, in the Publisher's reasonable opinion, causes a substantive change to the meaning of a Notice or would affect the legal efficacy of a Notice, upon notification of such error by the Advertiser, the Publisher shall publish the corrected Notice at no charge and at the next suitable opportunity and this shall be the limit of the Publishers liability or responsibility in these circumstances.

9 In the event that the Publisher believes an Advertiser is deliberately submitting Notices in bad faith and in breach of clause 10 below, or has dealings with Advertisers who are in persistent breach of these Terms and Conditions, the Publisher may require further verification of information to be provided by such Advertisers and may at its discretion delay publication of those Notices as far as it is able to, until it is satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in the Edinburgh Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of the Edinburgh Gazette.

11 The Advertiser warrants:

11.1 that it has the right, power and authority to submit the Notice;

11.2 the Notice is not false, inaccurate, misleading nor does it contain fraudulent information;

11.3 the Notice is submitted in good faith, does not contravene any Act of Parliament nor is it in any way illegal or defamatory or an infringement of any other party's rights or an infringement of the British Code of Advertising Practice.

12 To the extent permissible by law the Publisher excludes all implied warranties, conditions or other terms, whether implied by statute or otherwise.

13 The Advertiser agrees to indemnify and hold the Publisher and/or (as applicable) the Publisher's affiliates, officers, directors, agents and employees harmless from all losses incurred (including legal costs), in respect of any claim or demand, including threatened claims or demands, made by any third party which constitute, or would if proved constitute, a breach or threatened breach by the Advertiser of these Terms and Conditions or any breach by the Advertiser of any law or an infringement of the rights of a third party. The Publisher shall consult with the Advertiser as to the way in which such claims are handled but the Publisher retain the final decision on all aspects of the claim, including choice of instructing solicitors, steps taken in litigation and decisions to settle the case. The Advertiser shall provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request, including the provision of witnesses, access to premises and delivery up of documents.

14 The Advertiser shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Advertiser and/or the Publisher in relation to a Notice. The Publisher reserves the right, following a claim or threatened claim, to immediately remove the Notice which is the subject of the complaint from the website at www.gazettes-online.co.uk and all other websites controlled by the Publisher containing the Notice. The Publisher may require the Advertiser to amend the Notice at its own cost before it agrees to re-publish the Notice if it is capable of rectification to avoid the claim or threatened claim. Any reinstatement of the Notice shall be at the sole discretion of the Publisher.

15 The Advertiser acknowledges that the Publisher may re-use Notices and/or allow third parties to re-use Notices accepted for publication in the Edinburgh Gazette, and hereby assigns to the Publisher all rights, including but not limited to, copyright in all Notices, and warrants that any such activity by the Publisher and/or third parties does not and will not infringe any legal right of the Advertiser or any third party.

16 The Advertiser accepts that the purpose of the Edinburgh Gazette is to disseminate information of interest to the public as widely as possible and that the information contained in the Notices published in the Edinburgh Gazette may be used by third parties after publication for any purpose. In such instance, the Publisher accepts no liability whatsoever.

17 The Advertiser accepts that the Charges may be amended from time to time and will be payable at the rate in force at the time of invoicing unless otherwise agreed by the Publisher. The Charges must be paid by the Advertiser in advance of publication unless other requirements of the Publisher (as determined from time to time) are notified to the Advertiser.

18 If the Advertiser wishes to make a Complaint then please refer to the Gazette office.

19 A person who is not a party to these Terms and Conditions has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Terms and Conditions but this does not affect any right or remedy of a third party specified in these Terms and Conditions or which exists or is available apart from that Act.

20 These Terms and Conditions and all other express terms of the contract shall be governed and construed in accordance with the Laws of England and the parties hereby submit to the exclusive jurisdiction of the English courts.
