POSTAL SERVICES

ROYAL MAIL

ROYAL MAIL SCHEME FOR FRANKING LETTERS AND PARCELS 2017

This Scheme is made by Royal Mail under section 89 of Postal Services Act 2000 (as amended by the Postal Services Act 2011).

1.

APPLICATION, COMMENCEMENT, REVOCATION AND CITATION

1.1

This Scheme sets out the terms applicable to the franking of Letters and to the posting of Franked Letters in the United Kingdom.

This Scheme forms part of each Licence issued.

1.2

This Scheme will be effective from 7th September 2017 and may be referred to as the Royal Mail Scheme for Franking Letters and Parcels 2017. It replaces the Royal Mail Scheme for Franking Letters and Parcels 2014 (including all amending Schemes). Licences issued under the replaced Schemes are, from 7th September 2017, subject to this Scheme, but this shall not affect Royal Mail's accrued rights under those Licences.

1.3

Royal Mail may amend this Scheme at any time. Amendments will be published in the London, Edinburgh and Belfast Gazettes.

2. INTERPRETATION

2.1

The definitions of expressions used in this Scheme are set out in the Schedule to this Scheme.

2.2

References in this Scheme to the use of Franking Equipment are (except where stated or the context necessarily indicates otherwise) references to the use of Franking Equipment to indicate payment of Postage and Fees, and/or to the resetting of Franking Equipment with a view to using the equipment to indicate the payment of Postage and Fees on Letters to be posted in the United Kingdom.

3.

APPROVAL OF FRANKING EQUIPMENT AND OF MANUFACTURERS, SUPPLIERS AND MAINTAINERS

3.1

Royal Mail may at its discretion approve different models of Franking Equipment, and may approve any Person to manufacture, supply, maintain or otherwise deal with Franking Equipment.

3.2

By approving any Person to manufacture, supply, maintain or otherwise deal with Franking Equipment, Royal Mail does not become a party to any customer contract for the supply, inspection, maintenance, or otherwise in relation to Franking Equipment and does not make any promise or commitment as to the quality, suitability, weight of items, or otherwise, concerning any goods or services supplied by that Person.

4.

RESTRICTIONS ON USE OF FRANKING EQUIPMENT

4.1

The Franking Equipment must not be used unless it has been manufactured by an Authorised Manufacturer and the Model has Royal Mail's then current approval, which Royal Mail can withdraw at any time.

4.2

Franking Equipment which has been modified in any way must not be used unless Royal Mail has given its approval of that modification to the Authorised Manufacturer.

4.3

Franking Equipment must not be used if Royal Mail withdraws its approval of the Model.

Whenever Royal Mail withdraws its approval for a Model it will tell the Users in the way it decides is most suitable. Use of that Model must stop within the timescales notified to the Users by Royal Mail.

5.

APPROVAL OF USERS

5.1

Franking Equipment must not be used before the User has obtained a Licence. All Users must apply to Royal Mail for a Licence via an Authorised Manufacturer or Authorised Supplier, who will either deal with Royal Mail on the User's behalf or instruct the User to apply for a Licence directly from Royal Mail.

5.2

If Royal Mail approves an application to use Franking Equipment it will issue a Licence to the User. Franking Equipment must not be used: (i) before a Licence has been issued to the User; (ii) after a Licence has either expired or been ended; or (iii) during any period of suspension of the Licence.

5.3

The User shall carry out all reasonable instructions given to it by Royal Mail in relation to recording details of the Franking Equipment, the issue of a Licence and the identity of the User.

6.

USER LICENCES

6.1

If an application for a Licence is rejected, Royal Mail will tell the applicant and/or the Authorised Supplier or Authorised Manufacturer by whatever means Royal Mail deems appropriate. The requirement for a User to obtain a Licence applies whether or not the User has entered into a contract with Royal Mail to receive postal services. If an applicant has neither received a Licence nor a rejection then the application has been rejected.

6.2

The Licence will include the following information

6.2.1

the User's name and address;

6.2.2

the address where the Franking Equipment will be used (**Note:** this must not be changed without Royal Mail's prior written consent);

6.2.3

the details of the Royal Mail Franking Administration Centre where the User's records will be kept;

6.2.4

the name and number of the Model of the Franking Equipment;

6.2.5

the serial number of the Franking Equipment and/or Meter; and

6.2.6

the number of the Die and/or Device (or related machine identifier).

6.3

Royal Mail may pass this information, and any amendments to it, to the Authorised Manufacturer, Authorised Supplier and Authorised Maintainer of the User's Franking Equipment, so that their records will be accurate and up to date.

6.4

The Licence allows the User, and its employees and contractors, to use the specified Franking Equipment at the address shown on the Licence only, for the purpose of franking its own business Letters but not the Letters or other mail of any other Person. The Licence allows the User to use only that Franking Equipment named in the Licence. Any other Franking Equipment requires its own separate Licence. The Franking Equipment named in the Licence must only be used by the User, and its employees and contractors, and must not be used by any other Person.

6.5

The Licence may not be transferred to another Person. If the Franking Equipment is sold or otherwise transferred, the Licence does not transfer with it, and the User must tell the proposed new user to get a Licence from Royal Mail before using the Franking Equipment.

6.6

If the User wishes to change any of the details shown on the Licence, for example the address, the User must make a request to the Authorised Manufacturer or Authorised Supplier of the Franking Equipment, who in turn will liaise with Royal Mail. The Licence may not be changed without Royal Mail's prior written consent. Where Royal Mail agrees to the change, Royal Mail will issue a new Licence incorporating the change.

6.7

If the User permanently stops using the Franking Equipment, the User must tell each of the following in writing, either before, or, as soon as possible after, it stops using the Franking Equipment:

6.7.1

the Royal Mail Franking Administration Centre;

6.7.2

the Authorised Manufacturer (if purchased from an Authorised Manufacturer);

6.7.3

the Authorised Supplier (if purchased from an Authorised Supplier); and

6.7.4

the Authorised Maintainer of the User's Franking Equipment (if any).

7.

PAYMENT OF POSTAGE AND FEES

7.1

It is the User's responsibility to ensure that a then current Tariff is at all times loaded onto, or is used in respect of, the Franking Equipment. Tariffs are available from Authorised Suppliers and Authorised Manufacturers and must be loaded onto compatible Franking Equipment in accordance with the instructions (if any) relating to them. The failure to use the correct Tariff may stop the Franking Equipment working and/or may lead to Royal Mail ending the Licence for that Franking Equipment.

7.2

Franking Equipment must always show the correct amount of Postage and Fees which the User has prepaid or has agreed to pay.

7.3

The value of Postage paid, shown by the Franking Mark on any Letter, must match the applicable rate set out in the relevant Scheme. If Postage on any Letter is found to be underpaid for the selected service, the Letter will be sent by the selected service and, except to the extent that the provisions of another Scheme apply, the User shall be charged for the difference between the payment franked and the correct amount for that service, together with such administrative charge as Royal Mail may decide from time to time.

Together the amount of the underpayment and the administrative charge are referred to as the "**Underpayment Surcharge**".

7.4

Users are required to segregate their mail correctly by class and format. If Second Class mail is found in a First Class mailing, Royal Mail may treat it as a First Class mailing and shall charge the User for the difference between the First Class mailing and the franked amount, together with an administrative charge as Royal Mail may reasonably decide from time to time. Together the difference in the charge for the service and the administrative charge is referred to as the "**Service Surcharge**". Additionally, First Class mail found in a Second Class mailing could receive a Second Class service, in which case the User will not be entitled to a refund or any compensation in respect of the provision of a Second Class rather than a First Class service.

7.5

Royal Mail may instruct the relevant Authorised Manufacturer or Authorised Supplier, on Royal Mail's behalf, to deduct the value of any Underpayment Surcharge and/or Service Surcharge, which is payable by the User, from the Franking Account which the User has with that Authorised Manufacturer or Authorised Supplier.

7.6

Details of the usage of the Franking Equipment and any products purchased through it will be captured electronically and collated by a Royal Mail contractor and transmitted to Royal Mail for its use.

7.7

Some Royal Mail services are subject to VAT (**Taxable Services**) but only certain Franking Equipment is capable of processing Postage and Fees for the Taxable Services. Such Franking Equipment includes **Smart Meters** and **Mailmark™ Franking Equipment**. Only a Smart Meter or Mailmark™ Franking Equipment may be used to process Postage and Fees for Taxable Services. The User must ensure that Letters which are sent using the Taxable Services are franked with Postage and Fees at the VAT-inclusive price and a VAT invoice will be sent to the User in accordance with Royal Mail's invoicing procedures.

8.

RESETTING FRANKING EQUIPMENT

8.1

The way in which the User prepays or pays Postage and Fees will depend on the way in which the User's Franking Equipment is set and Reset. The method of resetting will depend on the Model of the Franking Equipment.

8.2

The Franking Equipment may only be Reset in the way specified by the Authorised Manufacturer or Authorised Supplier and approved by Royal Mail.

The method set out in paragraph 8.3, has Royal Mail's approval.

8.3

Remote resetting may be performed by the User using the systems offered by an Authorised Manufacturer or Authorised Supplier.

9.

OPERATIONAL REQUIREMENTS

9.1

Users must comply with all the current Operational Requirements which are relevant to the Model of Franking Equipment which they are using. Royal Mail will publish changes to the Operational Requirements on the Royal Mail website from time to time. If there is any conflict between the provisions of the Operational Requirements and the provisions of this Scheme, the provisions of the current Operational Requirements will prevail.

10.

INSPECTIONS, MAINTENANCE AND REPAIRS

10.1

Franking Equipment must be kept in good working order by the User.

10.2

The User must ensure that Franking Equipment is inspected in accordance with Royal Mail's requirements, and in any case at least once every year, by an Authorised Maintainer of the User's choice who has been approved by Royal Mail to carry out inspections for that Model of Franking Equipment. In the case of Mailmark™ Franking Equipment, an annual inspection is not necessary because the connection of the Mailmark™ Franking Equipment to the relevant Data Centre and the upload of the usage data is sufficient. Royal Mail and/or its representatives may nevertheless inspect Mailmark™ Franking Equipment in accordance with paragraph 10.4.

10.3

Maintenance and repairs by Authorised Maintainers

The maintenance and repair of Franking Equipment may only be undertaken by an Authorised Maintainer who has been approved by Royal Mail to carry out maintenance of and repairs on that Model of Franking Equipment.

10.4.

Royal Mail's inspection checks

When required by Royal Mail, a User or Person in possession of Franking Equipment must provide Royal Mail and/or its representative's with access to the relevant premises to inspect its Franking Equipment.

11.

FRANKING MARKS

11.1

Franking Marks may only be produced under the direction of, or with the approval of, Royal Mail.

11.2

A Franking Mark must be printed only:

11.2.1

in blue ink by Mailmark™ Franking Equipment and Smart Meters; and

11.2.2

in red ink by all other Franking Equipment, or in any other colour as Royal Mail may require from time to time. The ink used by the User in the Franking Equipment must meet the technical standards and security standards issued by Royal Mail from time to time, including as part of the Operational Requirements.

11.3

A Franking Mark must be clear and complete. It must appear in the top right hand corner on the front of an envelope or wrapper of the Letter, or on an address label which is stuck to the envelope or wrapper, or in such other manner that has been approved by Royal Mail as set out in the Operational Requirements.

11.4

If, in Royal Mail's opinion, a Franking Mark is not clear or complete, Royal Mail will deal with the Letter, as if the User has not paid Postage on it, as set out in the Scheme, or the User's contract or in any other way that Royal Mail considers to be the most appropriate.

11.5

Neither a Franking Mark nor slogan may consist of numbers, words, characters, symbols or marks which in Royal Mail's opinion might: (i) offend employees of Royal Mail or its contractors; (ii) make it embarrassing or difficult for Royal Mail to convey the Letter; (iii) give rise to complaints from the public, or (iv) cause Royal Mail operational or technical difficulties. If any such circumstances arise, Royal Mail may require the User to cease using the Franking Mark or slogan in question and the User shall do so immediately.

11.6

If a User prints a Franking Mark by mistake, the User may write to the Royal Mail Franking Administration Centre to apply for a refund within 6 months of the date when the Franking Mark was printed, enclosing the franked envelopes, wrappers or other items which must total no less than £10. If Royal Mail receives all the information and evidence it requires and the amount of Postage or Fees shown by the Franking Mark is legible, Royal Mail will give the User a partial refund of the amount of Postage paid, having deducted an amount which Royal Mail considers to be reasonable to meet the administrative cost of dealing with the User's application.

12.

SLOGANS

Royal Mail reserves the right not to accept and/or convey any Letter bearing a slogan which it considers does not comply with paragraph 11. It is recommended that Users seek advice from the Royal Mail Franking Administration Centre in advance of producing or ordering a slogan.

13.

REFUSAL AND RETURN OF LETTERS, AND REMOVAL OF DIES AND DEVICES

13.1

Royal Mail has the right to refuse to accept and/or return Letters or other items which have been franked and/or to remove any Die and/or Device.

13.2

Royal Mail may take any of the steps set out in 13.1 in any of the following circumstances:

13.2.1

failure by the User to comply with any provision of any Scheme;

13.2.2

if any of the circumstances set out in paragraph 14.2, 14.3 or 14.4 happens;

13.2.3

if the User's Licence has been suspended or ended; or

13.2.4

if Royal Mail withdraws its approval for the Model of Franking Equipment.

13.3

If any of the circumstances in paragraphs 13.2, 14.2, 14.3 or 14.4 apply, the User shall obtain, for Royal Mail and its agents, entry into the premises where the Franking Equipment is located and access to it and facilities for the removal of the Franking Equipment (or any part of it).

14.

ENDING A LICENCE

Ending on written notice

14.1

Royal Mail may end a Licence, at any time by giving the User not less than 14 days' advance notice in writing.

14.2

Whenever Royal Mail withdraws its approval for a Model of the Franking Equipment, then the Licence for that model shall end in accordance with the notice given to the User by Royal Mail.

Ending a Licence Immediately

14.3

If Royal Mail is notified that any of the Dies and/or Devices have been removed from the Franking Equipment, then the Licence shall be considered to have ended on that first removal. In addition, Royal Mail may end a User's Licence, immediately by giving notice to the User in any of the following circumstances:

14.3.1

if, in Royal Mail's opinion, the User has not complied with any material requirement in any of the Schemes;

14.3.2

if, in Royal Mail's opinion, the User's Franking Equipment is not in good working order;

14.3.3

if, in Royal Mail's opinion, the User has misused any Franking Equipment;

Terms and Conditions Relating to Submission of Notices

The Gazette (which includes the London, Belfast and Edinburgh Gazette) is the Official Public Record and the United Kingdom's longest continuously published newspaper. It has been published by Authority since 1665. The Gazette publishes official, legal and regulatory notices pursuant to legislation and on behalf of the persons who are required by law to notify the public at large of certain information. For the avoidance of doubt all references to **"The Gazette"** shall include the London, Belfast and Edinburgh and any supplements to the Gazette, as well as all mediums, including the online and paper versions of the Gazette.

The Gazette is published by the Publisher (as defined below) under the authority and superintendence of the Controller of Her Majesty's Stationery Office at The National Archives. Notices received for publication can fall under the following broad headings:

Church, Companies, Education and Qualifications, Environment and Infrastructure, Health and Medicine, Money, Parliament and Assemblies, People, Royal Family and State. Further information can be found at www.thegazette.co.uk.

These terms and conditions ("**Terms and Conditions**") govern submission of Notices (as defined below) to The Gazette. By submitting Notices, howsoever communicated, whether at the website www.thegazette.co.uk (the "**Website**") or by email, post and/or facsimile, the Advertiser (as defined below) agrees to be bound by these Terms and Conditions. Where the Advertiser is acting as an agent or as a representative of a principal, the Advertiser warrants that the principal agrees to be bound by these Terms and Conditions. The Publisher reserves the right to modify these Terms and Conditions at any time. Such modifications shall be effective immediately upon publication of the modified terms and conditions. By submitting Notices to The Gazette after the Publisher has published notice of such modifications, the Advertiser, including any principal, agrees to be bound by the revised Terms and Conditions.

1 Definitions

1.1 In these Terms and Conditions: **"Advertiser"** means any company, firm or person who has requested to place a Notice in The Gazette, whether acting on their own account or as agent or representative of a principal; **"Authorised Scale of Charges"** means the scale of charges set out at in the printed copy of the Gazette or at <https://www.thegazette.co.uk/place-notice/pricing> as modified from time to time; **"Charges"** means the payment due for the acceptance of a Notice by the Publisher payable by the Advertiser as set out in the Authorised Scale of Charges; **"Local Newspaper Notice"** means any notice placed in a local newspaper rather than The Gazette; **"Notice"** means all advertisements and state, public, legal or other notices (without limitation) placed in The Gazette, save in respect of any Local Newspaper Notice, to which other terms may apply where indicated in these Terms and Conditions; **"Publisher"** means The Stationery Office Limited, with registered company number 03049649.

1.2 the singular includes the plural and vice-versa; and

1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.

2 By submitting a Notice to the Publisher, the Advertiser agrees to be bound by these Terms and Conditions which, unless stated otherwise in these Terms and Conditions, represent the entire terms agreed between the parties in relation to the publication of Notices in The Gazette and which every Notice shall be subject to. For the avoidance of doubt, these Terms and Conditions shall prevail over any other terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Advertiser or implied by custom, practice or course of dealing which the parties agree shall not apply, unless otherwise expressly agreed in writing by the Publisher.

3 The Publisher reserves the right, to be exercised at its sole and absolute discretion, to make reasonable efforts to verify the validity of the Advertiser.

4 The Publisher may, at its sole and absolute discretion, edit the Notice, subject to the following restrictions:

4.1 the sense of the Notice submitted by the Advertiser will not be altered;

4.2 Notices shall be edited for house style only, not for content;

4.3 Notices can be edited to remove obvious duplications of information;

4.4 Notices can be edited to re-position material for style;

4.5 any additions, amendments or deletions required in order to include the minimum necessary information set out in any Notice guidelines shall be confirmed with the Advertiser; and

4.6 subject to clause 5 below, no amendments to the text (other than those made as a consequence of 4.1 - 4.5 above) shall be made without confirmation from the Advertiser.

For the avoidance of doubt, the Advertiser agrees and accepts that, subject to the limited rights to edit any Notice referred to above, it is the Advertiser that shall be solely responsible for the content of any Notice, including its validity and accuracy and that the Publisher shall not be responsible for, nor shall have any liability in respect of such content in any way whatsoever.

5 The Advertiser accepts that it submits a Notice entirely at its own risk and that the Publisher shall have the sole and absolute discretion whether to accept a Notice for publication or the timing of any publication of a Notice, such decision to be final. The Advertiser must satisfy itself as to the legal, statutory and/or procedural requirements and accuracy relating to any Notice. Where the Publisher has accepted a Notice for publication, the Publisher shall have the sole and absolute discretion to refuse to publish where the content of the Notice, in the publisher's sole opinion, may not comply with any such requirements. In such instances, the Publisher shall notify the Advertiser of any action required to remedy any deficiency and publication shall not take place until the Publisher is satisfied that such action has been taken by the Advertiser.

6 Neither the Publisher nor The National Archives (or any successor organisation) (including affiliates, officers, directors, agents, subcontractors and/or employees) shall be liable for any liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs (including on a full indemnity basis) and other professional costs and/or expenses) suffered or incurred, howsoever arising (including negligence), whether arising from the acts or omissions of the Publisher, The National Archives and/or the Advertiser and/or any third party (including, without limitation, any principal of the Advertiser) or arising out of or made in connection with the Notice or otherwise except only that nothing in these Terms and Conditions shall limit or exclude any liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's or The National Archives' negligence or the negligence of the their agents, subcontractors and/or employees.

7 For the avoidance of doubt, subject to clause 6 above, in no circumstances shall the Publisher be liable for any economic losses (including, without limitation, loss of revenues, profits, contracts, business or anticipated savings), any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for any error including which, in the Publisher's reasonable opinion, causes a substantive change to the meaning of a Notice or would affect the legal efficacy of a Notice, upon becoming aware of such error, the Publisher shall publish the corrected Notice at no charge and at the next suitable opportunity. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Advertiser (including any principal, if applicable) and full extent of the limit of the Publishers liability in these circumstances.

9 In the event that the Publisher believes, in its sole opinion, an Advertiser is submitting Notices in bad faith, is in breach of clause 11 below, or has dealings with Advertisers who are in breach of these Terms and Conditions or has breached such Terms and Conditions previously, the Publisher may require further verification of information to be provided by the Advertiser and may, at its sole and absolute discretion, delay publication of those Notices until it is satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in The Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of The Gazette.

11 The Advertiser warrants:

11.1 that it has the right, power and authority to submit the Notice;

11.2 the Notice is not false, inaccurate, misleading, nor does it contain potentially fraudulent information;

11.3 the Notice is submitted in good faith, does not contravene any law (statutory or otherwise) nor is it in any way illegal, defamatory or an infringement of any other party's rights or an infringement of the

British Code of Advertising Practice (as amended and updated from time to time), nor is it subject to any court order prohibiting such publication.

12 To the extent permissible by law the Publisher excludes all warranties, conditions or other terms, whether implied by statute or otherwise, relating to the placing of any Notices.

13 The Advertiser agrees to fully indemnify and hold the Publisher and The National Archives (or any successor organisation), including any affiliates, officers, directors, agents, subcontractors and employees harmless from all liabilities, costs, expenses, damages and losses (including, without limitation) any direct, indirect, consequential and/or special losses and/or damage, loss of profit, loss of reputation and/or goodwill and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and/or expenses (including legal costs) suffered or incurred (including negligence) in respect of any matter arising out of, in connection with or relating to any Notice, including (without limitation) in respect of any claim and/or demand (including threatened and/or potential claims or demands) made by any third party which may constitute a breach, threatened and/or potential breach by the Advertiser (or their principal) of these Terms and Conditions or any breach and/or potential breach by the Advertiser of any law and/or any of the rights of a third party. The Publisher shall consult with the Advertiser as to the way in which such applicable claims, demands or potential claims or demands are handled but the Publisher shall retain the sole, absolute and final decision on all aspects of any matter arising from the aforementioned indemnity, including the choice of instructing legal representatives, steps taken in or related litigation and/or decisions to settle the case. The Advertiser shall use best endeavours to provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request including in respect of any principal (if applicable) and including, without limitation, the provision of and/or access to witnesses, access to premises and delivery up of documents and/or any evidence, including supporting any associated litigation and/or dispute resolution process.

14 The Advertiser shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Advertiser and/or the Publisher in relation to a Notice. The Publisher reserves the right, following a claim or threatened claim, to immediately remove the Notice which is the subject of the complaint from the website at www.thegazette.co.uk and all other websites controlled by the Publisher containing the Notice, as well as from any other medium in which the Notice has been placed that is controlled by The Gazette, where possible. The Publisher may require the Advertiser to amend the Notice at its own cost before it agrees to re-publish the Notice if it is capable of rectification to avoid the claim, threatened or suspected claim. Any reinstatement of the Notice shall be at the sole and absolute discretion of the Publisher, whose decision in respect of such matter shall be final. Other than withdrawal of a Notice following a claim or threatened claim, withdrawal of a Notice post-publication shall take place only upon the written instructions of The National Archives (or any successor organisation) or if there is a credible claim that the continuing presence of a Notice endangers an individual's personal safety or a request is received from any applicable regulatory and/or enforcement authorities.

15 The Advertiser acknowledges that the Publisher may re-use Notices and/or allow third parties to re-use Notices accepted for publication in The Gazette, and hereby assigns to the Publisher for and on behalf of the Crown, all rights, including but not limited to, copyright and/or other such intellectual property rights (as applicable) in all Notices, and warrants that any such activity in respect of any Notice (including any activity in the preparation of such Notice for publication in The Gazette) by the Publisher and/or third parties does not and will not infringe any legal right of the Advertiser or any third party. For the avoidance of doubt, all Notices and any content therein shall be Crown copyright and may be subject to the Open Government Licence (or any variation thereof).

16 The Advertiser accepts that the purpose of The Gazette is to disseminate information of interest to the public as widely as possible in the public interest and that the information contained in the Notices published in The Gazette may be used by third parties after publication for any purpose and that such use may be beyond the control of The Gazette. In such instances, the Publisher accepts and the Advertiser agrees that the Publisher shall have no liability whatsoever in respect of such use by third parties.

17 The Advertiser acknowledges and agrees that the publication of any Notice is subject to any court order and/or direction of the court or such other regulatory and/or enforcement authorities including the Information Commissioner's Office, the police, the Financial Conduct Authority (and such other related regulatory organisations), the Solicitors Regulation Authority and such other authorities as may be applicable (without limitation) and that the Publisher may delay, refuse to publish or withdraw from publication if it has received evidence to that effect and may not publish such notice until it has received written evidence from the court (as the Publisher may reasonably require from time to time) that demonstrates that any previous order and/or direction has been withdrawn and/or is no longer applicable (as the Publisher may reasonably require from time to time) and/or, subject to any statutory and/or applicable laws, The Gazette may share information and/or data related to the Notice and/or the Advertiser's account related to such authorities and the Advertiser hereby consents to such disclosure(s).

18 In respect of any Local Newspaper Notice, this clause 18 shall apply. For the avoidance of doubt, all other terms of the Terms and Conditions shall apply to Local Newspaper Notices only to the extent that they do not conflict with the terms set out below. In the event of any conflict, the terms set out in this clause 18 shall prevail:

18.1 The Local Newspaper Notice may be placed in a local newspaper by any subcontractor and/or a third party organisation at the Publisher's sole and absolute discretion and the Advertiser hereby consents to such use (including any activity that is ancillary and/or reasonably necessary to such use). For the avoidance of doubt, this may include the processing of personal data in accordance with the Data Protection Act 1998, as amended ("DPA"), by the Publisher, any subcontractor and/or third party organisation, together with the local newspaper and related organisations;

18.2 The placement of a Local Newspaper Notice shall be upon the standard terms and conditions of the local newspaper in question in addition to these Terms and Conditions. The Advertiser expressly agrees to such local newspaper terms and by submitting a Local Newspaper Notice to The Gazette, expressly consents to the Publisher, its subcontractors and/or any applicable third party organisation agreeing to such terms on behalf of the Advertiser;

18.2.1 To the extent that such local newspaper and the applicable terms allow, where the Publisher, any subcontractor, any third party acting on behalf of the Publisher and/or the local newspaper is responsible for any error including (without limitation), the Publisher, the Publisher shall arrange for the local newspaper to publish the corrected Local Newspaper Notice at no additional cost to the Advertiser. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Advertiser (including any principal, if applicable) and the full extent of the limit of liability in these circumstances;

19 In the event that a corrected Local Newspaper Notice is not published for whatever reason, the total aggregate liability of the Publisher and The National Archives, whether direct or indirect, and including (without limitation) all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and/or other professional costs and/or expenses) suffered or incurred, howsoever arising (including negligence), whether arising from the acts and/or omissions of the Publisher, The National Archives and/or the Advertiser and/or any third party (including, without limitation, any principal of the Advertiser) or arising out of or made in connection with the Notice or otherwise shall be limited to the value of the Local Newspaper Notice placed through The Gazette except that nothing in these Terms and Conditions shall limit or exclude any liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's or The National Archives' negligence or the negligence of their agents, subcontractors and/or employees or third parties acting on behalf of the Publisher.

20 The Advertiser accepts that the Charges may be amended from time to time and will be payable at the rate in force at the time of invoicing unless otherwise agreed by the Publisher in writing. The Charges must be paid in full by the Advertiser in advance of publication unless other requirements of the Publisher in respect of the payment of such Charges (as determined from time to time) are notified to the Advertiser.

21 If the Advertiser wishes to make a complaint, all such complaints shall be submitted in writing to customer.services@thegazette.co.uk

22 Save in respect of The National Archives (or any successor organisation), a person who is not a party to these Terms and

Conditions has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Terms and Conditions but this does not affect any right or remedy of a party specified in these Terms and Conditions or which exists or is available apart from that Act.

23 These Terms and Conditions and all other express terms of the contract shall be governed and construed in accordance with the laws of England and the parties hereby submit to the exclusive jurisdiction of the English courts.
