ENVIRONMENTAL IMPACT ASSESSMENT

DETERMINATION UNDER SECTION 55A OF THE ROADS (SCOTLAND) ACT 1984

The Scottish Ministers give notice that they have determined that the project for resurfacing works from Bellfield to Grassyards on the A77 is a relevant project within the meaning of section 55A of the Roads (Scotland) Act 1984 ("the 1984 Act") and falls within Annex II of Directive 2011/92/EU on the assessment of certain public and private projects on the environment, but that having regard to –

- (a) the selection criteria contained in Annex III of that Directive, namely
 - (i) the use of natural resources, in particular land, soil, water and biodiversity;
 - (ii) the production of waste;
 - (iii) pollution and nuisances;
 - (iv) the risks to human health (for example due to water contamination or air pollution),

- (b) the results of the Environmental Screening Assessment under section 55A(2) of the 1984 Act,

- (c) the information set out in the Record of Determination dated 22 September 2021, available at <https://www.transport.gov.scot/transport-network/roads/road-orders-and-records-of-determination/#63527>, the project does not require an Environmental Impact Assessment.

The main reasons for the conclusion that no Environmental Impact Assessment is required are:

- (a) The works comprise like-for-like replacement of the road surfacing material;
- (b) The scheme is not located within proximity to any "sensitive area" as listed under regulation 2 (1) of the Environmental Impact Assessment (Scotland) Regulations 1999 (as amended); and
- (c) Any potential impacts of the works are expected to be temporary, short-term, and limited to the construction phase.

The features of the project which are envisaged to avoid or prevent significant adverse effects on the environment are:

- (a) Mitigation measures and best practice will be implemented to ensure no short-term or long-term significant negative impacts on the environment;

- (b) Materials will be derived from recycled, secondary or re-used origin as far as practicable within the design specifications; and

- (c) Measures will be in place to ensure appropriate removal and disposal of waste.

1 About This Scheme

1.1 This Scheme is a document that sets out the terms and conditions for some of the **items** that we handle. **We** (Royal Mail Group Ltd) are allowed to set out terms and conditions within a Scheme document by the Postal Services Act 2000 (and more specifically section 89 of that Act as amended by the Postal Services Act 2011 and in particular paragraph 24 of Schedule 12 of that Act).

1.2 Each time we alter the wording within a Scheme it has the effect of making a new Scheme. We publish our Schemes on our website (www.royalmail.com).

1.3 This Scheme is known as 'The Royal Mail Overseas Letter Post Scheme 25 May 2018' and is referred to in this document as 'this Scheme'. The date in the title is the date that the Scheme took (or will take) effect. This Scheme replaced an old Scheme which was called the Royal Mail Overseas Letter Post Scheme 30 January 2017 which is no longer in force. This Scheme complies with requirements as set out by the Universal Postal Union (www.upu.int).

2 What This Scheme Applies To

2.1 This Scheme sets out the terms and conditions for:

a) the services provided by us to the person, **business** or organisation asking for the service (**you**) when we accept items within the United Kingdom for postal delivery to an **address** outside the United Kingdom, the **Channel Islands** and the Isle of Man. The terms and conditions for the specific services listed below are contained within this Scheme:

- International Standard
- International Economy
- International Signed
- International Tracked & Signed
- International Tracked
- HM Forces Mail (with or without Special Delivery™ or Signed For™)
- Articles for the Blind

All product names offered under this Scheme are shown in this Scheme in red text; and

b) **incoming items**.

3 Definitions

3.1 You may not be familiar with some of the words or phrases we use in this document. When they are used for the first time, they are shown in **bold print** and explained in the relevant part of this document or in Annex A.

3.2 As mentioned in 1.3 above, this Scheme replaced a previous Scheme so any references in other documents to the Overseas Letters Scheme that was in force before this Scheme should now be interpreted as referring to this new Scheme.

4 Our Ability To Provide Services

4.1 We will provide the services set out in this Scheme where the relevant terms and conditions contained in this Scheme for the service are complied with. We will provide the services in the manner that we deem to be most appropriate according to our operational requirements and an overarching need to secure the sustainability of the Universal Service.

4.2 We may decide to withdraw the provision of any of the services set out in this Scheme if the terms and conditions contained within this Scheme are not abided by or in the event of misuse or if providing the service may cause us reputational damage.

Surround with absorbent material such as newspaper and sufficient cushioning material to protect each item from damage. The sender's name and return address must be clearly visible on the outer packaging.

5.14 Any item which resembles a restricted item may be subject to additional scrutiny which may cause delays and we may deal with such item in our sole and absolute discretion (without incurring any liability whatsoever to you or the **addressee**) including destroying or otherwise disposing of the relevant item (in whole or in part).

5.15 If you post an item that contains a restricted item (and you do not comply with the relevant restrictions or requirements) or if the item is an incoming item and is discovered not to comply with the relevant restrictions or requirements, we may deal with such item in our sole and absolute discretion (without incurring any liability whatsoever to you or the addressee) including destroying or otherwise disposing of the relevant item (in whole or in part).

5.16 The sender, or their representative, may be required to pay an amount (to be fixed by us) to cover the costs of returning, dealing with or disposing of the item.

5.17 The sender is responsible for checking whether an item is restricted and, if it is, for making sure the requirements for that type of restricted item are met. We may also refuse to accept or deliver any item which is not a restricted item but which is banned by law or which in our opinion may be harmful or dangerous to our customers or employees.

5.18 All countries have their own rules regarding restrictions on what they will allow in the post. These rules can vary from country to country, and can sometimes apply to items which you may think are ordinary. You are responsible for checking whether an item is restricted in the country you are sending it to and for making sure it complies with any requirements in that country.

5.19 It is your responsibility to ensure that restricted items are sent correctly and that you meet the requirements for acceptance. If you are in any doubt as to whether an item is one of the restricted items you can seek guidance from our website (www.royalmail.com).

Sanctions Laws

5.20 You must make sure that any items you wish us to handle and deliver are not prohibited under applicable sanctions laws, for example because of their contents, their intended recipient or the country to or from which they are to be sent. Information about sanctions can be found on our website at www.royalmail.com/international-sanctions (or any replacement URL). Further information on trade controls and economic sanctions can be found on the UK Government's web pages at <https://www.gov.uk/overview-of-export-control-legislation> and <https://www.gov.uk/sanctions-embargoes-and-restrictions>.

5.21 If your items need a licence under applicable sanctions laws it is your responsibility to obtain it and (if we ask for it) you must provide us with acceptable evidence that you have it.

5.22 If we have reasonable suspicion that, because of its contents, an item does not comply with sanctions laws we may open that item or delay processing and delivery.

5.23 If you post an item which does not comply with sanctions laws we may deal with such item in our sole and absolute discretion (without incurring any liability whatsoever to you, your intended recipient and/or, to the extent not prohibited by applicable law, any third party), including destroying or otherwise disposing of such item in whole or in part, or returning the relevant item to you. We are entitled to charge you:

- the cost of disposal and/or destruction;
- the standard postage price;
- all other costs reasonably incurred by us; and/or
- for any losses or damage we suffer or liability we incur as a result of you not complying with sanctions laws.

5.24 We will bear no responsibility in the event that you or your agents send an item with the wrong licence required under sanctions laws.

Ability to claim compensation

5.25 If you fail to comply with any of the conditions in this section 5, your ability to claim compensation for any item (in circumstances where you might ordinarily be entitled to compensation) may be lost, despite any of the other sections in this Scheme which deal with compensation.

Valuables

5.26 **Valuables** should only be sent using International Signed, International Tracked & Signed and International Tracked. Valuables sent under the HM Forces service shall be sent using the Special Delivery™ service.

6 Size and Weight Limits and How To Package An Item

6.1 As well as the specific packaging and other requirements that relate to restricted items, there are some general rules set out below that must be followed for all items. The rules cover the weight, size, thickness and packaging of items.

6.2 Items sent using the International Standard, International Economy, International Signed, International Tracked & Signed and International Tracked services may weigh up to 2 kilograms unless the item is a letter or large letter, in which case section 6.3 applies. Items sent as Printed Papers may weigh up to 5 kilograms. Items sent using the Articles for the Blind service may weigh up to 7 kilograms.

6.3 The maximum size of any item with the length, width and depth combined must not exceed 900mm with the greatest dimension not exceeding 600mm. For a cylinder shaped item the length plus twice the diameter may not exceed 1040mm with the greatest dimension being no more than 900mm. To be sent as a letter the maximum

weight must not exceed 100grams and size must not exceed 240 x 165mm with a maximum thickness of 5mm. To be sent as a large letter the maximum weight must not exceed 750g, and size must not exceed 353mm x250mm with a maximum thickness of 25mm. (please note that the letter and large letter sizes quoted here mirror standard UK letter and large letter dimensions). To be sent as a postcard the maximum size must not exceed 120 x 235mm.

6.4 The minimum thickness for any item is 0.25mm. We may refuse to accept or to deliver an item that is less than 0.25mm thick.

6.5 All items must be packaged so that, in our opinion, the item will not be likely to cause damage or harm to other items, equipment or individuals (including any recipient).

6.6 The **cover** and the protective material of the item must be appropriate to the contents so that we can convey it to its destination undamaged without having to take precautions over and above those normally taken by us with an item of mail. Packaging guidelines are available on our website (www.royalmail.com) and in booklets held by Post Office® branches.

6.7 Apart from items that are sent using the Articles for the Blind service (which is discussed in more detail in section 22) all items must be securely sealed or fastened.

6.8 As well as the requirement to provide sufficient protection both for the item itself and so as not to be likely to cause damage or harm to other items, equipment or individuals (as set out in sections 6.5 and 6.6), any item that contains anything breakable should be placed in a strong box filled with appropriate protective materials and must be clearly and legibly marked with the words 'FRAGILE – HANDLE WITH CARE' in capital letters above the address.

6.9 As well as the requirement to provide sufficient protection for the contents (as set out in sections 6.5 and 6.6) any item that has contents that may be damaged by bending must be clearly and legibly marked with the words 'DO NOT BEND' in capital letters above the address.

6.10 The latest packaging guidelines which apply to all items can also be found on our website (www.royalmail.com).

7 How To Address An Item

7.1 Each item must be fully and correctly addressed. All the elements of the address (see section 7.2 for guidance) must be written clearly and legibly on the front or on a label securely attached to the front of the cover (or in another way so that the address is clearly visible in its entirety as if it had been written on the front of the cover) of the item.

7.2 You must ensure that addresses take the following format when added to an item. Please do not use commas or full stops and note that the LOCALITY NAME, **ZONE NUMBER** or POST OFFICE BOX NUMBER and the COUNTRY NAME should be in CAPITAL LETTERS in English. The text that makes up the address should be aligned to the left as it is in the example below. It should not be staggered or centred.

Example Name

House name or number and road name

LOCALITY NAME and ZONE NUMBER if one exists

COUNTRY

The text set out in the example above and taken as a whole is known as the address block.

7.3 The address block must not be obscured or made difficult to read in any way including by the manner in which the contents are enclosed in the item.

7.4 For items sent using the International Standard service, our branded Airmail sticker (available free of charge from all Post Offices®) should be placed on the address side, in the top left hand corner. Alternatively the words "BY AIRMAIL – PAR AVION" should be written in capital letters in the same position.

7.5 Putting a correct address in the correct format in the correct location helps our sorting machines process the mail as quickly as possible. More information is available on our website (www.royalmail.com).

7.6 We recommend that you put a full and accurate return address on your item (in a position where it can't be confused with the destination address and preferably on the back) so that we are able to return the item to you, intact, should we need to. More information regarding Return to Sender can be found in section 15.

8 How To Pay For Postage And Other Services

8.1 Of the services contained within this Scheme only the Articles for the Blind service is provided (as long as specific requirements are met) free of charge. The specific requirements for this service are set out in section 22 of this Scheme.

8.2 The other services that are contained in this Scheme require payment for **postage**. These services are:

- International Standard
- International Economy
- International Signed
- International Tracked & Signed
- International Tracked
- HM Forces Mail (with or without Special Delivery™ or Signed For™ add-ons);

The specific requirements for International Signed and International Tracked & Signed, International Tracked and HM Forces Mail are set out below in sections 19, 20 and 21 of this Scheme.

a. The services listed above in 8.2 can be paid for by applying **postage stamps, postage labels** (which can be generated by our on-line postage applications or by Post Office® branches) or by use of a franking machine.

b. All services listed in 8.2 can also be purchased using a credit account.

8.3 Stamps can be purchased from us online from our website (www.royalmail.com), from Post Office® branches or from a wide variety of other retailers. When postage is purchased from a Post Office® branch it often takes the form of a postage label if it is for anything but the first weight band. Similar postage labels are also available from our online postage tool and through our computer applications (e.g. **SmartStamp®**) which you may subscribe to or sign up for.

8.4 A franking machine allows money to be credited onto it. Postage for items is then paid for, from this credit, on an item-by-item basis. There is a wide range of franking machines that can either be leased or bought from franking manufacturers. If you use a franking machine you must abide by the terms and conditions that are contained within a separate Scheme called Royal Mail Scheme For Franking Letters And Parcels 2014 (which is published on our website (www.royalmail.com)) as well as the terms and conditions contained in this Scheme.

8.5 A credit account allows you to post items without pre-payment. You are sent an invoice periodically requesting payment for the items we have conveyed during the invoice period. If you set up a credit account with us you must abide by the terms and conditions that are contained within documents called the Royal Mail General Terms and Conditions and the Royal Mail Account Terms (both of which can be found on our website (www.royalmail.com)) as well as the terms and conditions contained in this Scheme.

9 How To Work Out How Much Postage To Pay

9.1 For the services listed in this Scheme that are not free, the amount of postage that you must pay is dependent on several factors. The first is the destination; the second is how quickly you would like the item to arrive and what options you would like for tracking and obtaining a signature on delivery (the service); the third is the shape and weight of the item (the weight and format); and the fourth is how much compensation is required in the event of loss or damage (the compensation). For the details of how we price, based on all of these factors, please see our website (www.royalmail.com) as well as immediately below for information in relation to the service, weight and format and compensation factors:

a. The service: we offer the services set out in section 8.2. Details of the services, their availability and delivery aims (by service and destination) can be found on our website (www.royalmail.com). Not all services are available for all destinations. Further specific details about International Signed, International Tracked & Signed, International Tracked, HM Forces Mail and Articles for the Blind services, can be found in sections 19 - 22 below and on our website (www.royalmail.com).

b. The weight and format: for pricing purposes items are classed as either letters, large letters or parcels. The requirements for an item to be classed as a letter or large letter are set out in section 6.3. All other items which exceed the weight or size limits for letters or large letters but do not exceed the maximum dimensions for an item under this Scheme (described within section 6 of this Scheme) are classed as parcels for pricing purposes.

c. The compensation: International Standard and International Economy services include standard compensation for loss and damage on the basis of **actual loss**, up to a maximum of the **market value** of the item or £20 (whichever is lower). International Signed, International Tracked & Signed and International Tracked include compensation for loss and damage on the basis of actual loss, up to

a maximum of the market value of the item or £50 (whichever is lower) as standard and are available with enhanced compensation options. Further specific details, including compensation and exemption information, can be found in section 17 below and on our website (www.royalmail.com).

9.2 To help you find the best service for your needs and budget we provide a price finder tool on our website (www.royalmail.com). Prices and other pricing information can also be found in other locations on the same website (such as product specific pages) including in a tariff brochure with all pricing information for the services covered by this Scheme.

9.3 We may change the rates of postage and **service fees** from time to time. Changes to postage rates and service fees and the date on which the changed rates and fees will come into effect will be published at least one month (or whatever period of time agreed by us with our regulator, Ofcom) in advance on our website (www.royalmail.com).

10 How To Show That An Item Has Had Postage Paid

10.1 You must show us that **postage** for an item has been paid for (where it applies) so that we can convey it without delay. Payment is demonstrated by the application of a **postage mark** to the item. The manner in which payment of postage can be shown depends on the method of payment used. Section 8 above set out the most common ways of applying a postage mark (**postage stamps, postage labels, service fee labels, franking marks**, marks created by online applications such as SmartStamps®, **Printed Postage Impressions (PPIs)** etc). In addition a postage mark may be fixed, printed, impressed, embossed or otherwise shown on the envelope or cover of an item as we may specify or approve.

10.2 Postage marks must be applied to the top right hand corner of the envelope or cover of the item unless we specify otherwise. If the item is spherical or without corners the postage mark should be placed above and to the right of the address.

a. A postage mark that is damaged or imperfect, has been defaced or has anything written or printed over it becomes void and cannot be used to show that postage has been paid.

b. You can use an adhesive postage stamp which has been perforated by means of a punch provided that the perforation holes are smaller than the holes dividing one stamp from another on a sheet of stamps.

c. Postage marks can be used only once and then they become void and must not be re-used to pay postage on the same or another item.

d. Any postage mark that carries an expiry time and/or date will become void from that time and/or date and cannot be used to show that postage has been paid after that time and/or date.

10.3 If you use a franking machine you must apply a franking mark to the cover of the item as set out in the Royal Mail Scheme For Franking Letters And Parcels 2014 (which is published on our website (www.royalmail.com)) and according to any guidelines that we publish on our Franking help centre website (www.royalmail.com).

10.4 If you make use of a credit account you must apply a Printed Postage Impression (PPI) in accordance with the PPI licence, the PPI design notes and any guidelines that we publish on our website (www.royalmail.com).

11 Other Requirements Relating To The Address On The Cover Of An Item

11.1 Section 7 set out how to address an item and section 10 set out how payment can be indicated. There are some further things that must be considered with regard to the cover of the item so that we can efficiently convey the item without delay.

11.2 An item must not have on its cover:

- anything which obscures the postage mark;
- anything which is likely, in our opinion, to make it difficult for us to apply a postmark to the cover;
- anything which, in our judgement, is likely to make the postmark illegible;
- any counterfeit or fake postage mark;
- any postage mark which we consider may have previously been used to pay postage;
- signs, words or marks, used without official permission, which could indicate that the item was sent on Her Majesty's Service or was conveyed and delivered by us; or
- any signs, words, images or designs which are offensive, obscene or indecent.

11.3 An item must not contain correspondence or letters other than between the sender and addressee of the item (or persons living with them). This does not include archived materials.

11.4 An item must not be made up in any way or have anything on its cover which, in our judgement makes it difficult or embarrassing to deliver the item.

11.5 A postage mark must not be attached to an item using staples, sticky tape, or any other means that we do not approve.

12 How To Hand Over (or Post) An Item

12.1 All items to be sent using a service provided through this Scheme can be posted in the following ways:

- by handing it to an authorised member of staff at a Post Office® as long as considered feasible to do so;
- by Business Collection service (typically a paid for extra service where we collect the mail from a business customer's premises. Business Collections services are not covered by this Scheme, but the items that we collect under such services may be covered by this Scheme); or
- in any other manner which we may approve.

12.2 In addition, items sent under the following services:

- International Standard;
- International Economy;
- HM Forces Mail (without Special Delivery or Signed For™ added or except those items that qualify as free of charge items under BFPO); and
- Articles for the Blind, can also be posted in the following ways (unless the item is too large to do so):

- by placing it in a post box (typically a red post box on the street);
- by placing it in a **private post box** (typically a post box contained within a shop or other private premises).

An item placed in a private post box will be deemed to have been posted when collected by us and not before.

12.3 An item that has had postage paid by a franking machine must be posted in accordance with the Royal Mail Scheme for Franking Letters and Parcels 2017 which is published on our website (www.royalmail.com).

12.4 Items sent through the International Standard, International Economy, International Signed, International Tracked & Signed and International Tracked services that have been paid for with a credit account must be presented to us in accordance with the guidance as outlined on our website (www.royalmail.com) and also in accordance with any conditions set out in the PPI licence.

12.5 Articles for the Blind sent by a business must present items separate to, but in the same manner (as required by section 12.4 above) and at the same time, as any items which are posted using a credit account.

12.6 All items must be posted by the latest acceptance time that we determine and advertise or agree with you (as appropriate to the method of posting). Items posted after that latest acceptance time will be considered to have been posted the following working day.

13 How We Will Treat Items That Do Not Meet the Requirements Set Out In This Scheme

13.1 Once an item has been posted (whether as an **outgoing item** or an incoming item) we may carry out checks on that item.

13.2 Subject to sections 5.6 and 5.15 above (which set out how we treat items that contain prohibited items and/or restricted items where the relevant restrictions or requirements have not been complied with), if an item is found not to meet the conditions set out in this Scheme or an item is found that indicates that insufficient (or no) postage and/or service fee has been paid for the service requested, or for incoming items the item appears to satisfy the conditions of a **re-mail item**, we may decide at our discretion to do one of the following things set out below (in sections 13.3 and 13.4) within a reasonable period of time.

13.3 For outgoing items, we may:

- Convey the item to the relevant overseas postal operator for delivery to the address shown by the service requested. The overseas postal operator may require the addressee to collect the item from a specified location.
- Convey the item to the relevant overseas postal operator for delivery to the address shown by an alternative service that we determine to be appropriate. In these situations the conditions of the service used to convey the item will apply.
- Treat the item as undeliverable. Details of how we may deal with undeliverable mail can be found in section 15.
- Return the item to you.
- Refuse to accept it.
- If none of the above courses of action are possible we may deal with or dispose of the item at our discretion.

In all cases we may not accept any liability for that item. This section also applies to items which have been found either in a Post Office® branch or on Royal Mail premises and which appear to be intended for posting.

13.4 For incoming items, other than an incoming **registered item** (which shall be dealt with in accordance with section 13.5 below), we may:

- a. Convey the item to the addressee.
- b. Return the item to the country of origin.
- c. Treat the item as undeliverable. Details of how we may deal with undeliverable mail can be found in section 15.
- d. Otherwise deal with or dispose of the item at our discretion.

13.5 An incoming registered item shall be forwarded to the addressee without any additional charge.

13.6 In each case set out in sections 13.3 and 13.4 the addressee or you may be required to pay an amount (to be fixed by us or the relevant overseas postal operator) in order to cover additional costs before the item is delivered or released for collection:

- a. In the event of underpaid or unpaid postage and/or service fees the amount due may include a surcharge in addition to the underpaid or unpaid postage to cover administrative costs.
- b. Where the amount due is not paid the item may be dealt with or disposed of at our discretion.

13.7 In each case set out in sections 5.6, 5.15, 13.3 (d) to (f) and 13.4 (b) to (d) you or your **representative** or the addressee or their representative may be required to pay an amount (to be fixed by us or the relevant overseas postal operator) to cover the costs of returning, dealing with or disposing of the item.

14 Additional Marks We May Add

14.1 In the course of conveying an item we (or someone authorised by us) may alter the look of the cover of that item. Most usually this is by the addition of a postmark which shows that a stamp has been used and prevents it from being used again. A postmark may also contain an advertising or informative image. We may apply the postmark in any manner we consider appropriate. It is important to note that we may apply any form of postage mark (an image that denotes payment), impression, image, sticker, label or other device we consider suitable for any other postal purpose we consider appropriate.

14.2 We may also charge you a fee (to be fixed by us from time to time) and published on our website (www.royalmail.com) for cancelling postage marks with a special postmark including one that incorporates an advertisement, at your request.

15 Delivery Including Undeliverable and Re-Posted (Return To Sender) Items

15.1 Subject to sections 5.6 and 5.15, for outgoing items returned to us by an overseas postal operator as:

a. Undeliverable, we will attempt to return the item to you. We will not charge any additional postage or fee for returning an undeliverable item but you or your representative may have to pay any other fees (e.g. surcharges or customs charges) that apply. If any applicable fee is not paid, the item may be dealt with or disposed of at our discretion.

b. Undeliverable and the item was not originally posted in the United Kingdom, the Channel Islands or the Isle of Man, we may, at our discretion:

- Convey the item to the addressee.
- Return the item to the country of origin or to the postal administrator that forwarded the item to us.
- Otherwise deal with or dispose of the item at our discretion. In each case set out in this section 15.1(b) the addressee or you or the sender may be required to pay an amount (to be fixed by us) in order to cover underpaid or unpaid postage and/or service fees plus a surcharge to cover administrative costs before the item is delivered or released for collection.

c. Return to Sender, we will attempt to return the item to you from a delivery address if all of the following conditions are met – i.e. the item:

- was originally posted using a service set out in this Scheme; and
- is re-posted by the addressee or any other person for any reason; and
- the original address is crossed out; and
- a clear instruction to return the item to you is written on the cover; and
- the return address is written fully, correctly and legibly on the cover; and

- the return address is in the United Kingdom, the Channel Islands or the Isle of Man; and

- the item is returned to us by the relevant overseas postal operator.

15.2 For incoming items, other than remail items (which shall be dealt with in accordance with section 13), we will attempt to deliver items that meet the conditions for the relevant service set out in this Scheme.

15.3 Some items require a signature at the point of delivery and some are too large to fit through a letter box. In these situations someone needs to be present at the address to take delivery of the item.

a. If no one is available we may attempt to deliver the item to a **neighbour**. Please note that we will never attempt to deliver an item to a neighbour if it is a registered item or an **express item**.

b. If a neighbour is available to take delivery of the item we will leave the item with that neighbour and leave a card at the address that the item was addressed to. That card will inform the addressee (or their representative) that an item is (or items are) being held by a neighbour for them and provide the address details for that neighbour and the date and the time that the item was left with the neighbour.

c. If an addressee does not want their items to be delivered to a neighbour or does not want to take items for neighbours they can opt out of the Delivery to Neighbour service, free of charge, by registering their wish to opt out in such a way as Royal Mail may reasonably require from time to time. For more information on how to opt out please check our website (www.royalmail.com).

d. If a neighbour is not available to take delivery of the item, or the addressee has opted-out and does not want their items to be delivered to a neighbour or to take items for neighbours, we will take the item back to the delivery office or an alternative location such as a Post Office® branch. We will leave a card at the address that the item was addressed to.

e. The card that is left at the address will inform the addressee (or their representative) that we attempted to deliver an item or items and will offer the addressee (or their representative) one or more of the following opportunities:

- (i) to request that the item be redelivered to the same address;
- (ii) to request that the item be redelivered to an alternative local address ("local" in this context means an address covered by the delivery office to which the item was returned). Please note that this option is not available for registered items or express items;
- (iii) to collect (after the required period of time stated on the card has elapsed to allow for the item to reach that location and once identification that we deem to be suitable has been provided) the item from the delivery office or the alternative location such as a Post Office® branch to which the item was taken back to; or
- (iv) to request that the item be sent from the delivery office or other location (other than a Post Office® branch) to a Post Office® branch for collection. This service is called Local Collect (Social) and incurs an additional fee. When collecting the item the addressee (or their representative) must provide the card that was left at the address and identification that we deem acceptable. Further details including the current fee and identification requirements can be found on our website (www.royalmail.com).

15.4 We may decide not to deliver an incoming item which we consider impracticable or unreasonable to deliver. Such an item is referred to in this Scheme as undeliverable.

15.5 Where an incoming item is undeliverable the item may at our discretion be returned to the sender or otherwise may be disposed of as we may think fit.

15.6 Redirection - for incoming items that have been redirected from an address outside of the United Kingdom the Channel Islands and Isle of Man, even if it was not originally posted in that country, to an address in the United Kingdom, we will attempt to convey the item to the addressee. In the event of underpaid or unpaid postage and/or service fees on such items the amount due may include a surcharge in addition to the underpaid or unpaid postage to cover administrative costs before the item is delivered or released for collection, in addition, the addressee may have to pay any other fees (e.g. surcharges or customs charges) that apply, before the item is delivered or released for collection. Where the amount due is not paid the item may be dealt with or disposed of at our discretion.

15.7 Forwarding – unofficial redirections – We are not under any obligation to do anything with an item that someone requests to be forwarded to another address other than the return to sender address on the cover. We consider these unpaid for, forwarding requests to be a form of unofficial redirections request. Typically in this situation the original address is crossed out and a written request ("forward to") is

made on the cover to forward the item to another address. This is normally attempted in order to try to get the item to the addressee who has moved to another address. In these situations the person moving should take out a Redirection service with us or provide pre-paid stationery. If we find an item that someone has requested be forwarded to another address then the item may be dealt with or disposed of at our discretion.

16 Complaints Handling Process

16.1. We aim to provide you with a reliable and consistent service at all times. If, however, you are unhappy with the service we have given you, this section will help you to get in touch with us to discuss your complaint and – if applicable – refer your complaint to an external, independent Ombudsman style service for resolution.

16.2. There are 3 internal stages in our complaints handling process and then the final Ombudsman style stage. Further information and contact details for each stage are available on our website (www.royalmail.com).

Stage 1: Contacting our Customer Services Advisors

16.2.1. Our Customer Services Advisors will make every effort to investigate and resolve your complaint providing you with an appropriate response. If you are not happy with the reply you can escalate your case to the Escalated Customer Resolution Team.

Stage 2: Contacting our Escalated Customer Resolution Team

16.2.2. Our Escalated Customer Resolution Team is trained in dealing with escalated complaints. They will endeavour to resolve your concerns. However, if after allowing them another chance to deal with your complaint you remain dissatisfied, you can contact the Postal Review Panel.

Stage 3: The Postal Review Panel

16.2.3. The Postal Review Panel will take a fresh and impartial look at your case and provide a final response from us about your complaint.

16.2.4. If you are not satisfied after the Postal Review Panel has provided you with a final response then your case will be considered 'deadlocked'. Customer complaints in deadlock can be referred to the external, independent Ombudsman style service.

Stage 4: The Postal Redress Service – an external, independent Ombudsman style service

16.2.5. If you remain dissatisfied with the response you have received after contacting the Postal Review Panel and you have received a deadlock letter, you may be able to escalate your complaint to the independent Ombudsman style scheme, the Postal Redress Service (POSTRS).

16.2.6. POSTRS's role is to resolve disputes between regulated postal operators (such as us) and their customers. POSTRS provide a free service and we are bound by their findings.

16.2.7. Depending on the nature of the specific complaint, POSTRS may be available. A list of products within the POSTRS scheme can be found on our website (www.royalmail.com). Generally, the service is available to you if:

- We have not been able to settle your complaint within the 90 day timescales set out by Royal Mail Customer Services.

- You have been referred to the scheme through your 'deadlock' letter.

- We have not followed our own complaints procedure in handling your complaint.

16.2.8. For further information please refer to POSTRS's website www.cedr.com/postrs.

17 Compensation – What We Are Liable For

17.1 The vast majority of items arrive safely on time. In some instances items may be lost or damaged. In these situations we may refund postage and/or service fees and may award compensation. We do not pay compensation for delay. This section provides details as to what items qualify for refunds and compensation, what compensation is available and how and when claims need to be made.

17.2 We will accept liability, may refund postage and/or service fees and may pay compensation for the **loss** of, **damage** to, or **part loss** of an item posted under this Scheme, unless that item:

a. is considered by us or by an overseas postal operator to be undeliverable (as set out in section 15 above);

b. is one that has been successfully delivered but subsequently made the subject of a Return to Sender request (as set out in section 15 above);

c. is considered by us or by any overseas postal operator to be subject to a forwarding or unofficial redirection request (as set out in section 15.6 and 15.7 above);

d. has not fully meet all of the conditions set out in this Scheme (as mentioned in section 13.2);

e. is considered by us to indicate that insufficient (or no) postage and/or service fee has been paid for the service requested (also as mentioned in section 13.2);

f. is one which we have dealt with or disposed of at our discretion as mentioned under any section of this Scheme;

g. is one that contained prohibited items (as referred to in section 5.3 above);

h. is one that contains restricted items and the requirements for the acceptance of those items have not been met (as referred to in sections 5.12 and 5.13 above);

i. is one that is being sent by post in contravention of section 85 of the Postal Services Act 2000 (as amended), which essentially means any item that may damage another item or injure anyone handling that item. Also an item that contains or shows on its cover an indecent or obscene image;

j. is subject to circumstances where the event leading to the claim was caused by situations outside our control including exceptionally severe weather conditions, acts of terrorism and vandalism and acts of third parties with whom we have no contractual relationship;

k. is one where the loss or damage is due to a latent or inherent defect or natural deterioration;

l. is one that we do not believe has suffered damage or delay solely as a result of its transmission through the post. In particular where the cover does not appear to us to have suffered damage consistent with the damage caused to the contents of that item;

m. is one where the damage was pre-existing, that is, where the item was already damaged when it was posted; or

n. is one which has been re-directed to an address in the Channel Islands or the Isle of Man.

17.3 For clarity where an item falls into one of the categories listed in section 17.2 (a) to (n), then we will not accept liability, will not refund postage and/or service fees or pay compensation for the loss of or damage to that item.

17.4 In addition to section 17.3 we will only accept liability, may refund postage and/or service fees and may pay compensation where the loss or damage is due to any wrongful act done, or any neglect or default committed by a member of staff or agent of Royal Mail while performing or purporting to perform his functions as such in relation to the receipt, conveyance, delivery or other dealing with the item.

17.5 In addition to sections 17.3 and 17.4 we do not accept liability, will not refund postage and/or service fees or pay compensation for loss or damage to an item where the loss or damage is caused by your own act or omission in the course of either preparing to post or actually posting the item.

17.6 The amount of compensation that is payable depends on a number of factors including:

- The service used,
- The nature of compensation being sought i.e. whether for loss or damage,
- The evidence that can be provided, and
- The value of the item.

17.7 Compensation is available for items sent using the following services:

- International Standard ;
- International Economy
- International Signed
- International Tracked & Signed
- International Tracked
- HM Forces Mail (with and without Special Delivery™ or Signed For™ added);

Claims and Evidence

17.8 We will only consider a claim for loss or damage compensation where the **required evidence** (as defined in section 17.9) is available and provided.

17.9 The required evidence is made up of all of the following:

a. the names and addresses of you, the addressee and, if different, the claimant;

b. the name of the service used;

c. evidence of posting and evidence of the value of the postage paid plus the method of postage, e.g. stamps, franking impression, Smartstamp®. Evidence of posting may include:

- an original Certificate of Posting/Posting Receipt (provided automatically for International Signed, International Tracked & Signed, International Tracked and available on request and free of charge at Post Office® branches for other items),
- an original Smartstamp® or on-line postage certificate of posting validated at a Post Office® branch,

- d. for damage (or part loss) claims the item with cover and packaging, showing the postage paid as well as the original Certificate of Posting if provided as part of the service purchased (i.e. International Signed, International Tracked & Signed and International Tracked; the place of posting;
- e. the date of posting;
- f. for International Signed, International Tracked & Signed and International Tracked services with enhanced compensation, the product documentation provided to you when posting the item (i.e. certificate of posting or receipt);
- g. a detailed description of the contents;
- h. in addition, for damage (or part loss) claims, the date of delivery; and
- i. in addition for damage (or part loss) claims, a description of the packaging and condition of the mail item itself.

17.10 In order to claim loss or damage compensation for the **actual loss** of the item, additional evidence of the item's value is required (see section 17.11 for examples). Please note that, when claiming for actual loss, there is a cap on the amount of compensation that can be paid. For International Signed, International Tracked & Signed and International Tracked, it is the lower of market value or £50, or £250 if an enhanced compensation service has been purchased. Enhanced compensation is not available for mobile telephones (including Blackberrys and PDAs) and the maximum compensation available under the enhanced compensation service for loss or damage to cash, securities or instruments to the bearer is £100. There are restrictions to sending cash and other items to some destinations. Please see our website (www.royalmail.com) for further information on restrictions and prohibitions. For all other services listed in section 17.7 the maximum compensation we will pay for any item is the lower of market value or £20 (save where Special Delivery™ or Signed For™ is added for HM Forces Mail – see section 21). Where the item has no **intrinsic value**, compensation for the actual loss is not payable, however a postage refund may be considered for claims involving loss. Postage refunds are not available for any claims for damage and part loss. Details of compensation available in various circumstances are summarised in Tables 1 & 2 below.

17.11 Evidence of value can be:

- Original receipts;
- Bank or credit card statements;
- PayPal records;
- Invoices;
- Manufacturing costs;
- Auctioneers valuations;
- Repair quotations.

This list is not exhaustive. It is provided for illustrative purposes. All evidence of value must be originals and not copies. You are advised to make copies before sending us originals.

17.12 In addition to information set out in sections 17.9 – 17.11, for eBay claims you must also include the following:

- item sale page and PayPal or bank/credit card statement; and
- eBay item number.

17.13 Please note that all of the packaging and contents of damaged items or items subject to part loss must be retained as we may need to inspect them. If they are not retained then compensation may not be paid.

Making a Claim

17.14 This section sets out, for guidance, some details for making a compensation claim but not the full process. The full process for making a claim is set out on our website (www.royalmail.com). We may reject claims that do not follow that full process.

17.15 Claims should be made by the sender of the item. If the sender and the intended recipient both make a claim for the same item, then only the sender will have a right to compensation, unless a compensation payment has already been made to the recipient, in which case the sender will have no right to compensation.

17.16 Please note that loss claims can only be made if the item has not been delivered (or had delivery attempted) 20 or more working days after the **due delivery date** for EU destinations and 25 working days after the due delivery date for Rest of the World destinations. Please note that resolution of a claim may take some time, whilst we deal with overseas postal operators.

17.17 Any loss, damage (or part loss) claims must be made as soon as possible after the incident to help us investigate. All loss and damage (or part loss) claims must be made within 6 months of the date of posting for all services covered by this Scheme. No compensation or other payment will be paid by us for loss, damage (or part loss) claims not made within 6 months of the date of posting and not made in full compliance with the requirements of this Scheme (including the full claims procedure set out on our website (www.royalmail.com)).

17.18 All claims should be made using the correct claim form which is available to download from our website (www.royalmail.com) and can be collected from Post Office® branches. By using the correct claim form we can process your claim as quickly and effectively as possible. Alternatively, claims may be submitted online via our website (www.royalmail.com).

17.19 The claim form needs to be completed as fully as possible: hard-copy claims form should be signed and dated by the claimant before being sent to us and all mandatory fields within the online claim form must be completed. Remember that in order to claim loss or damage compensation for actual loss of the item (if that compensation is available for the service you used) additional evidence of the item's value is required and should be submitted with the claim form (see section 17.11 for examples). Where evidence is submitted online, we reserve the right to request the originals of such documents in line with section 17.9 of this Scheme.

17.20 If additional evidence cannot be provided then only a postage refund can be considered.

17.21 We may at any time request more documentation and/or information from the claimant, sender or recipient to protect against unwarranted or duplicate claims. This includes, but is not limited to, a declaration of non- receipt (or proof of non-receipt in appropriate cases).

17.22 If compensation has been paid in respect of the loss of an item for a sum exceeding the real value of the contents, or if the item is subsequently found and delivered or returned, any compensation or postage refund awarded to you must be refunded to us.

18 Additional Terms and Conditions For Some Services /Items

18.1 The terms and conditions set out in sections 5 to 17 apply to all items. These are referred to in this Scheme as the **common terms**. Some services that we offer have additional terms and conditions that are specific to those services. The additional terms are known as the **specific terms** in this Scheme and are contained in the sections below. There is a section each for:

- International Signed and International Tracked & Signed (Section 19)
- International Tracked (Section 20)
- HM Forces Mail (with and without Special Delivery™ or Signed For™) (Section 21)
- Articles for the Blind (Section 22)
- Printed Papers (Section 23)

18.2 When using a service listed in Section 18.1 then the specific terms must be complied with in addition to the common terms. Where the specific terms conflict with the common terms then the specific terms should be followed as they take priority over the common terms.

18.3 In addition to the common and specific terms contained within this Scheme other terms and conditions may exist for some services. For example in section 10 above we mentioned that customers using a franking machine must abide by the Royal Mail Scheme For Franking Letters and Parcels 2017 and according to any guidelines that we publish on our Franking help centre website (www.royalmail.com). Also, customers who make use of a credit account must abide by the PPI licence, the PPI design notes and any guidelines that we publish on our website (www.royalmail.com). Such terms and conditions may be contained in application forms, licences, or any other document issued or authorised for issue by us and all may be updated from time to time.

19 International Signed and International Tracked & Signed

19.1 For International Signed and International Tracked & Signed, the item will only be delivered to an addressee or their representative once a signature or similar proof of delivery such as ID has been gained (in some countries, a signature is not obtained but a similar proof of delivery such as ID is the alternative). International Signed is tracked to the point it leaves the UK and takes a signature on delivery (or a similar proof of delivery). International Tracked & Signed is tracked in the UK and overseas and takes a signature on delivery (or a similar proof of delivery). In each destination country, either one or the other (but not both) of these services is available. For details of destinations that offer International Signed or International Tracked & Signed please see our website (www.royalmail.com). Please note that country details may change from time to time so you should check the website when necessary.

19.2 You must apply (or must ensure someone else applies) a fully completed International Signed or International Tracked & Signed label securely to the cover of the item for which the service has been purchased.

19.3 Upon delivery of an incoming item by International Signed or International Tracked & Signed services the addressee or their representative must sign (or otherwise provide some form of proof of delivery as we may specify). Where such a signature or proof of delivery is refused to be provided to us then the item may be dealt with or disposed of as we consider appropriate. Please note that the representative could be someone else at the delivery address or a neighbour.

19.4 We cannot provide you with a copy of the signature or a similar proof of delivery of the recipient of the International Signed or International Tracked & Signed item. We may however seek to obtain a copy of such signature or a similar proof of delivery in the event of a claim for loss or damage.

19.5 For International Tracked & Signed online confirmation of delivery (not including a copy of the signature of the recipient or a similar proof of delivery) in the majority of cases can be viewed on our website (www.royalmail.com) and will be available for up to 12 months after the item was posted. To access these details you will need to know the reference details on the barcoded label for the item sent.

20 International Tracked

20.1 International Tracked is a fully tracked, service that can be sent to a number of destinations. Details of destinations can be found on our website (www.royalmail.com). Please note that country details may change from time to time so you should check the website when necessary.

20.2 International Tracked is fully tracked from despatch to delivery - further details of which can be found on our website (www.royalmail.com).

20.3 International Tracked should not be confused with International Signed or International Tracked & Signed that takes a signature on delivery or a similar proof of delivery. International Tracked does not take a signature on delivery.

20.4 You must apply (or must ensure someone else applies) a fully completed International Tracked label securely to the cover of the item for which the service has been purchased.

20.5 If we find an item which has not met the conditions laid out in this Scheme for an International Tracked item but which either:

- a) has International Tracked written on it, or anything which suggests that the item is intended to be sent via International Tracked or
- b) is found to contain valuables, then we will treat it as an International Tracked item.

In either case, if the item is treated as an International Tracked item, you or the addressee will be charged the appropriate postage for that service. If the postage is not paid the item may be dealt with or disposed of at our discretion.

20.6 Confirmation of delivery can be viewed on our website (www.royalmail.com) and will be available for up to 12 months after the item was posted. To access these details you will need to know the reference details on the barcoded label for the item sent.

21 HM Forces Mail (with and without Special Delivery™ or Signed For™)

21.1 Royal Mail works with the Ministry of Defence to provide a postage service to HM Forces overseas.

21.2 The weight limit for all HM Forces Mail is 2kg.

21.3 Prices for HM Forces Mail are set by the British Forces Post Office (BFPO). This currently follows domestic pricing, but may be subject to change. Details of pricing can be found on our website (www.royalmail.com).

21.4 In some cases, items may be sent to members of HM Forces overseas free of charge. Such concessions are determined by the BFPO details of which can be found on our website (www.royalmail.com).

21.5 The compensation available for HM Forces without Special Delivery™ or Signed For™ added is set out in section 17.10. Special Delivery™ may be bought with and added to HM Forces Mail when a greater level of compensation is required in the event of loss or damage to an item being sent to a member of HM Forces overseas.

21.6 Terms and conditions relating to Special Delivery™ sent through BFPO shall follow those as outlined by The Royal Mail United Kingdom Post Scheme (a copy of which may be found on our website (www.royalmail.com)) except that:

- b. Money or jewellery must be sent in a Special Delivery™ pre-paid envelope if compensation is to apply in the event of loss or damage.
- c. Compensation is available for loss and damage on the basis of actual loss up to the maximum of the market value or £500 (or £1,000 or £2,500 if enhanced compensation is purchased) whichever is the lower of these.
- d. Special Delivery™ items being sent via BFPO will take a signature on delivery but will not provide tracking or confirmation of delivery.

21.7 Terms and conditions relating to Signed For™ sent through BFPO shall follow those as outlined by The Royal Mail United Kingdom Post Scheme (a copy of which may be found on our website (www.royalmail.com)) except that Signed For™ items being sent via BFPO will take a signature on delivery but will not provide confirmation of delivery.

22 Articles For The Blind

22.1 Articles for the Blind is a free of charge service for the conveyance of items that contain particular items that are of use to blind people.

22.3 Articles for the Blind can be used to convey items to or from blind people that contain any of the following items:

- c. relief maps;
- d. machines, frames and attachments for making impressions for blind people to use;

- a. it must weigh less than 7 kilograms;
- b. it must clearly show the words 'ARTICLES FOR THE BLIND' on the front of the cover along with your name and address somewhere on the cover where it cannot be confused with the destination address (preferably on the back of the item). If sent through a Post Office® branch a label must also be applied which is known as a P4558;
- c. it must be left un-sealed so the contents can be checked to make sure they are permissible as listed in sections 22.3 or 22.4. Alternatively they can be sealed in a manner that we can open and then re-seal or we may agree alternative arrangements with you in advance should you be unable to meet these requirements. For example you may be able to design your cover such that the contents are visible;
- d. it must not contain any item or personal message which is not listed in sections 22.3 or 22.4, with the exception of a label showing the name and address of the sender, and instruction booklets, guarantees, technical documentation and other information provided for use with an item listed in sections 22.3 or 22.4;
- e. it must be addressed to a named recipient. This can be the name of an individual or an organisation that provides services specifically for blind people. 22.6 If we find an item that has been posted with us as an Articles for the Blind item but which does not meet the requirements set out in these specific terms then we may convey it using a different service and we will charge you or the recipient the appropriate postage for that service along with a surcharge to cover our costs. If the postage and surcharge is not paid then we will deal with the item as we determine.

22.7 More information is available on our website (www.royalmail.com).

23 Printed Papers

23.1 Printed Papers weighing no more than 5kg may be sent using International Standard, International Economy, International Signed, International Tracked & Signed and International Tracked services.

23.2 In such cases the item must be marked 'Printed Papers' on the left hand side of the address.

23.3 For many destinations, customs declarations are required for sending Printed Papers. It is therefore advisable to attach the relevant customs declaration. You are responsible for meeting all applicable customs regulations and we shall have no liability for any actions of any customs authority, even if those actions cause loss, damage (or part damage) or delay to the item.

23.4 Printed Papers may include the following: newspapers, periodicals, books and pamphlets, sheets of music, visiting or address cards, proofs of printing, engravings, photographs and albums containing photographs, pictures and drawings, plans, maps, patterns for cutting out, brochures, prospectuses, advertisements catalogues and notices.

23.5 The list in section 23.4 is an indicative list of items that can be sent under the Printed Papers service. For up to date information please refer to our website (www.royalmail.com). You are responsible for checking whether the contents of an item are Printed Papers at the time of posting.

23.6 Printed Papers must not contain any postage stamp or form of prepayment, whether cancelled or not, or any paper representing a monetary value, except in cases where the item contains as an enclosure a card, envelope or wrapper bearing the printed address of the sender of the item or his agent in the country of posting or destination of the original item, which is prepaid for return.

24 Customs Control

24.1 You may be required to pay customs duty and prepare customs documentation/complete customs processes when sending goods or merchandise to some overseas destinations.

24.2 Customs documentation is generally required when sending goods or merchandise outside of the UK. For up to date information on customs requirements, the forms and processes that should be completed, please refer to our website (www.royalmail.com).

24.3 Customs documentation and requirements are available from all Post Offices® or can be downloaded from our website (www.royalmail.com). Such information may change from time to time and it is your responsibility to verify that any items you send meet relevant customs requirements at the time of sending. Please refer to our website (www.royalmail.com) when necessary for up to date information relating to customs requirements.

24.4 It is important that all customs requirements are complied with. Despatch of items without the necessary customs forms or completing the necessary processes will result in delay to delivery and the possibility that goods will be seized by customs authorities overseas.

24.5 For items entering the UK for delivery, where customs duties apply, Royal Mail may charge a fee for processing such items. The fee reflects the costs of handling such items. Where the amount due is not paid the item may be dealt with or disposed of at our discretion. Details of the fee payable can be found on our website (www.royalmail.com).

25.3 From time to time we may be obliged by our Regulator to provide it with certain information about you, including your name and address.

25.4 Further information about how we use your personal data is set out in our Privacy Policy at www.royalmail.com/privacy-policy. Please read this Privacy Policy carefully.

25.5 The terms "personal data", "controller", "processing" and "supervisory authority" shall all have the same meaning as in the Data Protection Legislation and the term "process" shall be construed accordingly.

6. Size & weight limits and how to package an item

6.1 In addition to the specific packaging and other requirements that relate to restricted items there are some general rules set out below that must be followed for all items as to weight, size, thickness and packaging.

6.2 Items sent using the First Class, Second Class, Royal Mail Signed For 1st Class or Royal Mail Signed for 2nd Class services may weigh up to 20 kilograms. Special Delivery can be used for items which weigh up to 10 kilograms or up to 20 kilograms where Special Delivery services are purchased at a Post Office® branch.

6.3 The maximum size of an item must not exceed 610mm in length by 460mm in width by 460mm in depth. For a cylinder shaped item the length plus twice the diameter may not exceed 1040mm with the greatest dimension being no more than 900mm. The maximum size for each format of item is set out in section 9.1 below.

6.4 The minimum thickness for an item is 0.25mm. We may refuse to accept or to deliver an item that is less than 0.25mm thick.

6.5 All items must be packaged such that, in our opinion, the item will not be likely to cause damage or harm to other items, equipment or individuals (including any recipient).

6.6 The **cover** and the protective material of the item must be appropriate to the contents such that we can convey it to its destination undamaged without having to take precautions over and above those normally taken by us with an item of mail. Packaging guidelines are available on our website and in booklets held by Post Office® branches.

6.7 With the exception of items that are sent using the Articles for the Blind service (which are discussed in more detail section 22) all items must be securely sealed or fastened.

6.8 In addition to the requirement to provide sufficient protection both for the item itself and so as not to be likely to cause damage or harm to other items, equipment or individuals as set out in sections 6.5 and 6.6, any item that contains anything breakable must be clearly and legibly marked with the words 'FRAGILE – HANDLE WITH CARE' in capital letters above the address.

6.9 In addition to the requirement to provide sufficient protection for the contents as set out in sections 6.5 and 6.6 any item that has contents that may be damaged by bending must be clearly and legibly marked with the words 'DO NOT BEND' in capital letters above the address.

6.10 In the same way that the list of restricted items can change from time to time so too can our packaging requirements for certain new or existing restricted items. You can review the full, up-to-date list of restricted items and associated packaging requirements on our website.

6.11 The latest packaging guidelines which apply to all items can also be found on our website.

7. How to address an item

7.1 Each item must be fully and correctly addressed. All the elements of the address (including the full postcode) must be written clearly and legibly on the front or on a label securely attached to the front of the cover (or otherwise in a manner such that the address is clearly visible in its entirety as if it had been written on the front of the cover) of the item.

7.2 You must ensure that addresses take the following format when added to an item. Please do not use commas or full stops and note that only the TOWN and POSTCODE should be in CAPITAL LETTERS. You don't need to include the county name. The postcode must be on a line of its own. The text that makes up the address should be aligned to the left as it is in the example below. It should not be staggered or centred.

Example Name

House name or number and road name

Locality Name if one exists

TOWN POST CODE

The text set out in the example above and taken as a whole is known as the address block. The address block should appear in the centre of the front face of the item.

7.3 Postcodes are allocated by us at our discretion throughout the United Kingdom in accordance with the operational needs of our network. The postcodes are routing codes and we may amend them at our discretion from time to time. Where we do make changes we will ensure that all residents of the affected addresses are given sufficient notice and, in certain cases, as detailed in the PAF® File Code of Practice, we will follow a formal notification and consultation process before confirming changes.

7.4 The address must not be obscured or made difficult to read in any way including by the manner in which the contents are enclosed in the item.

7.5 Putting a correct address in the correct format in the correct location on an item helps our sorting machines process the mail as quickly as possible. More information is available on our website.

7.6 We recommend that you put a full and accurate return address on your item (in a position where it can't be confused with the destination address and preferably on the back) so that we are able to return the item to you, intact, should we need to. More information regarding Return to Sender can be found in section 15.

8. How to pay for postage and other services

8.1 Of the services contained within this Scheme the following are provided (as long as specific requirements are met) free of charge:

- Articles for the Blind,
- Petitions and Addresses to the Sovereign,
- Petitions to Parliament & Assemblies and
- Poste Restante.

The specific requirements for these services are set out in sections 22 to 26 below of this Scheme.

8.2 The other services that are contained in this Scheme require payment for **postage**. These services are:

- First Class,
- Second Class,
- Royal Mail Signed For 1st Class,
- Royal Mail Signed For 2nd Class and
- Special Delivery.

The specific requirements for First Class, Second Class with delivery confirmation, Royal Mail Signed For 1st Class, Royal Mail Signed For 2nd Class and Special Delivery are set out below in sections 19 to 21 of this Scheme.

8.2.1 The services listed above in 8.2 can be paid for by applying postage stamps, **postage labels** (which can be generated by our on-line postage applications or by Post Office® branches) or by use of a franking machine³.

8.2.2 First Class, Second Class, Royal Mail Signed For 1st Class, and Royal Mail Signed For 2nd Class services can also be purchased using a credit account.

8.3 Stamps can be purchased from us online from our website, from Post Office® branches or from a wide variety of other high street retailers. When postage is purchased from a Post Office® branch it often takes the form of a postage label if it is for anything but the first weight band. Similar postage labels are also available from our online postage tool and through our computer applications (e.g. **SmartStamp®**) which you may subscribe to or sign up for.

8.4 A franking machine allows money to be credited onto it. Postage for items is then paid for, from this credit, on an item by item basis. There is a wide range of franking machines which can either be leased or bought from franking manufacturers. If you use a franking machine you must abide by the terms and conditions that are contained within a separate Scheme document called Royal Mail Franking Letters And Parcels Scheme (which is published on our website) as well as the terms and conditions contained in this Scheme document.

8.5 A credit account allows you to **post** items without pre-payment. You are sent an invoice requesting payment for the items we have conveyed in the preceding period of time. If you set up a credit account with us you must abide by the terms and conditions that are contained within documents called the Royal Mail General Terms & Conditions and the Royal Mail Account Terms (both of which can be found on our website as well as the terms and conditions contained in this Scheme document).

9. How to work out how much postage to pay

9.1 For the services listed in this Scheme that are not free, the amount of postage that you must pay is dependent on several factors. The first is how quickly you would like the item to arrive (the service), the second is what weight the item is (the weight) and the third is how much compensation is required in the event of loss or damage. For items sent using the First Class, Second Class and Royal Mail Signed For 1st & 2nd Class services the amount of postage payable also varies by format (i.e. shape, size & weight):

9.1.1 items which do not exceed 100g in weight and 240mm by 165mm by 5mm in size are deemed to be **letters** for pricing purposes;

9.1.2 items which exceed 100g or 240mm by 165mm by 5mm (in any one or more of the three dimensions) but do not exceed 750g and 353mm by 250mm by 25mm are deemed to be **large letters** for pricing purposes;

9.1.3 items which exceed 353mm by 250mm by 25mm (in any one or more of the three dimensions) up to maximum dimensions of 450 mm by 350mm by 160mm and cylinder shaped items that do not exceed 450mm in length and has a diameter no greater than 160mm neither of which exceed 2 kilograms in weight are deemed to be **small parcels** for pricing purposes; and

9.1.4 items which exceed 450 mm by 350mm by 160mm (in any one or more of the three dimensions) up to maximum dimensions of 610mm by 460mm by 460mm which do not exceed 20 kilograms in weight are deemed to be **medium parcels** for pricing purposes. Exceptions apply (see 9.1.5).

9.2 We aim to deliver a Special Delivery item by 1pm the next **working day** after it has been **posted**. Please note that exemptions do apply in certain circumstances. All Special Delivery items are priced by service and by weight. Compensation for loss or damage is available on the basis of **actual loss** of up to the maximum of the **market value** of the item or £500 (whichever is the lower) comes as standard. Special Delivery is available with enhanced compensation options. Further add on services can also be purchased with Special Delivery such as a Saturday Guarantee or Consequential Loss for additional **service fees**. Further specific details, including compensation, exemption and suspension information, can be found in sections 17.7.4 & 21 below and on the Special Delivery website.

9.3 We aim to deliver:

- A First Class item the next working day after it has been posted.
- A Second Class item within three working days after it has been posted.

Compensation for loss or damage for any format of item sent using the First Class or Second Class services in accordance with this Scheme is available on the basis of actual loss up to the maximum of the market value of the item or £20 (whichever is the lower) comes as standard.

9.4 We aim to deliver:

- A Royal Mail Signed for 1st Class item the next working day after it has been posted.
- A Royal Mail Signed for 2nd Class item within three working days after it has been posted.

Compensation for loss or damage for any format of item sent using Royal Mail Signed for 1st Class or Royal Mail Signed For 2nd Class services in accordance with this Scheme is available on the basis of actual loss up to the maximum of the market value of the item or £50 (whichever is the lower) comes as standard.

Further details of how the Royal Mail Signed For services work can be found in section 20 below.

9.5 To help you find the best service for your needs and budget we provide a price finder tool on our website. Prices and other pricing information can also be found in other locations on the same website (such as product specific pages) including in a Pricing document with all pricing information for the services mentioned in sections 9.1.1 to 9.1.4.

9.6 We may change the rates of postage and service fees from time to time. Changes to postage rates & service fees and the date on which the changed rates and fees will come into effect will be published at least one month (or whatever period of time agreed by us with our regulator, Ofcom) in advance on our website (www.royalmail.com).

10. How to show that an item has had postage paid

10.1 You must show us that postage for an item has been paid for (where it applies) so that we can convey it without delay. Payment is demonstrated by the application of a **postage mark** to the item. The manner in which payment of postage can be shown depends on the method of payment used. Section 8 above set out the most common ways of applying a postage mark (postage stamps, postage labels, **service fee labels**, **franking marks**, marks created by online applications such as SmartStamps®, **Printed Postage Impressions** (PPIs) etc). In addition, a postage mark may be fixed, printed, impressed, embossed or otherwise shown on the envelope or cover of an item as we may specify or approve.

10.2 Postage marks must be applied to the top right hand corner of the envelope or cover of the item unless we specify otherwise. If the item is spherical or without corners the postage mark should be placed above and to the right of the address.

10.2.1 A postage mark that is damaged or imperfect, has been defaced or has anything written or printed over it becomes void and cannot be used to show that postage has been paid.

10.2.2 You can use an adhesive postage stamp which has been perforated by means of a punch provided that the perforation holes are smaller than the holes dividing one stamp from another on a sheet of stamps.

10.2.3 Postage marks can be used only once and then they become void and must not be re-used to pay postage on the same or another item.

10.2.4 Any postage mark that carries an expiry time and/or date will become void from that time and/or date and cannot be used to show that postage has been paid after that time and/or date.

10.3 If you use a franking machine you must apply a franking mark to the cover of the item as set out in the Royal Mail Scheme For Franking Letters And Parcels (which is published on our website) and according to any guidelines that we publish on our Franking help centre website.

10.4 If you make use of a credit account you must apply a Printed Postage Impression (PPI) in accordance with the PPI Licence, the PPI design notes and any guidelines that we publish on our website.

11. Other requirements relating to the address on the cover of an item

11.1 Section 7 set out how to address an item and section 10 set out how payment can be indicated. There are some further things that must be considered with regard to the cover of the item so that we can efficiently convey the item without delay.

11.2 An item must not have on its cover:

- 11.2.1 anything which obscures the postage mark,
- 11.2.2 anything which is likely, in our opinion, to make it difficult for us to apply a postmark to the cover,
- 11.2.3 anything which, in our judgement, is likely to make the postmark illegible,
- 11.2.4 any counterfeit or fake postage mark,
- 11.2.5 any postage mark which we consider may have previously been used to pay postage,
- 11.2.6 signs, words or marks, used without official permission, which could indicate that the item was sent on Her Majesty's Service or was conveyed and delivered by us or
- 11.2.7 any signs, words, images or designs which are offensive, obscene or indecent.

11.3 An item must not be made up in any way or have anything on its cover which, in our judgement makes it difficult or embarrassing to deliver the item.

11.4 A postage mark must not be attached to an item using staples, sticky tape, or any other means that we do not approve.

12. How to hand over (or post) an item

12.1 All items sent using a service provided through this Scheme can be posted in the following ways.

12.1.1 By handing it to an authorised member of staff at a Royal Mail building (typically a Delivery Office, Customer Service Point or Mail Centre) as long as we consider it feasible to do so.

12.1.2 By handing it to an authorised member of staff at a Post Office® as long as considered feasible to do so.

12.1.3 By Business Collection (typically a paid for extra service where we collect the mail from a **business** customer's premises. Business Collections are not covered by this Scheme).

12.1.4 Or in any other manner which we may approve.

12.2 In addition the following services:

- First Class,
- Second Class, and
- Articles for the Blind.

can be posted in the following ways:

12.2.1 by placing it in a post box (typically a red (or very rarely gold) post box on the street) or

12.2.2 by placing it in a **private post box** (typically a post box contained with a shop or other private premises).

12.2.2.1 An item placed in a private post box will be deemed to have been posted when collected by us and not before.

Please note that delivery confirmation for small parcels and medium parcels sent by First Class or Second Class, requires the application of an appropriate postage label purchased online or from a Post Office. The labels are expected to be available online from January 2017⁴ and at a Post Office® from April 2017⁵. Please see section 19 for further details of delivery confirmation.

12.3 An item that has had postage paid by a franking machine must be posted in accordance with the Royal Mail Scheme for Franking Letters and Parcels which is published on our website.

12.4 Items sent through the First Class, Second Class, Royal Mail Signed For 1st Class and Royal Mail Signed For 2nd Class services and via the Special Delivery service that have been paid for with a credit account must be separated out for posting by:

- (i) class,
- (ii) format (if appropriate to the service) and
- (iii) service.

and presented to us in trays, bags, pouches or other containers supplied by us and also in accordance with any conditions set out in the PPI Licence.

12.5 Articles for the Blind sent by a business must present items separate to but in the same manner (as required by section 12.4 above) and at the same time as any items which are posted using a credit account.

12.6 All items must be posted by the latest acceptance time that we determine and advertise or agree with you (as appropriate to the method of posting). Items posted after that latest acceptance time will be considered to have been posted the following working day.

13. How we will treat items that do not meet the requirements set out in this scheme

13.1 Once an item has been posted we may carry out checks on that item.

13.2 Subject to sections 5.4 and 5.8 above (which set out how we treat items that contain prohibited items and/or restricted items where the relevant restrictions or requirements have not been complied with), if an item is found not to meet the conditions set out in this Scheme or an item is found that indicates that insufficient (or no) postage and/or service fee has been paid for the service requested, we may decide at our discretion to do one of the following things set out below within a reasonable period of time.

13.2.1 Deliver the item to the address shown by the service requested.

13.2.2 Deliver the item to the address shown by an alternative service that we determine to be appropriate. In these situations the conditions of the service used to convey the item will apply.

13.2.3 Convey the item part of the way and inform the **addressee** that an item can be collected from a specified location (normally a Royal Mail Customer Service Point) by the addressee or their **representative**.

13.2.4 Treat the item as undeliverable. Details of how we may deal with undeliverable mail can be found in section 15.

13.2.5 Return the item to you.

13.2.6 Refuse to accept it.

13.2.7 If none of the above courses of action are possible we may deal with or dispose of the item at our discretion.

In all cases we may not accept any liability for that item. This provision also applies to items which have been found either in a Post Office® branch or on Royal Mail premises and which appears intended for posting.

13.3 In each case set out in section 13.2 we may require the addressee or you to pay an amount (to be fixed by us in order to cover additional costs) before the item is delivered or released for collection.

13.3.1 In the event of underpaid or unpaid postage and/or service fees the amount due may include a surcharge in addition to the underpaid or unpaid postage to cover administrative costs.

13.3.2 Where the amount due is not paid the item may be dealt with or disposed of at our discretion.

13.4 In each case set out in sections 5.4, 5.8 and 13.2.4 to 13.2.7 we may additionally require you or your representative to pay an amount (to be fixed by us) to cover the costs of returning, dealing with or disposing of the item.

14. Additional marks

14.1 In the course of conveying an item we (or someone authorised by us) may alter the look of the cover of that item. Most usually this is by the addition of a postmark which shows that a stamp has been used and prevents it from being used again. A postmark may also contain an advertising or informative image. We may apply the postmark in any manner we consider appropriate. It is important to note that we may apply any form of postage mark (an image that denotes payment), impression, image, sticker, label or other device we consider suitable for any other postal purpose we consider appropriate.

14.2 We may also charge you a fee (to be fixed by us from time to time) and published on our website for cancelling postage marks with a special postmark including one that incorporates an advertisement, at your request.

15. Delivery including undeliverable and re-posted (Return to Sender) items

15.1 Subject to sections 5.4 and 5.8, we will attempt to deliver items that meet the conditions for the relevant service set out in this Scheme.

15.2 Some items require a signature at the point of delivery and some are too large to fit through a letter box. In these situations someone needs to be present at the address to take delivery of the item.

15.2.1 If no one is available we may attempt to deliver the item to a **neighbour**. Please note that we will never attempt to deliver an item to a neighbour if it is a Special Delivery item or it is an item sent using a service provided under this Scheme and is **Social Security post**⁶.

15.2.2 If a neighbour is available to take delivery of the item we will leave the item with that neighbour and leave a card at the address that the item was addressed to. That card will inform the addressee (or their representative) that an item is (or items are) being held by a neighbour for them and provide the address details for that neighbour and the date and the time that the item was left with the neighbour.

15.2.3 If an addressee does not want their items to be delivered to a neighbour or does not want to take items for neighbours they can opt out of the Delivery to Neighbour service, free of charge, by registering their wish to opt out in such a way as Royal Mail may reasonably require from time to time.

15.2.4 If a neighbour is not available to take delivery of the item, or the addressee has opted-out and does not want their items to be delivered to a neighbour or to take items for neighbours, we will take the item back to the Delivery Office or an alternative location such as a Post Office® branch. We will leave a card at the address that the item was addressed to.

15.2.5 The card that is left at the address will inform the addressee (or their representative) that we attempted to deliver an item or items and will offer the addressee (or their representative) one or more of the following opportunities:

15.2.5.1 to request that the item be redelivered to the same address,

15.2.5.2 to request that the item be redelivered to an alternative local⁷ address. Please note that this option is not available with Special Delivery items or any item sent using a service provided under this Scheme and is Social Security post,

15.2.5.3 to collect (after the required period of time stated on the card has elapsed to allow for the item to reach that location and once identification has been provided that we deem to be suitable) the item from the Delivery Office or the alternative location such as a Post Office® branch to which the item was taken back to or

15.2.5.4 to request that the item be sent from the Delivery Office or other location (other than a Post Office® branch) to a Post Office® branch for collection. This service is called Redelivery to Post Office and incurs an additional fee. When collecting the item the addressee (or their representative) must provide the card that was left at the address and identification that we deem acceptable. Further details including the current fee and identification requirements can be found on our website.

15.3 We may decide not to deliver an item which we consider impracticable or unreasonable to deliver. Such an item is referred to in this Scheme as undeliverable. We may consider an item to be undeliverable if we are of the opinion that:

15.3.1 following a failed first delivery attempt, the addressee has not taken advantage of any of the opportunities set out in 15.2.5 within the advertised holding period,

15.3.2 following a failed first delivery attempt, we are required, by law to return an item immediately to you (e.g. Royal Mail's obligations in relation to Social Security Post),

15.3.3 the address is unsafe or unsecure or if no delivery point has been provided, or if access to the delivery point has been prevented or impeded,

15.3.4 the address to which the item is to be delivered is not permanently occupied⁸,

15.3.5 the item is not fully and correctly addressed in a manner which includes all the elements of the address (including the full postcode), written clearly on the front or on a label securely attached to the front of the cover (or otherwise in a manner such that the address is clearly visible in its entirety as if it had been written on the front of the cover),

15.3.6 the address is illegible,

15.3.7 the health and safety of any individuals may be put at risk or

15.3.8 for any other reason, we form the opinion that it is impracticable or unreasonable to deliver the item.

15.4 Where an item is undeliverable and:

15.4.1 your name and your address (as long as it is in the United Kingdom, the Channel Islands of the Isle of Man) are legible on the cover, we may return the item to you unopened.

15.4.2 the item was originally paid for by franking machine or by using a credit account and your name and address are (a) not on the cover or (b) they are illegible or (c) your name and address are legible on the cover but the address is outside the United Kingdom, the Channel Islands or the Isle of Man, then the item may be dealt with or disposed of at our discretion.

15.4.3 the item was not originally posted as a franked item and your name and address are (a) not on the cover or (b) they are illegible, then the item may be opened. If your name and address are legible inside, the address is in the United Kingdom, the Channel Islands or Isle of Man, and the item does not consist solely of advertising material, newspapers or magazines, then the item may be returned to you. Otherwise the item may be disposed of at our discretion.

15.5 We will not charge any additional postage or fee for returning an undeliverable item but you or your representative may have to pay any other fees (e.g. surcharges or customs charges) that apply. If any applicable fee is not paid, the item may be dealt with or disposed of at our discretion.

15.6 Return to Sender - We will return an item to you from the delivery address, if the following conditions are all met – i.e. the item:

- was originally posted using a service set out in this Scheme,
- is re-posted by the addressee or any other person for any reason,
- with the original address crossed out,
- with a clear instruction to return the item to you written on the cover,
- with the return address written fully, correctly and legibly on the cover and
- the return address is in the United Kingdom, the Channel Islands or the Isle of Man.

15.7 Forwarding – unofficial redirections – We are not under any obligation to do anything with an item that someone requests to be forwarded to another address other than the return to sender address on the cover. We consider these unpaid for, forwarding requests to be a form of unofficial redirections request. Typically in this situation the original address is crossed out and a written request (e.g. “please forward to”) is made on the cover to forward the item to another address. This is normally attempted in order to try to get the item to the addressee who has moved to another address. In these situations the person moving should take out a Redirection service with us or provide pre-paid stationery. If we find an item that someone has requested be forwarded to another address then the item may be dealt with or disposed of at our discretion.

16. Complaints handling process

16.1. We aim to provide you with a reliable and consistent service at all times. If, however, you are unhappy with the service we have given you, this section will help you to get in touch with us to discuss your complaint and – if applicable – refer your complaint to an external, independent Ombudsman style service for resolution.

16.2. There are 3 internal stages in our complaints handling process and then the final Ombudsman style stage. Further information and contact details for each stage are available on our website.

Stage 1: Contacting our Customer Services Advisors

16.2.1. Our Customer Services Advisors will make every effort to investigate and resolve your complaint providing you with an appropriate response. If you are not happy with the reply you can escalate your case to the Escalated Customer Resolution Team.

Stage 2: Contacting our Escalated Customer Resolution Team

16.2.2. Our Escalated Customer Resolution Team is trained in dealing with escalated complaints. They will endeavour to resolve your concerns. However, if after allowing them another chance to deal with your complaint you remain dissatisfied, you can contact the Postal Review Panel.

Stage 3: The Postal Review Panel

16.2.3. The Postal Review Panel will take a fresh and impartial look at your case and provide a final response from us about your complaint.

16.2.4. If you are not satisfied after the Postal Review Panel has provided you with a final response then your case will be considered ‘deadlocked’. Customer complaints in deadlock can be referred to the external, independent Ombudsman style service.

Stage 4: The Postal Redress Service – an external, independent Ombudsman style service

16.2.5. If you remain dissatisfied with the response you have received after contacting the Postal Review Panel and you have received a deadlock letter, you may be able to escalate your complaint to the independent Ombudsman style scheme, the Postal Redress Service (POSTRS).

16.2.6. POSTRS’s role is to resolve disputes between regulated postal operators (such as us) and their customers. POSTRS provide a free service and we are bound by their findings.

16.2.7. Depending on the nature of the specific complaint, POSTRS may be available. A list of products within the POSTRS scheme can be found on our website. Generally, the service is available to you if:

- We have not been able to settle your complaint within the 90 day timescales set out by Royal Mail Customer Services.
- You have been referred to the scheme through your ‘deadlock’ letter.
- We have not followed our own complaints procedure in handling your complaint.

16.2.8. For further information please refer to POSTRS’s website www.cedr.com/postrs.

17. Compensation – what we are liable for

17.1 The vast majority of items arrive safely on time. But, in a tiny fraction of cases items may be lost, damaged or delayed. In these situations we may refund postage and/or service fee and award compensation. Where we do not do what we were paid to do (e.g. gain a signature) a refund of the fee paid for that service may be payable by us. This section provides details as to:

- what items qualify for refunds and compensation,
- what compensation is available and
- how and when claims need to be made.

17.2 We will accept liability, may refund postage and/or service fees and may pay compensation for the **loss** of, **damage to**, **part loss** of or delay of an item posted under this Scheme, unless that item:

17.2.1 is considered by us to be undeliverable (as set out in section 15.3 above),

17.2.2 is one that has been successfully delivered but subsequently made the subject of a Return to Sender request (as set out in section 15.6 above),

17.2.3 is considered by us to be subject to a forwarding or unofficial redirection request (as set out in section 15.7 above),

17.2.4 has not fully meet all of the conditions set out in this Scheme (as mentioned in sections 5.3, 5.7 and 13.2),

17.2.5 is considered by us to indicate that insufficient (or no) postage and/or service fee has been paid for the service requested (also as mentioned in section 13.2 above),

17.2.6 is one which we have dealt with or disposed of at our discretion as mentioned under any section of this Scheme,

17.2.7 is one that contained prohibited items (as set out in section 5.3 above),

17.2.8 is one that contains restricted items and the requirements for the acceptance of those items have not been met (as set out in section 5.7 above),

17.2.9 is one that is being sent by post in contravention of section 85 of the Postal Services Act 2000 (as amended), which essentially means any item that may damage another item or injure anyone handling that item. Also an item that contains or shows on its cover an indecent or obscene image,

17.2.10 is subject to circumstances where the event leading to the claim was caused by situations outside our control including exceptionally severe weather conditions, acts of terrorism and vandalism and acts of third parties with whom we have no contractual relationship,

17.2.11 is one where the loss, damage or delay is due to a latent or inherent defect or natural deterioration,

17.2.12 is one that we do not believe has suffered damage or delay solely as a result of its transmission through the post. In particular where the cover does not appear to us to have suffered damage consistent with the damage caused to the contents of that item,

17.2.13 is one where the damage was pre-existing, that is, where the item was already damaged when it was posted, or

17.2.14 is one which has been re-directed to an address in the Channel Islands or the Isle of Man.

17.3 For clarity, where an item falls into one of the categories listed in sections 17.2.1 to 17.2.14 then we will not accept liability, will not refund postage and/or service fees or pay compensation for the loss of, damage to or delay of that item.

17.4 In addition to section 17.3 we will only accept liability, may refund postage and/or service fees and may pay compensation where the loss, damage or delay is due to any wrongful act done, or any neglect or default committed by a member of staff or agent of Royal Mail while performing or purporting to perform his functions as such in relation to the receipt, conveyance, delivery or other dealing with the item.

17.5 In addition to sections 17.3 and 17.4 we do not accept liability, will not refund postage and/or service fees or pay compensation for loss, damage or delay to an item where the loss, damage or delay is caused by your own act or omission in the course of either preparing to post or actually posting the item.

17.6 For the avoidance of doubt we will not accept liability, will not refund postage and/or service fees or pay compensation for loss, damage or delay to an item where the item was posted with, or handled by another postal operator or third party (other than a neighbour who has taken in an item under the delivery to neighbour arrangements mentioned in section 15.2 in which case the same compensation arrangements apply as they do for any item that was successfully delivered first time). What determines compensation payable

17.7 The amount of compensation that is payable depends on a number of factors including:

- The service used,
- The nature of compensation being sought (that is, is it for loss, damage or delay?),
- The evidence that can be provided and
- The value of the item

17.7.1 Compensation is only available for items sent using the following services:

- First Class,
- Second Class,
- Royal Mail Signed For 1st Class,
- Royal Mail Signed For 2nd Class,
- Special Delivery, and
- Articles for the Blind

17.7.2 In addition to the information contained in this Scheme we publish a policy for each type of compensation which can be found through the following links. These policies may be updated from time to time and the latest versions will always be published on our website: Royal Mail's retail compensation policies

Claims and evidence

17.7.3 We will only consider a claim for loss, damage or delay compensation where the minimum **basic evidence** is available and provided. Where only basic evidence is provided and the item is one which we accept liability for or has no **intrinsic value** we will refund the postage paid or issue six 1st class stamps⁹ whichever is the higher in value for loss or damage (or part loss).

17.7.4 To claim loss or damage compensation for the intrinsic value of the item **additional evidence** is required as well as the basic evidence. Details regarding what additional evidence is made up of are set out in 17.7.5 below.

Basic evidence is made up of all of the following:

17.7.4.1 the names and addresses of you, the addressee and, if different, the claimant,

17.7.4.2 the name of the service used,

17.7.4.3 the value of the postage paid and method of postage, e.g. stamps, franking impression, Smartstamp®. If the value of the postage paid is greater than the value of six 1st class, letter format, stamps (at the first weight step) then evidence of postage paid should be provided which could be product documentation, a certificate of posting or a receipt,

17.7.4.4 the place of posting,

17.7.4.5 the date of posting,

17.7.4.6 the basis for asserting the posting details and product used (such as date of postmark or certificate of posting (if available). For Special Delivery, Royal Mail Signed For 1st Class, Royal Mail Signed For 2nd Class and parcels sent by First Class or Second Class with delivery confirmation, the product documentation provided to you when posting the item (i.e. certificate of posting or receipt)

17.7.4.7 a detailed description of the contents,

17.7.4.8 in addition, for damage (or part loss) and delay claims the date of delivery, and

17.7.4.9 in addition, for damage (or part loss) claims a description of the packaging and condition of the mail item itself.

17.7.5 As mentioned in section 17.7.4 above in order to claim loss or damage compensation for the **actual loss** of the item additional evidence is required.

Please note that, when claiming for actual loss, there is a cap on the amount of compensation that can be paid. For Special Delivery it is the lower of market value or £500 (or £1,000 or £2,500 if enhanced compensation has been purchased).

For Royal Mail Signed For 1st Class and Royal Mail Signed for 2nd Class it is the lower of the market value or £50. For items sent by the Articles for the Blind service it is the lower of the market value or £46 For all other services listed in section 17.7.1 it is the lower of market value or £20.

Details are summarised in Tables 1 & 2 below section 17.7.7 of this Scheme.

17.7.5.1 Additional evidence is made up of evidence of posting and evidence of value.

17.7.5.1.1 Evidence of posting can be:

- Any original Certificate of Posting (provided automatically for Royal Mail Signed for 1st Class, Royal Mail Signed For 2nd Class, parcels sent by First Class or Second Class with delivery confirmation and Special Delivery and available on request and free of charge at Post Office® branches for other items),
- Original Smartstamp® or on-line postage certificate of posting validated at a Post Office® branch,
- Or for damage (or part loss) claims the item with cover and packaging, showing the postage paid as well as the original Certificate of Posting if provided as part of the service purchased (i.e. Royal Mail Signed For 1st Class, Royal Mail Signed For 2nd Class, parcels sent by First Class or Second Class with delivery confirmation and Special Delivery).

17.7.5.1.2 Evidence of value can be:

- Original receipts,
- Bank or credit card statements,
- PayPal records,
- Invoices,
- Manufacturing costs,
- Auctioneers valuations,
- Repair quotations etc.

This list is not exhaustive. It is provided for illustrative purposes. All evidence of value must be originals and not copies. You are advised to make copies before sending us originals.

17.7.5.1.3 In addition to information set out in 17.7.5.1.1 - 2 for eBay claims you must also include the following:

- item sale page and PayPal or bank/credit card statement and
- eBay item number.

17.7.6 Please note that all of the packaging and contents of damaged items or items subject to part loss must be retained as we may need to inspect them. If they are not retained then compensation may not be paid.

17.7.7 We may at any time request additional documentation and/or information from the claimant, sender or recipient to protect against unwarranted or duplicate claims. This includes, but is not limited to, a declaration of non-receipt (or proof of non receipt in appropriate cases).

Making a claim

17.8 This section sets out some details for making a compensation claim. The full process for making a claim is set out on our website. We may reject claims that do not follow that process.

17.8.1 Claims should be made by you or the intended recipient of the item. However we will only make a payment once in respect of any item.

17.8.1.1 If you and the intended recipient both make a claim for the same item, then only you will have a right to compensation, unless a compensation payment has already been made to the recipient, in which case you will have no right to compensation.

17.8.2 Any loss, damage (or part loss) and delay claims must be made as soon as possible after the incident to help us investigate. Claims must be made by the deadlines set out below.

17.8.2.1 Please note that loss claims can only be made if the item has not been delivered (or had delivery attempted) 10 or more working days after the **due date** (5 working days for Special Delivery items).

17.8.2.2 All loss and damage (or part loss) claims must be made within 80 calendar days of the date of posting for all services covered by this Scheme.

17.8.2.3 Claims for delay relating to items posted using any of the First Class, Second Class, Royal Mail Signed For 1st Class, Royal Mail Signed For 2nd Class or Articles for the Blind services will only be considered valid by us if the item has not been delivered or no attempt has been made to deliver the item within 3 working days of the due date. An extra working day is added if items are posted during the **Christmas and New Year period**. If an item has been redirected using our Redirection™ service then the period is 6 working days instead of 3; during the Christmas & New Year period this is extended to 8 days.

Table 5 – Due date and qualifying days to be used for determining when an item may be considered delayed outside of the Christmas and New Year period

Service	Due date	Delay if delivered
First Class, Royal Mail Signed For 1st Class & Articles for the Blind	Next working day after posting	3 or more working days after due date. 6 or more working days after due date if redirected item.
Second Class, Royal Mail Signed For 2nd Class	3 working days after posting	

17.8.2.4 Claims for delay relating to items sent using the Special Delivery service will only be considered valid by us if the item has not been delivered or no attempt has been made to deliver the item within 24 hours of the due date. This applies all year round. If an item sent using the Special Delivery service arrives 7 or more working days after the due date then we will make a payment for substantial delay in addition to a postage refund. Special Delivery items which have been redirected by our Redirection™ service are not eligible for delay compensation.

17.8.2.5 All delay claims must be made within 3 months of posting by you and within one month of delivery (or attempted delivery) by the addressee. We will not accept any liability or responsibility for claims made after this time periods. Please note that any claims for refunds relating to Special Delivery on the basis that the item sent using that service did not arrive by the specified time must be made within 14 days of posting.

17.8.2.6 In respect of claims for the loss and delay of items conveyed to addresses which have been exempted from a daily delivery obligation by our regulator, Ofcom, the assessment of lateness in paragraph 17.8.2.1 and the assessment of when an item is considered delayed in paragraph 17.8.2.3 and 17.8.2.4 shall apply on a case by case basis.

17.8.3 All claims should be made using the correct claim form which is available on our website and can be collected from Post Office® branches. By using the correct claim form we can process your claim as quickly and effectively as possible. Alternatively, claims may be submitted online via our website (www.royalmail.com).

17.8.4 The claim form needs to be completed as fully as possible: hard-copy claims form should be signed and dated by the claimant before being sent to us and all mandatory fields within the online claim form must be completed. Remember that in order to claim loss or damage compensation for actual loss of the item some additional evidence is required and should be sent in with the claim form. Where evidence is submitted online, we reserve the right to request the originals of such documents in line with section 17.7 of this Scheme.

17.8.4.1 If additional evidence cannot be provided then only a postage refund or stamps can be considered.

17.9 No compensation or other payment will be paid by us for loss or damage claims unless the claim is made within 80 days of the date of posting and unless the claim is made in full compliance with the requirements of this Scheme.

17.10 No compensation or other payment will be paid by us for delay claims unless the claim is made within 3 months of posting by the sender or 1 month of receipt by the recipient and unless the claim is made in full compliance with the requirements of this Scheme.

18. Additional terms & conditions for some services

18.1 The terms and conditions set out in sections 5 to 17 apply to all items. These are referred to in this Scheme as the **common terms**. Some services that we offer have additional terms and conditions that are specific to those services. The additional terms are known as the **specific terms** in this Scheme and are contained in the sections below. There is a section each for:

- First Class, Second Class and delivery confirmation (section 19),
- Royal Mail Signed For 1st Class, Royal Mail Signed For 2nd Class and Proof of Delivery (section 20),
- Special Delivery (section 21),
- Articles for the Blind (section 22),
- Petitions and Addresses to the Sovereign (section 23),
- Petitions to Parliament & Assemblies (section 24),
- Poste Restante (section 25) and
- Items sent between the United Kingdom and the Channel Islands and the Isle of Man (section 26).

18.2 When using a service listed in section 18.1, the specific terms must be complied with in addition to the common terms. Where the specific terms conflict with the common terms, the specific terms should be followed as they take priority over the common terms.

18.3 In addition to the common & specific terms contained within this Scheme, other terms and conditions may exist for some services. For example in section 10 above we mentioned that customers using a franking machine must abide by the Royal Mail Scheme For Franking Letters And Parcels (which is published on our website) and according to any guidelines that we publish on our Franking help centre website. Also, customers who make use of a credit account must abide by the PPI Licence, the PPI design notes and any guidelines that we publish on our website. Such terms and conditions may be contained in application forms, licences, or any other document issued or authorised for issue by us and all may be updated from time to time.

19. First Class, Second Class and delivery confirmation

19.1. Delivery confirmation is available¹⁰ for small parcels and medium parcels sent by First Class or Second Class services to addressee's in the UK excluding the Channel Islands and the Isle of Man. It is not available for letters or large letters.

19.2. Where delivery confirmation applies, a scan is taken by Royal Mail upon delivery or attempted delivery to the addressee or to another address such as a neighbour. Data from the scans is available online as described within this section 19¹¹. Please note that delivery confirmation is not a tracked service: it simply provides a way of gaining confirmation of delivery or attempted delivery.

19.3. A Royal Mail barcoded postage label must be applied securely to the cover of the item for which First Class or Second Class has been purchased in a manner and position specified by us. The label is expected to be available online from January 2017¹² and in Post Offices from April 2017¹³.

19.4. You may obtain a copy of the data captured upon delivery or attempted delivery of the item free of charge from our website (www.royalmail.com) up to 12 months after the item was posted.

20. Royal Mail Signed For 1st Class, Royal Mail Signed For 2nd Class & Proof of Delivery

20.1. Royal Mail Signed For 1st Class and Royal Mail Signed For 2nd Class are services which can be bought on their own. Royal Mail Signed For 1st Class and Royal Mail Signed For 2nd Class items will only be delivered to an addressee or their representative once a signature or similar proof of delivery has been gained. Please note that Royal Mail Signed For 1st Class and Royal Mail Signed For 2nd Class are not tracked services; they simply provide a way of gaining the service called Proof of Delivery.

20.2. Royal Mail Signed For 1st Class and Royal Mail Signed For 2nd Class should not be confused with Special Delivery which is highly secure, fully tracked and offers next day delivery, a money back guarantee and is to be used for valuables.

20.3. You must apply (or must ensure someone else applies) a fully completed Royal Mail Signed For 1st Class or Royal Mail Signed For 2nd Class label securely to the cover of the item for which Royal Mail Signed For 1st Class or Royal Mail Signed For 2nd Class has been purchased in a manner and position specified by us.

20.4. Upon delivery of an item with Royal Mail Signed For 1st Class or Royal Mail Signed For 2nd Class added the addressee or their representative must sign (or otherwise provide some form of proof of delivery as we may specify). Where such a signature or proof of delivery is refused to be provided to us then the item may be dealt with or disposed of as we consider appropriate. Please note that the representative could be someone else at the delivery address or a neighbour.

20.5. You may request that our Customer Services provide you with a copy of the signature of the recipient of the Royal Mail Signed For 1st Class or Royal Mail Signed for 2nd Class item that was obtained when it was successfully delivered. This service is called Proof of Delivery and we may charge you an administration fee the value of which can be found on our website. This service is available up to 3 months after the date that the item was posted. If we are unable to provide a copy of the signature or proof of delivery (and cannot show that this was due to a refusal to provide one upon delivery) then we will refund an amount equal to the difference between the Royal Mail 1st Class Service fee and the Royal Mail Signed For 1st Class Service fee or Royal Mail 2nd Class Service fee and Royal Mail Signed for 2nd Class Service fee, depending on the service purchased.

20.6. You may also obtain proof that the Royal Mail Signed For 1st Class or Royal Mail Signed for 2nd Class item was successfully delivered free of charge from our website up to 12 months after the item was posted. Please note that we will only refund an amount equal to the difference between the Royal Mail 1st Class Service fee and the Royal Mail Signed For 1st Class Service fee or Royal Mail 2nd Class Service fee and Royal Mail Signed for 2nd Class Service fee, depending on the service purchased, if a claim is made within 3 months of the item being posted.

21. Special Delivery

21.1. Special Delivery¹⁴ is a service that can be bought on its own. It offers next day delivery by 1pm to most of the UK with online tracking and proof of delivery. We will attempt to deliver a Special Delivery item by 1pm the next working day after it has been posted. If we do not succeed in attempting to deliver by this time we will refund your postage (see below). Please note that some destinations, redirected items, the Inflight Delivery Option set out at point 21.8.3 below and/or addresses where no one is available to accept the item are exempt from this money back guarantee. Please also note that we may suspend the money back guarantee from time to time for exceptional reasons (e.g. extreme weather). More information including an up to date list of UK destinations that aren't covered by the 1pm guarantee can be found on our website.

21.2. Special Delivery also offers a Saturday Guarantee add on for items posted on a Friday and the ability to purchase cover for Consequential Loss. Both are discussed further in sections below. The Special Delivery item will only be delivered to the delivery address once a signature or similar proof of delivery has been gained. Special Delivery is our only service with tracking that is offered under this Scheme. Royal Mail Signed For 1st Class and Royal Mail Signed For 2nd Class do not offer tracking; they simply provide a way of gaining proof that an item has been accepted at a Post Office® branch and delivered.

21.3. You must apply (or must ensure someone else applies) a fully completed Special Delivery label securely to the cover of a Special Delivery item in a manner and position specified by us.

21.4. Upon delivery of a Special Delivery item the addressee (or their representative) must sign their name (or otherwise provide some form of proof of delivery as we may specify). Please note that the person who signs for the item may not be the addressee; it could be anyone at the delivery address. Where such a signature or proof of delivery is not provided to us then the item may be dealt with or disposed of as we consider appropriate.

21.5. You may request that our Customer Services provide you with a copy of the signature of the recipient of the Special Delivery item that was obtained when it was successfully delivered. This service is called Proof of Delivery. This service is available up to 3 months after the date that the item was posted. If we are unable to provide a copy of the signature or proof of delivery (and cannot show that this was due to a refusal to provide one upon delivery) then we will refund the postage paid.

21.6. You may also obtain proof that a Special Delivery item was successfully delivered free of charge from our website up to 12 months after the item was posted. Please note that where we fail to give you Proof of Delivery we will only refund postage if a claim is made within 3 months of the Special Delivery item being posted.

21.7. Special Delivery items posted on a Friday are due for delivery the following Monday¹⁵ (or next working day following a Bank Holiday). Saturday Guarantee can be purchased for an additional service fee at a Post Office® branch if delivery on the Saturday rather than the Monday is required. The exemptions and suspensions previously mentioned in 21.1 still apply¹⁶; information can be found in on the Special Delivery website.

21.8. Prior to delivery of the Special Delivery item, the addressee may (using the Special Delivery tracking number), request one of the following delivery options:

21.8.1. the item is held at the Customer Service Point to be collected by the addressee (or their representative);

21.8.2. the item is delivered to a local Post Office® branch nominated by the addressee so the item can be collected by the addressee (or their representative); or

21.8.3. the item is delivered to the address on a later day (such date to be no later than 6 working days after the original estimated delivery date), (“Inflight Delivery Options”).

21.9. Collection of Special Delivery items as specified at 21.8.1 or 21.8.2 is subject to the addressee (or their representative) presenting identification of the addressee that we deem acceptable.

21.10. Please note that the Inflight Delivery Options at 21.8 are not available in respect of Channel Islands, Isle of Man or HM Forces (also known as BFPO) addresses.

21.11. Whilst we will make reasonable efforts to carry out the Inflight Delivery Options as set out at point 21.8 above, we will not be liable to you or the addressee if we choose not to accept a request or if we are otherwise unable to perform a request. Such circumstances include, but are not limited to, operational reasons, or where insufficient prior notice has been received from the addressee to process the request in good time.

21.12. As mentioned in section 17.7.5 Special Delivery comes with compensation of up to the lower of market value or £500 for loss or damage (or part loss). The purchase of enhanced compensation for an appropriate additional servicefee increases the maximum limit up to £1,000 or £2,500. These limits do not include cover for consequential loss. Consequential loss is the loss that occurs from failure of the Special Delivery service beyond the loss or delay of or damage to an item. For instance the loss of some legal contractual documents may lead to additional financial loss. Our Consequential Loss service is an add on service that will provide additional compensation if things go wrong. It is available for an additional service fee from a Post Office® branch. It is not available for items being sent to the Channel Islands, Isle of Man or HM Forces (also known as BFPO) addresses.

21.12.1. Claims for consequential loss must be made within 14 days of the day the item was posted.

21.12.2. Claims for consequential loss can only be made by you, as the sender of the item, for the loss you have incurred which is over & above and wholly distinct from the actual value of the contents of the Special Delivery item.

21.13. If we find an item which has not met the conditions laid out in this Scheme for a Special Delivery item but which either

21.14. has ‘Special Delivery’ written on it, or anything which suggests that the item is intended to be sent via Special Delivery or

21.15. is found to contain valuables,

21.15.1. then we will treat it as a Special Delivery item.

21.15.2. In either case, if the item is treated as a Special Delivery item, you or the addressee will be charged the appropriate postage for that service. If the fee is not paid the item may be dealt with or disposed of at our discretion.

Terms and conditions relating to submission of notices

The Gazette (which includes the London, Belfast and Edinburgh Gazette) is an official public record and the United Kingdom's longest continuously published newspaper. It is managed by The National Archives (a non-ministerial government department) under a concessionary contract with The Stationery Office Limited ('TSO' or the "Publisher", as defined below). Any capitalised terms referred to in these terms and conditions relating to submission of notices are defined below.

By placing a Notice in The Gazette you are consenting to put official information permanently on the public record and in the public domain, online (in The Gazette website or via The Gazette mobile app), in print, and via a data service (rather than by having to search for notices on The Gazette website, customers can either create a pdf of the Notices that they are interested in, or subscribe to an electronic version of The Gazette (in full or in part) which is provided as a data service).

These terms should be read in conjunction with:

1 The Publisher's [privacy policy](#)

2 The Publisher's [policies relating to submission of notice](#)

which together govern the submission of Notices.

Notice Placers, as defined below, may place a Notice in The Gazette either because there is a statutory requirement to do so, or to do so voluntarily to put information in The Gazette in order to create an official record of fact. All Notice Placers must have the authority to place the notice that they submit for publishing. TSO, as the Publisher, is required to verify the authority of Notice Placers who place Notices and has the authority to refuse to publish Notices from Notice Placers whose authority cannot be effectively verified.

Notices received for publication usually fall under the following broad headings:

Church, Companies, Environment and Infrastructure, Health and Medicine, Honours and awards, Money, Parliament and Assemblies, People, Royal Family and State. Further information can be found at www.thegazette.co.uk.

These terms and conditions ("**Terms and Conditions**") govern submission of Notices (as defined below) to The Gazette. By submitting Notices, howsoever communicated, whether at the website www.thegazette.co.uk (the "**Website**") or by email, post and/or facsimile, the Notice Placer (as defined below) agrees to be bound by these Terms and Conditions. Where the Notice Placer is acting as an agent or as a representative of a principal, the Notice Placer warrants that the principal agrees to be bound by these Terms and Conditions.

The Publisher reserves the right to modify these Terms and Conditions at any time. Such modifications shall be effective immediately upon publication. By submitting Notices to The Gazette after the Publisher has published such modifications, the Notice Placer, including any principal, agrees to be bound by the revised Terms and Conditions.

1 Definitions

1.1 In these Terms and Conditions: "**Authorised Scale of Charges**" means the scale of charges set out at in the printed copy of the Gazette or at www.thegazette.co.uk/place-notice/pricing, as modified from time to time; "**Charges**" means the payment due for the acceptance of a Notice by the Publisher payable by the Notice Placer as set out in the Authorised Scale of Charges; "**Forwarding Service**" means the service provided to use The Gazette's postal box for correspondence in order to prevent a personal address from being publicly and permanently available on the official public record. "**Local Newspaper Notice**" means any notice placed in a local newspaper other than The Gazette; "**Notice**" means all advertisements and state, public, legal or other notices (without limitation) submitted for potential publication in The Gazette by the Notice Placer, save in respect of any Local Newspaper Notice, to which other terms may apply where indicated in these Terms and Conditions; "**Notice Placer**" means any agency, company, firm, organisation or person who has requested to place a Notice in The Gazette, whether acting on their own account or as agent or representative of a principal; "**Publisher**" means The Stationery Office Limited or TSO, with registered company number 03049649, acting in accordance with the concessionary contract awarded by The National Archives.

1.2 the singular includes the plural and vice-versa; and

1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.

2 By submitting a Notice to the Publisher, the Notice Placer agrees to be bound by these Terms and Conditions which, unless stated otherwise in these Terms and Conditions, represent the entire terms agreed between the parties in relation to the publication of Notices in The Gazette and which every Notice shall be subject to. For the avoidance of doubt, these Terms and Conditions shall prevail over any other terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Notice Placer or implied by custom, practice or course of dealing which the parties agree shall not apply, unless otherwise expressly agreed in writing by the Publisher.

3 The Publisher reserves the right, to be exercised at its sole and absolute discretion, to make reasonable efforts to verify the validity of the Notice Placer.

4 The Publisher may, at its sole and absolute discretion edit the Notice, subject to the following restrictions:

4.1 the sense of the Notice submitted by the Notice Placer will not be altered;

4.2 Notices shall be edited for house style only, not for content;

4.3 Notices can be edited to remove obvious duplications of information;

4.4 Notices can be edited to re-position material for style;

4.5 any additions, amendments or deletions required in order to include the minimum necessary information set out in any Notice guidelines shall be confirmed with the Notice Placer; and

4.6 subject to clause 5 below, no amendments to the text (other than those made as a consequence of 4(i) – (v) above) shall be made without confirmation from the Notice Placer.

For the avoidance of doubt, the Notice Placer agrees and accepts that, subject to the limited rights to edit any Notice referred to above, it is the Notice Placer that shall be solely responsible for the content of any Notice, including its validity and accuracy and that the Publisher shall not be responsible for, nor shall have any liability in respect of such content in any way whatsoever.

5 The Notice Placer accepts that it submits a Notice entirely at its own risk and that the Publisher shall have the sole and absolute discretion whether to accept a Notice for publication; whether to publish it (including after acceptance); the timing of any publication of a Notice; or whether to remove or withdraw the Notice after publication, such decision to be final. The Notice Placer must satisfy itself as to the legal, statutory and/or procedural requirements and accuracy relating to any Notice and, for the avoidance of doubt, the Publisher shall have the sole and absolute discretion to refuse to publish or withdraw from publication (if already published) any Notices where the content of the Notice, in the Publisher's sole and absolute opinion, may not comply with any such requirements. In instances where publication has not yet taken place, the Publisher shall notify the Notice Placer of any action required to remedy any deficiency and publication shall not take place until the Publisher is satisfied that such action has been taken by the Notice Placer. Where publication has taken place the Notice placer will be contacted with the proposed remedy which may include, but is not limited to, removal, reinsertion, retraction or substitution notice.

6 Save for any liability that cannot be excluded or restricted by law, The National Archives or the Publisher's (including any successor organisations, affiliates, officers, directors, agents, subcontractors and/or employees) total aggregate liability whether arising from the acts and/or omissions of The National Archives or the Publisher arising out of or made in connection with any Notice or otherwise for any and all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and other professional costs and/or expenses), whether in contract (including under an indemnity or warranty), tort (including negligence), misrepresentation, equity, breach of statutory duty, strict liability or otherwise incurred shall be limited to one hundred and fifty per cent (150%) of the value of the Charge paid for such Notice under these Terms and Conditions.

6A Other than as set out in clause 6 above, neither the Publisher, nor The National Archives, shall have any liability in respect of any act and/or omission of the Notice Placer and/or any third party or in respect of any Notice submitted by any Notice Placer for potential

publication in The Gazette, which the Notice Placer warrants and accepts is solely its responsibility.

7 For the avoidance of doubt, subject to clause 6 above and save for the payment of the Charges, in no circumstances shall either party be liable for any losses including, without limitation, loss of revenues, profits, contracts, business or savings or anticipated savings, any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for a failure to publish, or has published a Notice in error or with an error, the Publisher shall, at no charge to the Notice Placer, either publish the Notice at the next suitable opportunity, or in the event of an error, remove the Notice or publish a reinsertion, retraction or substitution Notice as appropriate at the next suitable opportunity. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Notice Placer (including any principal, if applicable) and the full extent of the limit of the Publisher's liability in these circumstances.

9 In the event that the Publisher believes, in its sole opinion, a Notice Placer is submitting Notices in bad faith, is in breach of clause 11 below, or has dealings with Notice Placers who are in breach of these Terms and Conditions or has breached such Terms and Conditions previously, the Publisher may require further verification of information to be provided by the Notice Placer and may, at its sole and absolute discretion, delay publication of those Notices until it is satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in The Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of The Gazette.

11 The Notice Placer warrants:

11.1 that it has the right, power and authority to submit the Notice;

11.2 the Notice is true and accurate in all respects and does not mislead or contain potentially fraudulent information;

11.3 the Notice is submitted in good faith, does not contravene any law (statutory or otherwise), nor is it in any way illegal, defamatory or an infringement of any other party's rights or of any applicable advertising regulations, guidelines or codes of practice, nor is it subject to any court order prohibiting such publication.

12 To the extent permissible by law the Publisher excludes all warranties, conditions or other terms, whether implied by statute or otherwise, relating to the placing of any Notices.

13 The Notice Placer agrees to fully indemnify (as a debt) and hold the Publisher and The National Archives or any successor organisation, including any affiliates, officers, directors, agents, subcontractors and employees harmless from all liabilities, costs, expenses, damages and losses (including, without limitation) any direct, indirect, consequential and/or special losses and/or damage, loss of profit, loss of reputation and/or goodwill and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and/or expenses (including legal costs) suffered or incurred (including negligence) in respect of any matter arising out of, in connection with or relating to any Notice (including, without limitation, clause 11 of the Terms and Conditions) and including (without limitation) in respect of any claim and/or demand (including threatened and/or potential claims or demands) made by any third party which may constitute a breach and/or potential breach by the Notice Placer (or their principal) of these Terms and Conditions or of any law and/or any of the rights of a third party. The Publisher shall consult with the Notice Placer as to the way in which such applicable claims, demands or potential claims or demands are handled but the Publisher shall retain the sole, absolute and final decision on all aspects of any matter arising from the aforementioned indemnity, including the choice of instructing legal representatives, steps taken in or related litigation and/or decisions to settle the case. The Notice Placer shall use best endeavours to provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request including in respect of any principal (if applicable) and including, without limitation, the provision of and/or access to witnesses, access to premises and delivery up of documents and/or any evidence, including supporting any associated litigation and/or dispute resolution process.

14 The Notice Placer shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Notice Placer and/or the Publisher in relation to a Notice. The Publisher reserves the right, following a claim or threatened claim, to immediately remove the Notice which is the subject of the complaint from the website at www.thegazette.co.uk and all other websites controlled by the Publisher containing the

Notice, as well as from any other medium in which the Notice has been placed that is controlled by The Gazette, where possible. The Publisher may (at its sole and absolute discretion) require the Notice Placer to amend the Notice at its own cost before it agrees to re-publish the Notice if it is capable of rectification to avoid the claim, threatened or suspected claim. Any reinstatement of the Notice shall be at the sole and absolute discretion of the Publisher, whose decision in respect of such matter shall be final.

In exceptional circumstances, for example if the Notice was found by the Publisher to have been submitted by an unauthorised Notice Placer, the Publisher (upon receiving written approval from The National Archives) will remove a Notice in its entirety from www.thegazette.co.uk, but will retain the Notice identification online and include explanatory text saying why and when the Notice was removed.

15 The Notice Placer acknowledges that the Publisher may re-use Notices and/or allow third parties to re-use Notices accepted for publication in The Gazette for ongoing Gazette-related activity – for example to create a company profile page on The Gazette website and where you have also opted for a newspaper advertisement as well as a Gazette notice – and hereby assigns to the Publisher for and on behalf of the Crown, all rights, including but not limited to, copyright and/or other such intellectual property rights (as applicable) in all Notices, and warrants that any such activity in respect of any Notice (including any activity in the preparation of such Notice for publication in The Gazette) by the Publisher and/or third parties does not and will not infringe any legal right of the Notice Placer or any third party. For the avoidance of doubt, all Notices and any content therein shall be Crown copyright and may be subject to the Open Government Licence (or any variation thereof).

16 The Notice Placer accepts that the purpose of The Gazette is to disseminate information of interest to the public as widely as possible in the public interest. The Notice Placer accepts that the information contained in the Notices published in The Gazette may be used for additional purposes by the Publisher or third parties after publication as stated above and that such use may be beyond the control of The Gazette. In such instances, the Notice Placer agrees that the Publisher shall have no liability whatsoever in respect of such use by the Publisher or third parties. The Gazette will at all times act with confidentiality, discretion and adhere to any legislative requirements.

17 The Notice Placer acknowledges and agrees that the publication of any Notice is subject to any court order and/or direction of the court or such other regulatory and/or enforcement authorities including the Information Commissioner's Office, the police, the Financial Conduct Authority (and such other related regulatory organisations), the Solicitors Regulation Authority and such other authorities as may be applicable (without limitation) and that the Publisher may delay, refuse to publish or withdraw from publication if it has received evidence to that effect and may not publish such notice until it has received written evidence from the court (as the Publisher may reasonably require from time to time) that demonstrates that any previous order and/or direction has been withdrawn and/or is no longer applicable (as the Publisher may reasonably require from time to time) and/or, subject to any statutory and/or applicable laws, The Gazette may share information and/or data related to the Notice and/or the Notice Placer's account related to such authorities and the Notice Placer hereby consents to such disclosure(s).

18 In respect of any Local Newspaper Notice, this clause 18 shall apply. For the avoidance of doubt, all other terms of the Terms and Conditions shall apply to Local Newspaper Notices only to the extent that they do not conflict with the terms set out below. In the event of any conflict, the terms set out in this clause 18 shall prevail:

18.1 The Local Newspaper Notice may be placed in a local newspaper by any subcontractor and/or a third party organisation at the Publisher's sole and absolute discretion and the Notice Placer hereby consents to such use (including any activity that is ancillary and/or reasonably necessary to such use). For the avoidance of doubt, this may include the processing of personal data in accordance with the EU General Data Protection Regulation (Regulation 2016/679), and any legislation which implements, amends, re-enacts or replaces it in England and Wales, Northern Ireland or Scotland ("GDPR"), by the Publisher, any subcontractor and/or third party organisation, together with the local newspaper and related organisations;

18.2 The placement of a Local Newspaper Notice shall be upon the standard terms and conditions of the local newspaper in question in

addition to these Terms and Conditions. The Notice Placer expressly agrees to such local newspaper terms and by submitting a Local Newspaper Notice to The Gazette, expressly consents to the Publisher, its subcontractors and/or any applicable third party organisation agreeing to such terms on behalf of the Notice Placer; 18.3 To the extent that such local newspaper and the applicable terms allow, where the Publisher, any subcontractor, any third party acting on behalf of the Publisher and/or the local newspaper is responsible for any error, the Publisher shall arrange for the local newspaper to publish the corrected Local Newspaper Notice at no additional cost to the Notice Placer. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Notice Placer (including any principal, if applicable) and the full extent of the limit of liability in these circumstances;

In the event that a corrected Local Newspaper Notice is not published for whatever reason, the total aggregate liability of the Publisher and The National Archives, whether direct or indirect, and including (without limitation) all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and/or other professional costs and/or expenses) suffered or incurred, howsoever arising (including negligence), whether arising from the acts and/or omissions of the Publisher, The National Archives and/or the Notice Placer and/or any third party (including, without limitation, any principal of the Notice Placer) or arising out of or made in connection with the Notice or otherwise shall be limited to the value of the Local Newspaper Notice placed through The Gazette except that nothing in these Terms and Conditions shall limit or exclude any liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's or The National Archives' negligence or the negligence of the their agents, subcontractors and/or employees or third parties acting on behalf of the Publisher.

19 In respect of the use of the Forwarding Service, The Gazette will replace the Notice Placer or executor's address with The Gazette's postal box address in the Notice, and Local Newspaper Notice if applicable. All correspondence received will be sent on from The Gazette to the Notice Placer or executor (if different).

Please be aware that correspondence received by The Gazette's postal box may be opened (for example in circumstances where the intended recipient of the correspondence is not clear) and in using this service you are consenting to this, however The Gazette will at all

times act with confidentiality, discretion and adhere to any legislative requirements.

The Forwarding Service will remain in place for a period of 10 months from publication of the Notice in The Gazette, or 10 months from publication of the Notice in a Local Newspaper, in line with the Inheritance (Provision for Family and Dependants) Act 1975. After the 10 months period has lapsed any correspondence received will be returned to the sender where possible or securely destroyed, and the Notice Placer or executor's name and address details will be removed from the Forwarding Service.

20 The Notice Placer accepts that the Charges may be amended from time to time and will be payable at the rate in force at the time of invoicing unless otherwise agreed by the Publisher in writing. The Charges must be paid in full by the Notice Placer in advance of publication unless other requirements of the Publisher in respect of the payment of such Charges (as determined from time to time) are notified to the Notice Placer.

21 Please note that we use PayPage by Verifone on The Gazette to process credit or debit card transactions. This involves a £1.00 pre-authorised transaction by your bank to check that funds are available and that sum is then reserved, although no actual deduction or charge takes place. The reserved funds then become available to the customer after the pre-authorisation expires usually between 3-7 days (as a guideline). We use this process to validate all card orders and this allows us to hold orders for goods that are out of stock or not yet published as we do not charge for these until the goods are in stock. By placing the order, you agree to such pre-authorisation processes.

22 If the Notice Placer wishes to make a complaint, all such complaints shall be submitted in writing to customer.services@thegazette.co.uk

23 Save in respect of The National Archives (or any successor organisation), a person who is not a party to these Terms and Conditions has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Terms and Conditions but this does not affect any right or remedy of a party specified in these Terms and Conditions or which exists or is available apart from that Act.

24 These Terms and Conditions and all other express terms of the contract shall be governed and construed in accordance with the laws of England and the parties hereby submit to the exclusive jurisdiction of the English courts.
