TUESDAY, JUNE 26, 1832.

At the Council-Chamber, *Whitehall*, the 21st day of
June 1832,

By the Lords of His Majesty's Most Honourable
Privy Council.

WHEREAS by an Act passed in the second year of the reign of His present Majesty, intituled "An Act for the prevention, as far as may be possible, of the disease called the cholera, or spasmodic, or Indian cholera, in Scotland," it is, amongst other things, enacted, that it shall and may be lawful for the Lords and others of His Majesty's Most Honourable Privy Council, or any two or more of them (of whom the Lord President of the Council, or one of His Majesty's Principal Secretaries of State for the time being, shall always be one), by any Order or Orders to be by them from time to time made, to establish, and again, from time to time, by any such Order or Orders, to revoke, renew, alter, or vary all such rules and regulations, or to substitute any such new rules and regulations as to them may appear necessary or expedient, for the prevention, as far as may be possible, of the spreading of the said disease, called the cholera, or spasmodic, or Indian cholera, in Scotland, or any part thereof, or for the relief of any persons suffering under, or likely to be affected by, the said disease:

And whereas by another Act, passed in the same second year of His present Majesty's reign, intituled "An Act for altering and amending an Act passed in the present session of Parliament, for the prevention, as far as may be possible, of the disease called the cholera, or spasmodic, or Indian cholera, in Scotland," it is, amongst other things, enacted, that all and every the expences which

may be reasonably and properly incurred in carrying into effect any Order or Orders of His Majesty's Most Honourable Privy Council, so to be made as in the said before mentioned Act, provided or sanctioned after they are incurred by any such Order, shall, whenever the occasion of such expence has arisen within any city, burgh, or town, be levied and defrayed by a special assessment to be made from time to time for this purpose by authority of the magistrates of such city, burgh, or town, in the manner therein prescribed, and where the occasion of expence shall arise in any landward parish (or in the landward part of any parish containing any burgh, or part of a burgh), the same shall be levied by a special assessment, to be from time to time made by the heritors, or their special mandatories, of such parish, or landward part of a parish, upon the owners and occupants of the lands, houses, and other heritages within the said parish, or landward part of a parish, in the manner therein set forth:

And whereas the said disease hath extended to different parts of Great Britain, and the burgh of *Rothesay* hath been affected with the said disease:

And whereas an Order in Council was issued by the Lords of His Majesty's Most Honourable Privy Council, on the tenth day of March last past, empowering every Board of Health, constituted by virtue of an Order of His Majesty's Privy Council, to apply to the acting chief magistrate of any burgh, or the minister, or any three of the resident heritors, of any parish for which Boards of Health are appointed, to convene a meeting of the burgh magistrates and members of the kirk-sessions, and resident householders occupying houses rated to the house duty, at twelve pounds or upwards of yearly

value, in any burgh, and the resident heritors, and agents for non-resident heritors, together with the tenants paying fifty pounds of yearly rent, and the members of the kirk-sessions of every landward parish, or landward part of a parish, and to apply to such meeting for the authority and powers therein mentioned, and for funds to defray the necessary expences thereof, of which the amount should be declared and fixed by the said meeting, and further directing the proceedings to be taken at such meeting, and the course to be pursued by such Boards of Health consequent upon the determination of such meetings:

And whereas it hath been shewn to the satisfaction of their Lordships, that application for authority and powers to carry into effect the purposes of the Acts above-recited, and the measures of precaution in the said Order described, and to provide a certain sufficient sum of money for the discharge of all necessary expences incurred for sanitary purposes, amounting in the whole to the sum of four hundred and sixty-seven pounds thirteen shillings and four pence, to be levied by assessment on the burgh of *Rothesay*, and a like application for the sum of two hundred and thirty-three pounds six shillings and eight pence, to be levied by assessment on the landward part of the parish of *Rothesay*, hath been made by the Board of Health for *Rothesay* to the meeting of burgh magistrates and resident householders in the burgh of *Rothesay*, and to the heritors and tenants of the landward part of the parish of *Rothesay*, and a great majority of such meeting hath consented to confer the necessary powers, and to provide for the expences aforesaid, when and so soon as such measure shall have received the sanction of the Lords of the Privy Council:

And

And whereas it doth appear to the Lords and others of His Majesty's Most Honourable Privy Council (of whom the Lord President of the Council is one,) proper and expedient to sanction, by an Order of the Lords of the Privy Council, the resolutions of the majority of the said meeting, making provision for the expences incurred by the Board of Health for Rothesay, in taking measures for the prevention of the spread of the said disease, and in affording relief to persons suffering by, or likely to be affected with, the said disease, and for other sanitary purposes:

It is therefore ordered by the Lords and others of His Majesty's Most Honourable Privy Council (of whom the Lord President of the Council is one,) in pursuance and exercise of the powers vested in them by both the before-recited Acts, and of all other powers enabling them in that behalf, that so much of the Order of the tenth day of March last past as requires the amount of the sum to be defrayed in discharge of the necessary expences, to be fixed and declared by such meeting of magistrates and householders for burghs, and of heritors, tenants, and kirk-sessions for every landward parish, or landward part of a parish, as aforesaid, be, and it is hereby revoked and altered, in so far as concerns the said burgh of Rothesay, and the sum of four hundred and sixty-seven pounds thirteen shillings and four pence; and in so far as regards the landward part of the parish of Rothesay, and the sum of two hundred and thirty-three pounds six shillings and eight pence; and that the said Board of Health for Rothesay shall and may, and they are hereby authorised and empowered to apply, by their chairman or secretary, to the magistrates of such burgh of Rothesay to raise the said sum of four hundred and sixty-seven pounds thirteen shillings and four pence; and to the heritors, or their special mandatories, of the landward part of the parish of Rothesay, to raise the said sum of two hundred and thirty-three pounds six shillings and eight pence, by special assessments, to be respectively levied in the form and manner by such last-recited Act prescribed, and which assessments such magistrates and heritors are hereby required severally to make, in pursuance and exercise of the powers vested in them by such Act:

And the Lords and others of His Majesty's Most Honourable Privy Council (of whom the Lord President of the Council is one) do hereby declare, that for all acts, deeds, matters, and things which may be necessarily, reasonably, and properly done by such Board of Health, burgh magistrates, heritors, or their special mandatories, and others of His Majesty's subjects, in execution and furtherance of this present Order of the Lords and others in Council, this Order shall be their full and sufficient warrant.
