TO the CREDITORS of GEO. DUTHIE, Merchant in BRECHIN.

The said GEORGE DUTHIE'S Estate having been sequestrated in terms of the Act of the 33d of his present Majesty, he, at the meeting of his Creditor, which was held immediately after his last examination before the Sheriff, made an offer to the Creditors there assembled of a Composition, at the rate of Ten Shillings in the Pound upon the Amount of his Debts, payable with security, as mentioned in the Minutes of the said Meeting; and which offer having been thought just and reasonable by that Meeting, a subsequent Meeting was ordered to be called, for finally determining whether the said Composition should be accepted of or not; and which, after due advertisement having been accordingly held, it was at this last Meeting unanimously resolved to accept of the said Composition, with the Cautioners offered for payment thereof: And the said George Duthie, with the concurrence of the Trustee on his sequestrated estate, having thereafter applied to the Court of Session for a Discharge upon payment of the said Composition in terms of the Statute, the Lord Meadowbank Ordinary officiating on the Bills, before whom the said application came, ordained the same to be intimated once in the Edinburgh Gazette; and upon the elapse of a fortnight after such intimation, and the same being reported, that he, or the Lord Ordinary officiating for the time, would then resume the consideration of the said Application, and pronounce therein as directed by the Statute. Of all which this public Notice is given by the Trustee to all concerned.
