**SALE OF LAND**

AND

**SALMON FISHINGS AT FORT-GEORGE.**

To be Sold by Public Roup, within the Old Signet Hall, Royal Exchange, Edinburgh, on Friday the 12th day of May 1837, at two o'clock afternoon,

ALL and Whole that portion of the Government Land attached to Fort George, beyond the boundary line, at the distance of 1000 yards from the salient angle of the Fort, extending to 549 acres or thereby, of which 166 are arable, and 383 of pasture, gravel, and sand, with the Salmon Fishing along the coast of said Lands. The greater part of the arable land consists of a soil of a fine vegetable mould of considerable depth, and is capable of growing grain crops of the finest quality, besides being well adapted for the Turnip Husbandry. The Situation of this property is equally convenient and desirable, it possesses about one mile and three quarters of a mile of sea coast, with a right of erecting Salmon stake nets thereon, the shipping beach of Campbelton being a part of the same, and its western boundary (separating it from the Garrison ground) is within a very short distance of the Fort, where a ready market can always be had for every kind of Farm produce. The Land and Salmon Fishing are at present out of Lease. Part of the Land adjoining the Village of Campbelton is well adapted for feuing, and may be disposed of to great advantage. There are no Public or Parochial burdens affecting the Lands.

For farther particulars, application may be made to Major-General Wright, Commanding Royal Engineer, North Britain, or to Wm. Waddell, W. S. Edinburgh, Solicitor to the Board of Ordnance, who is in possession of the Title-Deeds and Articles of Roup.
