INDIA BOARD, May 24, 1849.

THE Dispatch, of which the following is an extract, and the accompanying papers, have been this day received at the East India-House, from the Governor-General of India.

The Governor-General of India to the Secret Committee of the East India Company.

Camp, Sidham, April 7, 1849.

(Extract.)

On the 21 ultimo, Major-General Sir Walter Gilbert took possession of the city of Peshawur. Dost Mahomed Khan had fled with his army on the 19th, and had reached the western side of the Khyber Pass. The city of Peshawur was found uninjured; but most of the garden houses in the neighbourhood had been burnt by the Afghans, and the Sikh cantonment completely destroyed.

You are aware, from my Dispatch of the 24th ultimo, that I looked to the occupation of Peshawur, and flight or destruction of Dost Mahomed Khan as results, the accomplishment of which was necessary to enable me to declare the war concluded, and peace restored. The indefatigable ardour of Sir Walter Gilbert, inspiring his troops with like zeal, achieved, with singular rapidity, the crowning successes of the war.

I request your attention to the General Order issued by me on the 2d instant, and to the names of the officers particularly noticed therein.

General Order by the Governor-General of India.

Camp, Ferozepore, April 2, 1849.

The Governor-General has the gratification of publishing, for general information, Dispatches which have been received from his Excellency the Commander-in-Chief, and from Major-General Sir Walter Gilbert, K. C. B. announcing the termination of hostilities in the Punjab.

The Governor-General declared that, before the war could cease, every enemy, whither Sikh or Afghan, should be driven from before us; and the British army has well and gallantly made good his words.

The Sikh Sirdars and the remnant of their army were pursued, have surrendered, and have been disarmed.

The Ameer of Cabool with his troops has fled before the British force, and has been chased ignominiously from the territories he invaded.

The war has thus been brought to an end, and the Punjab has been declared a portion of the British empire in India.

Once again the Governor-General offers to his Excellency the Commander-in-Chief, to the General Officers, the Officers, Non-Commissioned Officers, and Soldiers of the Army, the assurance of his deep and unfeigned gratitude for the great services they have rendered to the country, for the zeal and gallantry they have displayed, and for the sustained and cheerful exertions they have made.

In anticipation of the wishes of the Honourable Court of Directors, the Governor-General will grant to every officer and soldier who has been employed within the Punjab in this campaign, to the date of the occupation of Peshawur, a medal bearing the word "Punjab," in commemoration of the honourable service they have done.

The Governor-General is also pleased to direct that every corps which has been so employed shall bear the same word on their standards, colours, and appointments.

The Governor-General desires to take this opportunity of acknowledging his obligations to officers who have been serving in various positions connected with the army in the field.

The Governor-General is sensible of the zeal and activity of Major-General Sir D. Hill, K. C. B. commanding the reserve, and he would have looked with confidence to his service, if the division under his command had been called into operation.

Brigadier-General Wheeler, C. B. has executed the several duties which have been committed to him with skill and with success, and the Governor-General has been happy to convey to him his thanks.

The Governor-General is indebted to Brigadier Stalker, commanding at Mooltan, for the successful exertions which have been made under his directions, for placing the fort again in a condition of defence, and for maintaining the tranquillity of the country.

The Governor-General begs to acknowledge the service which has been rendered by Lieutenant-Colonel McSherry, 1st Native Infantry, commanding at Govindghur. The energy, vigilance, and tact which he has exhibited, during his occupation of that fortress, have been of much value to the Government of India.

From Sir Frederick Currie, Bart., Resident at Lahore, previously to his return to his seat in Council, the Governor-General received at all times effective and most ready co-operation: and he has continued to receive from Lieutenant-Colonel Sir H. Lawrence, K. C. B. the support which his known ability and experience enable him to afford.

The meritorious conduct of the several Assistants to the Resident has elicited the strong approbation of the Government. In addition to those whom he has before named, the Governor-General offers his especial thanks to Major George Lawrence, for the able management which so long enabled him to maintain his position at Peshawur, and to Captain James Abbott, for the gallant stand he has made in the hills of Hazara.

Lieutenant Taylor has earned the full approbation of the Government by his judicious and persevering efforts, which regained, and have held the province of Bunnoo.

The sustained defence of the Fort of Attock, which was made by Lieutenant Herbert, under circumstances of great difficulty, has been viewed by the Government of India with admiration, and entitles him to their warmest praise.

Mr. John Lawrence, Commissioner of the Trans-Sutlej province, has received the thanks of the Governor-General. Well seconded by his assistants in the district, he has greatly contributed, by his promptitude, energy, and firmness, to the maintenance of the general tranquillity which has prevailed in these newly acquired territories.

The Governor-General especially wishes to record his marked approbation of the manner in which Major Mackeson, C. B. as his Agent with the army, has discharged the duties which were intrusted to him. In the important political matters in which he has been engaged, Major Mackeson's proceedings have been distinguished by ability, judgment, discretion, and firmness; and the Governor-General begs to convey to him the expression of his unqualified satisfaction.

The Governor-General concludes by tendering to the Officers of the Government in his camp sincere thanks for the assistance he has at all times received from them.

He particularly desires to express his obligation to Mr. Henry Elliot, Secretary to the Government of India, for his very able, laborious, and valuable aid in the important affairs which have occupied the Governor-General's attention; and to Colonel Stuart, C. B. Military Secretary to the Government of India, and to Lieutenant-Colonel Benson, C. B. Member of the Military Board with the Governor-General, for the great assistance he has derived from their experience and judgment in the affairs of their respective departments.

While thus congratulating the Army and British Subjects in India on the triumphant success which has been achieved, the Governor-General desires humbly to acknowledge the Hand, by which alone all victory is given.

He has, accordingly, intimated to the Lord Bishop his wish, that, on the first Sunday in May, thanksgiving shall be offered to Almighty God, for the successful termination of the war in which they have been engaged, and for the restoration to the people the blessing of peace.

By order of the Right Honorable the Governor-General of India,
H. M. ELLIOT, Secretary to the Government of India with the Governor-General.

The Commander-in-Chief in India to the Governor-General.

Wuzeerabad, March 25, 1849.

I have sincere satisfaction in forwarding to your Lordship a copy of a Dispatch received this day from Major-General Sir Walter R. Gilbert, K. C. B. commanding the advanced force of this army, dated the 21st instant, announcing the occupation of Peshawur by the British troops, the precipitate retreat of the Ameer Dost Mahomed Khan and his followers beyond the Khyber Pass, and the consequent dissolution of the Afghan confederacy. The brilliant results have been obtained, your Lordship will observe, without a single shot being fired by our troops since the victory of Goojerat, on the 21st ultimo.

It is almost superfluous for me to repeat to your Lordship how very highly I estimate the unwearied and zealous exertions, in these subsequent movements, of that most energetic and able officer Major-General Gilbert, and the excellent troops under his command.

In soliciting your Lordship's particular attention to Major-General Gilbert's commendation of Major F. Mackeson, C. B., your Lordship's Agent with the force, I beg to repeat the high sense I entertain of that officer's merits, and the excellent service he has rendered throughout the campaign.

The Sikh rebellion and Afghan confederacy having been now effectually put down and overthrown, I beg to be favoured with your Lordship's instructions for breaking up the Army of the Punjab, which has, I trust, merited the approbation of your Lordship and the country.

Major-General Sir W. R. Gilbert, K. C. B. Commanding the Field Force on special Service, to the Adjutant-General of the Army.

Peshawur, March 21, 1849.

I advanced this morning from Nowshera to Peshawur, with the Bengal division of my force, and have much satisfaction in reporting, for the information of His Excellency the Right Honorable the Commander-in-Chief, that I am in possession of the city of Peshawur and its Bala Hissar.

The Afghan Army, under command of Ameer Dost Mahomed Khan, retreated from Peshawur on the 19th instant, and is to-day reported to have reached Dakka, on the western side of the Khyber Pass. The city I found untouched by the Affghans, the Ameer having directed the gates to be closed against his troops: but most of the garden-houses in its neighbourhood have been burnt, or otherwise rendered uninhabitable; and the Sikh cantonment at Ali Murdan Khan's Bagh has been burnt to the ground. The fort of Jumrood is also reported to be destroyed.

By the expulsion from the Province of Peshawur of the Ameer and his army, I have carried to a successful conclusion the whole of the instructions of the Right Honorable the Governor-General of India, conveyed to me through his Excellency the Commander-in-Chief, with your letter of the 3d instant. The Sikhs have been humbled, and their power crushed; the British prisoners released from an irksome captivity; and the rich province of Peshawur freed from its Mahomedan invaders. To my troops I am indebted, under Providence, for these glorious results. Since the 1st of the month, they have marched from the Jhelum to the Indus and Peshawur, crossing both rivers under many disadvantages, and overcoming all the obstacles of the road,

which are naturally great, and were much enhanced by our large train of stores and baggage—the necessary incumbrances of a force like this. To both officers and men I am deeply indebted, for their cheerful endurance of the fatigues and privations to which all have been exposed.

I cannot permit myself to conclude this report of my arrival at Peshawur, without expressing to his Lordship my sense of the valuable services rendered me by Major F. Mackeson, C. B., who accompanies the force as Agent of the Governor-General. I am particularly indebted to him for his ready assistance, and for the unwearied and unremitting zeal with which he has performed the important duties of his office. To his cool judgment and unswerving decision of purpose, I owe much of the success that has attended the progress of my force.

From my Staff generally, I have received every assistance.

The Governor-General to the Commander-in-Chief.

Ferozepore, March 27, 1849.

(Extract.)

I have had the honor of receiving your Excellency's Dispatch dated the 25th instant, inclosing a copy of one from Major-General Sir Walter Gilbert, K. C. B., in which he announces the occupation of Peshawur by the force under his command, and the retreat of the Ameer Dost Mahomed Khan and his followers beyond the Khyber Pass.

I request that your Excellency will convey to Major-General Sir Walter Gilbert my strongest approbation of the manner in which the service on which he was sent, has been conducted and performed.

Major-General Gilbert has earned the highest credit by the ability, energy, and discretion with which he has directed these movements; and I am most sensible of the cheerful and continued exertions which have been made by officers and men—exertions which have produced the gratifying result of compelling the surrender of the remnant of the Sikh army, of driving the Afghan Sovereign and his army ignominiously from the country, and bringing the war to a full and most honorable conclusion.

Your Excellency can now proceed to take the proper steps for breaking up the Army of the Punjab.
