

And we further order that an additional Hospital be provided near the affected localities, with a staff of nurses for the sick, and such additional nurses as may be required for attending the sick where necessary, at their own dwellings.

And we further order the Medical Superintendent, whensoever he shall find that additional medical aid is required, shall report the same to the Guardians, and that the Guardians shall immediately provide such additional aid.

Given under our hands, and under the seal of the General Board of Health, this fourteenth day of October one thousand eight hundred and forty-nine.

To the Guardians of the Poor of the WINDSOR UNION, in the County of Berks, and to all Others whom it may concern.

WHEREAS by the Nuisances' Removal and Diseases' Prevention Act, 1848, it was enacted that when any part of the United Kingdom should appear to be threatened by any formidable epidemic, endemic, or contagious disease, the Lords and others of her Majesty's Most Honourable Privy Council, or any three or more of them (the Lord President of the Council, or one of her Majesty's Principal Secretaries of State being one,) might, by Order or Orders to be by them made, direct that the provisions contained in the said Act for the prevention of epidemic, endemic, and contagious diseases be put in force in Great Britain, and that every such Order should be in force for six calendar months, or for such shorter period as in such Order should be expressed; And whereas by an Order of her Majesty's Most Honourable Privy Council (the Right Honourable Viscount Palmerston, one of her Majesty's Principal Secretaries of State, being one,) bearing date the 28th September 1848, the said provisions of the said recited Act were directed to be put in force throughout the whole of Great Britain, for a period of six calendar months thence next ensuing; And whereas, by another Order of her Majesty's Most Honourable Privy Council, (the Most Honourable the Lord President of the said Council being one,) bearing date the 25th September 1849, the said first-mentioned Order was renewed for a further period of six calendar months, from the said 25th day of September 1849, which said last-mentioned Order is now in force throughout the whole of Great Britain; And whereas the General Board of Health in Great Britain are, by the said recited Act, empowered, during the continuance in force of any such Order as above recited, to issue such Directions and Regulations as the said Board shall think fit for the prevention, as far as possible, or mitigation of such epidemic, endemic, or contagious diseases;

Now We, the General Board of Health, in exercise of the powers vested in us by the said recited Act, do hereby issue the following Directions and Regulations to extend to, and to be observed in the town of New Windsor, within the Windsor Union, in the county of Berks, in Great Britain, and which Directions and Regulations we do hereby confine to the limits of the said town within the said Union; that is to say:

That four legally qualified Medical Men be appointed to make a daily visitation from house to house in and throughout the town of New Windsor, in the said Union.

That a House of Refuge, with adequate accommodation, be provided in a convenient situation within the said town, to which the families of

those affected by Cholera, and persons residing in the infected districts, may be removed.

That a sufficient number of nurses be provided to attend at the said House of Refuge, and to attend those who may be affected by Cholera at their dwellings.

Given under our hands, and under the seal of the General Board of Health, this sixth day of October one thousand eight hundred and forty-nine.

T. SOUTHWOOD SMITH.

To the Governor and Guardians of the Poor of KINGSTON-UPON-HULL, and to all Others whom it may concern.

WHEREAS by the Act 11th and 12th Victoria, cap. 123, intituled "An Act to renew and amend an Act of the tenth year of Her present Majesty, for the more speedy removal of certain nuisances, and the prevention of contagious and epidemic diseases," and by virtue of an Order of Her Majesty's Most Honourable Privy Council, bearing date the 27th day of March 1849, directing that the provisions of the said Act be continued in force throughout the whole of Great Britain; We, the General Board of Health, are authorized to issue such Directions and Regulations as the said Board shall think fit, for the prevention, as far as possible, or mitigation of epidemic, endemic, and contagious diseases;

And whereas the Union of Kingston-upon-Hull, appears to be still partially affected by epidemic or endemic disease, although that disease has greatly abated,

We, the General Board of Health, do hereby order the Medical Staff now appointed for the aforesaid Union, be reduced to two district Surgeons, one night Surgeon, and three house Visitors, in lieu of the numbers appointed by our previous Order of the 14th day of September last.

Given under our hands, and under the seal of the General Board of Health, this tenth day of October one thousand eight hundred and forty-nine.
