The Lands, which are of the best quality, and in excellent condition, are let to an enterprising tenant, on a lease which expires at Martinmas 1859.

The Steading was erected in 1841, and is most commodious and substantial.

There are many beautiful situations for building. On the northern boundary the view is most extensive, comprising the River Tay, the Carse of Gowrie, Strathearn, Newburgh, Perth, and Dundee; and either as a residence or an investment, few properties possess greater advantages.

For farther particulars application may be made to Messrs Dundas & Wilson, C.S., 16, St Andrew Square, Edinburgh; or Messrs Drummond and Mitchell, Writers, Cupar-Fife.

Edinburgh, 23d July 1852.
