Fort-William, Financial Department,
the 22d January, 1853.

NOTIFICATION.

No. 1.

NOTICE is Hereby Given, that the Five per Cent. Transfer Loan, comprising the book debt of the 31st December, 1834; the book debt of the 10th August, 1835; the book debt of the 15th January, 1836; and the promissory notes of the loan dated the 31st December, 1834, will be discharged on the 22d day of April, 1854, when payment will be made at the option of the creditors, either in cash in India, or by bills on the Honourable the Court of Directors, at twelve months' date, and two shillings and one penny per sicca rupee, with power to the Court to postpone payment of those bills for one, two, or three years, upon allowing interest at five per cent. per annum, for the period of postponement.

No. 2.

In accordance with the advertisement of the Government of India in the Financial Department, of the 17th June, 1853, this notice of payment shall be considered as equivalent to a tender of payment on the said 22d day of April, 1854, and all interest will cease from that day.

No. 3.

Proprietors of the stock and promissory notes in the Five per Cent. Transfer Loan will be permitted, on or before the 22d day of July, 1853, to subscribe the amount of such stock or promissory notes into a new loan, to be held in the form of stock, and to bear an interest at the rate of four per cent. per annum, from the said 22d day of April, 1854. Such interest to be paid to proprietors resident in India at the place of registry, and if resident in Europe, at their option either in cash in India or by bills on the Court, at twelve months' date, and two shillings and one penny the sicca rupee.

No. 5.

The stock of the new loan will be transferable only in books to be kept in Bengal, at Madras, at Bombay, and in London, and not by endorsement of stock receipts; and the stock accounts may, at the option of the proprietors, be transferred from the books in India to the books in London, and vice versa as in the case of stock of the Five per Cent. Transfer Loan.

No. 6.

After the transposition of stock accounts to the London books, the interest payable on such stock will be issued at the East India House, at the rate of two shillings and one penny per sicca rupee, by dividend warrants, payable at the Bank of England, at the same time as when the bills would have become due had the remittance of interest previously been received by bills of exchange drawn upon the Court, under the option allowed in the 3d article of the present notice.

No. 7.

Proprietors of stock in the Five per Cent. Transfer Loan, whose accounts may be open in the London books on the 22d day of April, 1854, who shall not, on or before the 22d day of July, 1853, express their assent, in writing, at the East India House in London, to the conversion of their Five per Cent. Transfer Loan, will receive payment of their principal, together with the interest due thereon, up to the 22d day of April, 1854, by a cash payment in London, on the 25th day of April, 1855, the date at which the bills would become due if the remittance of principal and interest were made from India by means of bills of exchange drawn upon the Court of Directors; the Court, however, reserving to themselves, in accordance with the stipulation in the first article of this notice, the power to postpone payment of such principal for one, two, or three years, upon allowing interest at five per cent. per annum for the period of postponement.

No. 8.

No part of the Four per Cent. Transfer Loan shall be paid off before the 22d day of April, 1874; and whenever it shall be redeemed, a previous notice of fifteen months shall be given by public advertisement, which notice may be issued at any time after the 21st of January, 1873; payment shall then be made, at the option of the creditors, either in cash in India, or by bills upon the Court of Directors, at twelve months' date, and two shillings and one penny the sicca rupee, with power to the Court to postpone payment of those bills for one, two, or three years, upon allowing interest at four per cent. per annum, for the period of postponement. The notice of payment, duly advertised as above, and published in the Government Gazette of Calcutta, shall be considered as equivalent to a tender of payment on the date advertised for discharge; and all interest will cease from that day.

No. 9.

Proprietors of stock in the Four per Cent. Transfer Loan, whose stock accounts may be open on the London books on the 22d day of April, 1874, will be paid the amount of principal, together with the interest due thereon up to that date, by a cash payment in London, on the 25th day of April, 1875, at the rate of two shillings and one penny the sicca rupee; such payment of principal to be subject to the power of postponement upon the conditions mentioned in the preceding article.
