THE Surviving Trustees under Mr Morison's Trust-Deed, dated 13th September 1831, and recorded in the Books of Council and Session, 18th December 1832, hereby give notice, that the Suits in Chancery, which have caused the delay in winding up the Trust-affairs, have been settled, and the remainder of the Assets of the estate realised, and that they propose immediately to close the Trust by paying a Final Dividend.

In consequence of the death of many of the Creditors, it is necessary—for distinctly ascertaining who are the parties now in right of the respective claims, and in order that the Final Scheme of Division and Discharge may be correctly prepared—that the Titles of parties not originally Creditors be now exhibited.

The Trustees therefore request that parties, now in right of such claims, will have the goodness to transmit their title—*e. g.* Confirmation, Probate, Assignment, or whatever it may be—within twenty-one days after the date hereof, to Messrs Jopp & Shand, Advocates in Aberdeen, the Agents of the Trust, for the above purpose.

It is necessary that all parties claiming dividends shall have complete Titles, and those desiring to be paid through Agents or Mandatories will require to grant full legal authority for that purpose.

The dividends already paid from this estate amount to Nineteen Shillings per pound of Principal, besides Interest, and it is expected that the Final Dividend will be about Eightpence per pound more.

The Trustees' Accounts, with an Abstract View of the Trust Affairs, will lie for inspection of Creditors at Messrs Jopp & Shand's Office in Aberdeen, from the 10th to the 31st of August ensuing.
