And whereas it is expedient that regulations should be made for the transmission by the Post of the letters and packets hereinafter mentioned.

And we direct that on every letter transmitted as is mentioned in this Warrant, exceeding half an ounce in weight, there shall be charged, taken, and paid, progressive and additional rates of postage as follows; that is to say:—

And we further direct that on every printed British newspaper transmitted by the Post between any place in the United Kingdom and any port or place in Turkey or the Black Sea (the conveyance between the United Kingdom and Turkey or the Black Sea being by packet boat direct, or *viâ* Malta, or by private ship direct), there shall be charged and taken, in lieu of any rates of postage now payable by law on such newspapers, an uniform rate of one penny; and every printed supplement or additional sheet to any such newspaper shall, for the purpose of charging the postage under this Warrant, be deemed a distinct newspaper, unless sent in the same cover, or together with the newspaper to which it is a supplement or addition.

And we direct that no such printed newspaper shall be sent by the Post at the rate aforesaid, unless the following conditions shall be observed:—

1st. It shall be sent without a cover, or in a band or cover open at the sides or ends.

3d. There shall be no paper or thing enclosed in or with any such newspaper.

And in case any one of such conditions shall not be fulfilled, the whole paper or packet shall be charged with the letter rates of postage.

And we further direct that nothing herein contained shall be deemed or construed to extend to any letters or newspapers passing by the Post, between the United Kingdom and Turkey, or the Black Sea *viâ* France, which are to be charged with the same rates of postage as if this Warrant had not been signed.

And we further direct that nothing in this Warrant contained shall in anywise annul, prejudice, or affect any of the exemptions and privileges granted by the said recited Act, nor in anywise prejudice or affect the privilege which seamen and soldiers employed in Her Majesty's Service, and seamen and soldiers employed in the service of the East India Company, now by law enjoy, of sending and receiving by the Post letters not exceeding half an ounce in weight, subject to the regulations and restrictions in respect of the same.

And we further direct that the term "packet boat" used in this Warrant shall include not only a ship of war, but also any vessel chartered or hired, or in any manner employed for or in Her Majesty's Service; and so far as respects the sea conveyance between Malta and Turkey, or the Black Sea, the said term shall also include any French packet-boat, or any ship of war or other vessel belonging to or in any manner employed by or under the Government of France; and that the several other terms and expressions used in this Warrant shall be construed to have the like meaning in all respects as they would have had if inserted in the said recited Act.

Provided lastly, and we hereby declare and direct that it shall be lawful for the Commissioners for the time being of Her Majesty's Treasury, or any two of them, by Warrant under their hands, at any time hereafter to alter or repeal any of the rates hereby altered, or the regulations hereby made, and to make and establish any new or other rates or regulations in lieu thereof, and from time to time to appoint at what time the rates that may be payable are to be paid.
