Art. 1. In those Commercial Association contracts in which all the partners are Foreigners, if three-fourths of them are of the same Nation, the Association will bear the character of that of nationality.

If the partners be of two Nations, and equally divided as to persons, the nationality of the Company will be that of the persons who represent the greatest amount of capital; and should this be variable amongst partners of different Nations, they must choose amongst themselves the nationality which they may deem most convenient, within three months after the publication of this Decree for already existing Companies, and within one month for those which may be formed in future.

This notice must be given in to the Ministry for Foreign Affairs, that the necessary inscription be made in the registry relating to Foreigners.
