- NOTICE TO MARINERS.

*Submarine Electric Telegraph in the Sound.*

NOTICE is hereby given, that a Submarine Telegraphic Cable has been laid down from Vedbek, on the coast of Sjælland, to the vicinity of Hillesborg, a manor 2½ miles to the north of Landsrona, on the coast of Skaane, in the following marks, viz.—

At Vedbek, two beacons, bearing W. ¾ S., and E. ¾ N. (by compass) when in one, gives the direction of the cable from this place to the southward of the Island of Hveen; and

At Hillesborg, two similar beacons, bearing E. by N. ½ N., and W. by S. ½ S., when in one, shews the direction of the said cable from south of Hveen to the coast of Skaane.

Between Vedbek and Hveen the line of the cable has moreover been marked by several small floating beacons, with a flag on a pole, while a larger floating beacon at the south end of Hveeff indicates the place where the direction of the cable is bent.

Mariners are requested not to anchor with those marks or bearings on, lest by so doing they damage the Electric Cable, or lose their own anchors, and to follow the directions given by pilots or other appointed functionaries on this account.

To make and maintain a Railway, with all proper works and conveniences connected therewith, in continuation of the Railway from Nairn to Elgin projected by the said Inverness and Elgin Junction Railway Company, commencing by a junction with the said last-mentioned intended Railway, as the same is laid down upon the plans thereof deposited on or before the thirtieth day of November last with the sheriff clerk of the county of Elgin or Moray, at his Office in Elgin, at a point on the south side of the royal burgh of Elgin, near the parliamentary boundary of the said burgh, and at or near, and communicating with, the Morayshire Railway at or near the terminus thereof in the said burgh, and terminating by a junction with the projected Extension to Nairn of the Great North of Scotland Railway, at the river Spey, as shewn upon the plans of the said projected Extension deposited with the Sheriff Clerk of the county of Elgin or Moray, at his office in Elgin, on or before the said 30th day of November last; and which intended Railway will be wholly situate within the said county of Elgin or Moray, and will pass through or into the several parishes, burghs, or places following, or some of them (that is to say): the parishes of Elgin, Saint Andrew's Llanbryde, Urquhart, Speymouth, and Rothes, and the royal burgh of Elgin, the said intended Railway being in fact identical with so much of the projected Extension of the Great North of Scotland Railway as is situate between the river Spey and the burgh of Elgin:
