Board of Trade, Whitehall,  
December 3, 1855.

The Right Honourable the Lords of the Committee of Privy Council for Trade and Plantations have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch from Her Majesty's Consul-General at Hamburg, forwarding a translation of a further Notification respecting the levying of a rate on ships, in consequence of the completion of the deepening of the Trave and its estuary, of which the following is a copy:—

Whereas, in the Notification of the 29th of February 1840, respecting the levying of a rate in consequence of the measures taken for deepening the Trave and its estuary, a proviso having been made for raising this rate after the completion of the works executed in conformity with the plan for the regulation of the river, and the Senate, in accordance with the Commoners (Bürgerschaft), having decided that the said works being now completed, the rate in question shall be raised, the Senate, conformable to this joint decision, annulling at the same time the dispositions contained in the Notification of the 29th of February 1840, hereby decrees and publicly makes known as follows:

1. From this 1st of January 1856, all sailing vessels and steamers of more than 30 lasts burden, arriving or leaving here, will have to pay the rate levied for deepening the Trave according to the following tariff:—

- A. Laden, 6 schilling per last of 4120 lbs.\*
- B. Exceptionally when laden with timber, 4 schilling per last of 4120 lbs.
- C. In ballast or empty, 2 schilling per last of 4120 lbs.

2. The rate will be collected by the Customs and Excise Department, according to the tonnage ascertained by Lübeck measurement, and the certificate of measurement, granted thereon, conform-

\* 13 schilling currency = 1 shilling sterling.  
1 Lübeck lb. = 1·07 lb. avoirdupois.

able to the instructions annexed to the decree of the 30th January 1850, respecting the measurement of sea-going vessels, and has to be paid on entry and departure, and by sailing vessels at the same time as the tonnage dues.

3. Ships laden to not more than one-tenth part of their total capacity pay as empty ships, two schilling per last.

Ships which, besides timber, are also partly laden with other goods, pay, when such goods fill a space not exceeding one-tenth of the total capacity of the vessel, the rate of timber-laden ships, four schilling per last.

Whoever lays claim to one of the two exceptional cases above mentioned, has to certify the same to the Customs and Excise Department; for which, as a rule, the bill of lading for inward, and a ship broker's certificate for outward, bound vessels, will suffice; the Customs and Excise Department retaining however the right of ordering a search to be made when expedient.

4. Mail packet-ships, and other vessels sailing under State flags, are, as *such*, not subjected to the rate levied for deepening the Trave; but mail packet-ships, carrying passengers or goods, will have to pay the rate conformable to the above regulations.

And also the following translation of a Supplement to the above Notification:—

The regulations contained in the Notification of the 29th February 1840, relative to the rate for the deepening of the Trave, together with the dispositions respecting the *Dredging* dues, taken from the said Notification, and incorporated (under 7) in the Decree of the 30th of January 1850, respecting the shipping dues for sea traffic and the passage on the Lower Trave, shall, upon and from the 1st of January 1856, cease to operate (be repealed).
