GROUND RENTS AND BUILDING GROUND.  
FOR SALE.

To be Sold by public roup, on Friday the 4th of April 1800, within the Tontine Tavern, Glasgow, at 1 o'clock mid-day,

**THE GROUND RENTS AND VACANT STEADINGS** of that Property called *Brownfield*, with the Waterfide between the park and the river Clyde, situated about half a mile from the Crofs of Glasgow, on the south side of the road leading to Anderson, immediately to the west of the Delftfield, and bounded by the river Clyde on the south.

The park, exclusive of the Waterfide, extends to 9 acres 1 rood and 10 falls, and the Waterfide extends to 3 roods and 22 falls. Certain parts of the park which were sold for ground rents, and afterwards deserted by the purchasers, extend to 7159 square yards, and will, when again disposed of, make a considerable addition to the rental or value.

A number of valuable buildings have been already erected on the ground, and all the holders of steadings that are not built upon might be immediately compelled to build for securing the ground rents.

A double ground rent is exigible every nineteenth year after the year 1791.
